Vote Yes on __: Repair Burlingame schools to protect high-quality local education and keep local students safe.

Burlingame Schools are at the heart of our community. For generations, we've delivered top-notch education to local students — keeping both our schools and our community strong.

But some of our schools are over 100 years old and their age is showing. Classrooms suffer from dry rot, leaky roofs, and outdated plumbing and electrical systems. We need to fix these problems now, so teachers have the tools they need and students can focus on learning in safe, modern classrooms — not on bursting pipes.

Measure __ repairs our classrooms and labs so we can continue our tradition of academic excellence. Every local student deserves safe, modern facilities that set them up for success in high school, college, and beyond.

Yes on __: Repair Aging Local Schools

- Protect high-quality academic instruction in core subjects like math, science, reading, and writing
- Remove dry rot, lead, and asbestos
- Update science, technology, engineering, and math labs
- Fix leaky roofs
- Replace aging and inefficient plumbing and electrical systems
- Provide teachers with the tools to prepare students for high school and college

All Measure __ Funds Stay Local for Burlingame Schools

- By law, all funds remain under local control and may only be used in Burlingame schools
- No funds can be taken by the State or Federal government
- An independent citizens' oversight committee and mandatory annual audits are required

Strong schools mean strong property values and a stronger community. Join parents, teachers, and neighbors across Burlingame in voting yes.

Yes on __: Repair and Upgrade Local Schools
