SAN DIEGO UNIFIED SCHOOL DISTRICT SCHOOL REPAIR, STUDENT SAFETY, NO TAX RATE INCREASE MEASURE

This proposition may be known and referred to as the "San Diego Unified School District Repair, Student Safety, No Tax Rate Increase Measure" or as "Measure M".

BOND AUTHORIZATION

By approval of this proposition by at least 55% of the voters of the San Diego Unified School District (the "District") voting on the proposition, the District shall be authorized to issue and sell bonds of $3.5 billion in aggregate principal amount to provide financing for the specific school facilities projects listed under the heading entitled "BOND PROJECT LIST" below (the "Bond Project List"), and qualify to receive State of California matching grant funds, subject to all of the accountability safeguards specified below.

ACCOUNTABILITY SAFEGUARDS

The provisions in this section are specifically included in this proposition in order that the voters and taxpayers of the District may be assured that their money will be spent to address specific school facilities needs of the District, all in compliance with the requirements of Article XIIIA, Section 1(b)(3) of the California Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Sections 15264 *et seq*. of the California Education Code (the "Education Code")).

Evaluation of Needs. The Board of Education of the District (the "Board") has evaluated the facilities needs of the District at each campus and facility to determine which projects to finance from a local bond at this time. In order to address the facilities needs of the District, the Board deems it necessary and advisable to fund the specific school facilities projects listed in the Bond Project List. The Board hereby certifies that it has evaluated safety, class size reduction and information technology needs in developing the Bond Project List.

Limitations on Use of Bonds. Proceeds from the sale of bonds authorized by this measure shall be used only for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses. More specifically, the Bond Project List provides for the specific projects the District proposes to finance with proceeds from the sale of bonds authorized by this measure and such proceeds shall be applied only to those specific purposes.

Bond Issuance Limitation. The District is required by law to make its best estimates of the *ad valorem* property tax rate required to be levied on all taxable property in the District to pay debt service on the proposed bonds. The District's tax rate estimates appear in the Tax Information Statement that the Registrar is required to provide in the Voter Information Pamphlet mailed to voters in connection with the election. The limitation contained in Proposition S, approved by voters on November 4, 2008, does not extend to bonds of the District authorized and issued pursuant to an election held after the date of approval of Proposition S, and the tax rate levied to meet the debt service requirements of the bonds proposed to be issued pursuant to this measure, as estimated in the Tax Information Statement, shall be in addition to and not included in projections related to the Proposition S tax rate limit.

Independent Citizens' Oversight Committee. In accordance with and pursuant to Education Code Section 15278 *et seq* ., the Board shall establish an independent citizens' oversight committee, within 60 days of the date that the Board enters the election results on its minutes pursuant to Section 15274 of the Education Code, to ensure that (a) bond revenues are expended only for the purposes specified in Article XIIIA, Section 1(b)(3) of the California Constitution, and (b) that no funds are used for any teacher or administrative salaries or other school operating expenses. In accordance with Section 15282 of the Education Code, the citizens' oversight committee shall consist of at least seven members and shall include a member active in a business organization representing the business community located within the District, a member active in a senior citizens' organization, a
