No on Measure _ – Community Center

The proponents want voters to approve a "special" tax hike that everyone will be forced to pay.

They want to increase your taxes to the City to pay for childcare whether you have young children or not.

They want to create a disaster/fire/earthquake community center.

Does that make any sense to you?

No? Then vote NO on __.

The ballot statements say the tax hike will fund a "disaster relief facility...", which begs the question: if the city council agrees this is important, why is it not in the current City Budget?

City budgets set their spending priorities and limits.

Their budget says that everything else in the current City budget is more important!

Do you agree?

If yes? Then vote no on ___.

The SF Bay Area is already the most expensive region in the United States.

You must live within your means, and city of Belmont needs to **do the same!**

Send a message that Belmont must live within the city budget.

Vote NO on __!
