Proposed Amendment No. 1 ***continued***	Specifies submission of the amendment to the voters at the statewide election to be held on November 3, 2026. (Amends Const. Art. VII, §21(K)(1))
Proposed Amendment No. 2	**Do you support an amendment to allow a local taxing authority to continue to levy a lower millage rate without losing its ability to adjust to the maximum authorized millage rate from a prior year's reassessment?**
	2026 Regular Session, ACT 273 (HB 521) Existing constitution requires an automatic adjustment in ad valorem (property tax) millage rates in response to changes in the tax base resulting from a statewide reassessment every four years or changes in the homestead exemption, with adjustments made to ensure tax revenue collected in the year after reappraisal is equal to the amount of tax revenue collected in the year prior to reappraisal. Existing constitution authorizes an increase in a millage rate up to the maximum authorized rate from the prior year's reassessment by a 2/3 vote of the total membership of the taxing authority without further voter approval. Present constitution provides that, if a taxing authority does not increase its millage rate up to the maximum authorized rate from the prior year's reassessment before the next reassessment, the taxing authority permanently loses the ability to increase its millage rate to the maximum authorized rate from the prior year's reassessment in the future. Proposed constitutional amendment allows a taxing authority to continue to levy a lower millage rate without subsequently losing its ability to adjust to the maximum authorized millage rate from a prior year's reassessment until the authorized millage rate expires. Effective January 1, 2027, and applicable to all tax years beginning on or after January 1, 2027. Provides for submission of the proposed amendment to the voters at the statewide election to be held November 3, 2026. (Amends Const. Art. VII, §23(C))
Proposed Amendment No. 3	**Do you support an amendment to prohibit a defendant from being released on any post-conviction bail if the defendant is convicted of an aggravated offense against a minor child?**
	2026 Regular Session, ACT 271 (HB 51) Existing constitution provides for the right to bail. New constitutional amendment provides that a person convicted of an aggravated offense, as defined by existing law (R.S. 15:541), against a minor is not eligible for any post-conviction bail. Provides for submission of the proposed amendment to the voters at the statewide election to be held November 3, 2026. (Adds Const. Art. I, §18(C))
