Start [This isn't the first time we've heard from this lone opponent of funding our schools. He doesn't live in the County, let alone our community. If he did, he'd know Burlingame's rich history of supporting local schools, making our community strong and such a special place to call home. 49

We feel obligated to set the record straight and remind our neighbors why we need Measure R:

- **Some of Our Schools Are Over 100 Years Old**. And their age is showing. Classrooms suffer from dry rot, leaky roofs, and outdated plumbing and electrical systems. Students are learning in outdated classrooms.
- **Basic Repairs and Upgrades.** Measure R removes hazardous materials like lead and asbestos, replaces aging pipes and roofing, and updates science, technology, engineering, and math labs, giving teachers the tools to prepare students for high school, college, and beyond.
- **100% of Funds Stay Local.** By law, funds can only be used in Burlingame schools. No funds can be taken by the State or Federal Government.
- **A Clear System of Accountability.** An independent citizens' oversight committee and mandatory annual independent audits are required to make sure every penny is spent as voters intend. 142

Measure R keeps our tradition of academic excellence, protecting what makes Burlingame such a special place to live: strong schools, strong community, and strong students. 25

Let's make the essential, basic repairs and upgrades our schools need. Join teachers, small businesses, and community leaders — Vote Yes on Measure R!] 23 End
