Mammoth Unified School District
Argument in Favor of Measure P

Mammoth Elementary, Mammoth Middle, Mammoth High, and Sierra High are the heart and soul of our community—where every child learns, grows, and gets the support to thrive. Strong public schools support home values, local businesses, and everything we love about life in Mammoth Lakes.

Measure P is an investment in our students' future. **Every dollar is guaranteed to stay in Mammoth classrooms—it cannot be taken by the State or Federal government and spent elsewhere.**

Measure P comes with **strict taxpayer protections:**

- **Guaranteed Local Funding:** Every dollar stays right here, in Mammoth's own classrooms, to directly benefit our students.
- **Transparency and Accountability:** Public disclosure of **all spending**, plus independent citizen oversight and third-party audits.
- **Focused Spending:** Funds may be used only for the specific purposes approved by voters. **No** funds may be spent on administrator salaries, pensions, or benefits.
- **Senior Exemptions:** Homeowners 65 and older can apply for an exemption.

Within these strict limits, Measure P supports:

- **PEOPLE:** Attracting and retaining highly qualified teachers, counselors and staff who know our students and are dedicated to helping them succeed.
- **FOUNDATIONS:** Strengthening core academics—reading, math and science—and keeping class sizes small in the early grades, when strong foundations matter most.
- **PROGRAMS:** Protecting student counseling, music, arts, language, athletic, extra-curricular, and after-school programs and services that keep students engaged.

Measure P protects taxpayers and seniors, helps retain dedicated, qualified teachers in Mammoth classrooms, and safeguards the academic programs our students rely on every day. Every dollar raised will stay local and cannot be taken by the State and Federal government.

Join parents, teachers, seniors, business owners, and community leaders in voting YES on Measure P.
