Public and necessary purpose is a judicial determination. Proposed Amendment No. 9	**Do you support an amendment to increase the maximum amount of income a person may receive and still qualify for the special assessment level for residential property receiving the homestead exemption?**
	2025 Regular Session, ACT 220 (HB 300) Existing constitution provides that the assessment of residential property receiving the homestead exemption which is owned and occupied by persons meeting certain qualifications shall not be increased above the total assessment of that property for the first year that the owner qualifies for and receives the special assessment level authorized in existing constitution. Existing constitution makes the special assessment level available to the following groups: (1) People who are 65 years of age or older. (2) People who have a service-connected disability rating of 50% or more as determined by the U.S. Dept. of Veterans Affairs. (3) Members of the U.S. armed forces or La. National Guard who are killed in action or who are missing in action or are a prisoner of war for a period exceeding 90 days. (4) People who are permanently and totally disabled as determined by a final, nonappealable judgment of a court, or as certified by a state or federal administrative agency charged with making official disability determinations. Present constitution limits eligibility for the special assessment level to people in the above-listed classes whose adjusted gross income for the year prior to the application for the special assessment level is $100,000 or less, with that income limit to be adjusted annually for inflation beginning with the 2026 tax year. Proposed constitutional amendment increases the income limit to $150,000, with that limit to be adjusted annually for inflation beginning with the 2028 tax year. Authorizes assessors to establish applicants' income eligibility for the special assessment level by verifying their federal adjusted gross income as reported on the La. income tax return for the year prior to the application.
