Rebuttal to Argument in Favor of Measure D – Burlingame Hotel Tax Increase

[Argument starts here]

Stop this huge new TAX INCREASE!

Burlingame City Councilmembers expect voters to approve **a huge, 25 PERCENT tax hike** by saying residents won't have to pay.

But they want to dramatically increase the cost to visitors coming here for business or pleasure.

Councilmembers are basically saying, **let's discourage people from visiting** and **spending their business dollars here**, and/or from **seeing us, their family and friends.** *Even when they're here to help while we're in the hospital!*

Does that make sense?

Vote NO.

The ballot question says the tax would support "maintaining city streets/ sidewalks …repairing potholes," and "enhancing emergency response, preparedness …wildfire prevention…."

Which begs the question:

Why doesn't the budget fully fund core services *like police, pothole repair, and emergency response?*

Don't trust politicians!

Budgets demonstrate our representatives' priorities. Why the heck aren't those core services the highest priority, every day?

There's no guarantee the money would fund those services, because Measure D is a "**general** government use" **tax**. That means the City could spend it on almost anything it chooses.

Councilmembers should **safeguard, *in their regular budget,* our streets, sidewalks, and emergency response services.**

Don't we want ***more business*** from out-of-town visitors? ***More visits*** *from loved ones*?

It's common sense: Don't tax what you want more of!

Vote NO!

Send a message to councilmembers: *Don't treat vital core services as a mere afterthought and penalize Burlingame's visitors to cover expenses you've overlooked!*

Vote NO!
