	2026 Regular Session, ACT 606 (HB 27) Existing constitution requires the legislature to appropriate to state retirement systems at least 25% of any monies designated as nonrecurring in the Revenue Estimating Conference's official forecast. 	2026 Regular Session, ACT 274 (HB 514) Existing constitution requires property subject to ad valorem taxes (property taxes) to be listed on the assessment roles at its assessed value which is a percentage of its fair market value. Requires all property subject to property tax to be reappraised and valued at intervals of not more than four years. The amount of the exemption is as follows: (1) For a person 65 years of age but not yet 69 years of age, $6,000 of the assessed valuation of the property ($60,000 of fair market value).
