WHEREAS, the City is a municipal corporation and charter city duly organized and existing under the Constitution and laws of the State of California; and

WHEREAS, under Sections 3, 5, and 7 of Article XI of the California Constitution and Section 1-2 of the City Charter, the City is authorized to make and enforce all laws and regulations in respect to municipal affairs, subject only to the restrictions and limitations provided in the Charter; and

WHEREAS, approval of the issuance of the Bonds by the City requires 2/3 of the voters in the City voting on the measure to vote in favor; and

WHEREAS, if the ballot measure authorizing issuance of the Bonds is approved by the requisite number of votes, the City will be authorized to issue the Bonds.

NOW THEREFORE, BE IT ORDAINED by the City Council of the City of Alameda by four affirmative votes that:

SECTION 2. FINDINGS. The City Council hereby makes the following findings with respect to the proposed measure for the Bonds:

(i) The City Council has adopted, by a two-thirds vote of all its members, a resolution entitled "Determining that the Public Interest and Necessity Demand the Acquisition and Construction of Municipal Improvement Projects and Their

Financing Through the Issuance of General Obligation Bonds," pursuant to which the City Council has found and determined that the public interest and necessity demand the issuance of general obligation bonds to finance the Improvements as municipal improvement projects of the City.

(ii) In order to provide for the issuance by the City of general obligation bonds to provide financing for the Improvements, it is necessary for the City Council to adopt an ordinance ordering the submission of the measure of incurring bonded indebtedness for such purpose to the qualified voters of the City at a municipal election.

(iii) The City Council desires to submit said ballot measure to the qualified voters of the City at the regular election to be held in the City on November 3, 2026, and to consolidate the bond election with other elections held within the City on that date.

SECTION 3. CALL FOR ELECTION. The City Council hereby orders that there be submitted to the qualified voters of the City a measure on incurring bonded indebtedness for the purposes set forth in this Ordinance, at the regular election to be held on November 3, 2026.

SECTION 4. BALLOT MEASURE. The City Council hereby submits to the qualified voters of the City, at the regular election to be held on November 3, 2026, a measure on issuing the Bonds. The statement of the measure shall be in substantially the form set forth in the resolution of the City placing the measure on the ballot.

SECTION 5. OBJECT AND PURPOSE OF BONDS. The object and purpose of the Bonds is to finance some or all of the costs of the Improvements. The authorized Improvements also include all work, facilities and expenditures necessary and incidental to the projects identified as part of the Improvements. Examples of such work, facilities, and expenditures include, but are not limited to: costs of design, engineering, architect and other professional services, inspections, site preparation, utilities, landscaping, construction management and other planning and permitting, legal, accounting and similar costs; a customary construction contingency; demolition and disposal of existing structures; rental or construction of storage facilities and other space on an interim basis for materials and other equipment and furnishings displaced during construction; addressing unforeseen conditions revealed by construction or renovation, and other necessary improvements required to comply with existing building codes and other applicable law, including the Americans with Disabilities Act (ADA); costs of the Bond election; Bond issuance costs; project administration during the duration of such projects; and financing and interest costs on the Bonds.

The final costs, locations, designs, layouts and other components of the Improvements will be determined as plans are finalized, construction bids are awarded, and projects are completed. Therefore, the City Council cannot guarantee that the Bonds will provide sufficient funds to allow completion of all needed Improvements.

The estimated cost includes legal or other fees, the costs of printing the Bonds, and other costs and expenses incidental to or connected with the authorization, issuance and sale of the Bonds. To the extent the Improvements financed are revenue-producing public works, the cost of the Improvements may also include interest estimated to accrue on the Bonds during the construction period and for a period of not to exceed 12 months after completion of construction.

SECTION 7. PRINCIPAL AMOUNT OF BONDS. The amount of the principal of the Bonds shall not exceed $300,000,000.

SECTION 8. MAXIMUM INTEREST RATE. The maximum rate of interest to be paid on the Bonds shall be the statutory maximum of 12% per annum. Said interest shall be payable semiannually, except that interest for the first year after the date of the Bonds may be made payable at the end of said year.

SECTION 9. ISSUANCE AND SALE OF BONDS. The City proposes to issue and sell the Bonds pursuant to authority granted to the City under the Charter, Article XIIIA of the California Constitution, and certain provisions of the California Government Code, including Article 1 of Chapter 4 of Division 4 of Title 4 (commencing with Section 43600) and Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 (commencing with Section 53506), in one or more series, in the maximum amount and for the objects and purposes set forth above if the requisite number of qualified voters voting on the measure vote in favor thereof. The Bonds will be general obligations of the City payable from and secured by ad valorem taxes levied and collected in the manner prescribed by the laws of the State of California. The revenue generated from the ad valorem tax levied and collected will be used for the payment of debt service on the Bonds. All of the Bonds shall be equally and ratably secured, without priority, by the taxing power of the City.

SECTION 10. MANNER OF CONDUCTING ELECTION. The election on the Bonds shall be held and conducted, election officers appointed, voting precincts designated, ballots printed, polls opened and closed, ballots counted, and returned, returns canvassed, results declared, and all other proceedings incidental to and connected with the election shall be regulated and done in accordance with the provisions of law regulating the election with which it is consolidated.
