CITY OF SHAFTER
CITY ATTORNEY'S IMPARTIAL ANALYSIS OF MEASURE Q
1% TRANSACTIONS AND USE (SALES) TAX

On July 7, 2026, the City Council voted unanimously to place Measure Q on the November 3, 2026, General Municipal Election ballot.

If approved by a majority of Shafter voters, this Measure would authorize a one percent (1%) retail transactions and use (sales) tax within the City of Shafter. A one percent (1%) rate equates to an extra $1 per $100 purchased. It is estimated that Measure Q will provide an additional $4,000,000 in annual local funding that could be used for City of Shafter services and facilities, including police services, traffic enforcement, street repairs and safety improvements, library and recreation services, park maintenance, and other municipal services. This tax would be a "general tax," meaning that revenues raised from the tax would go into the City's general fund to pay for any lawful City program, improvement, or service.

The California Constitution (Proposition 218) and Revenue and Taxation Code section 7285.9 authorize the City to levy a general transactions and use/sales tax at a rate of one percent (1%) so long as the tax is approved by a majority of the voters voting in an election on that issue. If approved, the tax would become operative on April 1, 2027, and remain in effect until repealed by voters at a subsequent election.

The tax would be paid in addition to current sales taxes and would be collected at the same time and in the same manner as existing sales taxes. All revenues raised by the tax would remain in the City and would not be shared with the State, County or any other agency.

A "yes" vote on Measure Q will authorize the 1% transactions and use (sales) tax.

A "no" vote on Measure Q will not authorize the 1% transactions and use (sales) tax.
