CITY OF OAKLAND MEASURE EE

EE Shall the measure to amend Oakland's City Charter to, among other things, (1) make the Mayor the City's chief executive with a legislative veto, (2) empower the Council to override vetoes, confirm appointments of certain directors, and appoint an Independent Budget and Legislative Analyst, (3) affirm Councilmembers' right to acquire information from other City officials, (4) require Councilmembers to work full-time, and (5) empower the Public Ethics Commission to set salaries for all City elected officials using similar formulas, be adopted?	YES
	NO

CITY ATTORNEY'S IMPARTIAL ANALYSIS OF MEASURE EE

This measure would amend the Oakland City Charter to, among other things:

- Make the Mayor the City's chief executive. The Mayor, rather than the City Administrator, would manage most departments and appoint most department heads, except that the City Administrator would maintain authority over the departments of Human Resources and Finance. The Mayor would continue to appoint the City Administrator subject to Council confirmation.
- Empower the Council to confirm the permanent appointments of the heads of the Human Resources and Finance departments, and the head of any department primarily responsible for designing, constructing, or maintaining City infrastructure. Currently, the Council does not confirm the appointment of any department head.
- Empower the Council to create an Office of the Independent Budget and Legislative Analyst, which would provide independent fiscal, policy, and feasibility analysis to the Council.
- Empower councilmembers to relay constituent concerns and propose projects to City staff; require City officials to respond promptly to councilmembers' requests for information; and remove the provision that makes it a misdemeanor for councilmembers to interfere in administrative affairs.
- Empower the Council to conduct legislative hearings and issue subpoenas to compel the production of documents or testimony.
- Eliminate the Mayor's existing power to cast tiebreaking votes when the Council is evenly divided, and empower the Mayor to veto legislation passed by the Council, with certain exceptions described in the measure. An affirmative vote of six councilmembers could override the Mayor's veto, unless the legislation required more than six votes in order to pass, in which case an override would require the higher vote threshold.
- Provide the Mayor a line-item veto over the annual budget, whereby the Mayor could veto any budget item adopted by Council and change it to the amount the Mayor originally proposed or to an amount somewhere between what the Council adopted and what the Mayor originally proposed. An affirmative vote of six councilmembers could override a line-item veto.
- Require councilmembers to devote their full time to their office and prohibit councilmembers from engaging in outside employment or business that would interfere or conflict with their duties.
- Require the Oakland Public Ethics Commission to set the salaries of the Mayor and the councilmembers, and require those salaries to be comparable to the salaries of similar full-time public officials in California. Currently the Oakland Public Ethics Commission adjusts the councilmembers' salary by the consumer price index increase up to five percent, and the Council sets the Mayor's salary in accordance with a formula based on comparably sized California cities.
- Require publication of ordinances, either by newspaper or by another method authorized by the Council, within fifteen days of final passage. Currently this notice is published in a newspaper between introduction and final adoption.
- Allow the Council to appoint a person to temporarily serve on the Council in place of the Council President if the Council President is filling a mayoral vacancy pursuant to the Charter.

This measure was placed on the ballot by the City Council and will take effect only if a majority of voters voting on the measure vote "Yes."

CITY AUDITOR'S IMPARTIAL ANALYSIS OF MEASURE EE

Summary of Financial Impact

This ballot measure proposes to amend the City Charter by tasking the Public Ethics Commission with setting the salaries for the Mayor and Councilmembers every two years beginning in 2027.

In addition, the ballot measure proposes the establishment of an Independent Budget and Legislative Analyst Office to provide fiscal, policy, and feasibility analysis for the City Council.

Financial Analysis

The Public Ethics Commission would set the salaries of the Mayor and the Councilmembers considering the highest paid professional fulltime employees in the respective offices of the Mayor and City Council, as well as similar fulltime positions in comparable California cities and counties chosen by the Public Ethics Commission. While specific salary increases would depend on the Public Ethics Commission's proposals, our Office estimates an increase of $36,000 to $108,000 in salary and benefits per Councilmember, resulting in an increase of $288,000 to $867,000 for the entire City Council in the first year.

To estimate total personnel costs arising from the measure if passed, we included benefits in addition to base salaries. We referenced the methodology of the Public Ethics Commission to calculate ranges based on other Bay Area and California jurisdictions and highest paid employees of the offices of the Mayor and City Council for FY 2025-26. We also considered the salaries of other City department heads but omitted them from our final analysis due to lack of comparability. Based on these factors, we do not estimate a significant increase in the Mayor's salary and benefits.

Using the salaries of similar positions in the City of Oakland, the Independent Budget and Legislative Analyst Office would cost approximately $1.7 to $1.8 million in staffing and overhead. We reviewed other jurisdictions to estimate staffing to include one independent budget and legislative analyst, three analysts, and one administrative assistant.

We estimate that if this ballot measure passes, the overall cost to the City ranges from $2.0 million to $2.6 million for the first year, with ongoing costs subject to inflation.

This analysis is based on the best information available at this time.

ARGUMENT IN FAVOR OF MEASURE EE

Angry about past administrations violating your trust? Ever tried calling City Hall for help or services unsuccessfully? Ever wonder who's in charge in Oakland and why no one's accountable?

If the answer is yes, **vote YES on EE: Reform City Hall. Put power into Oaklanders' hands to hold politicians accountable and get faster, effective results.**

YES on EE Increases Accountability.

The City Charter is the contract between City Hall and the public, but the current system means no one's accountable. Reform a bureaucracy where residents don't get answers or services! Vote YES on EE.

Yes on EE implements a Strong Mayor form of government that many cities like Oakland have. Reforming Oakland's system so city department heads answer to one executive leader – the Mayor – strengthens coordination, focus, and more decisive responses to crises. You elect a Mayor to do a job, and you should be able to clearly judge their performance. **YES on EE** matches authority with responsibility, giving voters the power to retain or replace that leader based on results.

YES on EE Increases Service Delivery.

By centralizing clear, direct accountability/responsibility for services to elected representatives, Yes on EE speeds up action and service on homelessness, public safety, and illegal dumping.

YES on EE Ensures Honest Government, Fiscal Accountability

To strengthen fiscal oversight and protect taxpayer dollars, Measure EE creates an Independent Budget and Legislative Analyst office.

Yes on EE ensures Checks and Balances by granting the Mayor veto power over legislation and budget decisions, while allowing a vote by six Councilmembers to undo that veto.

Yes on EE gives the Council the power to conduct hearings and issue subpoenas.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE EE

Oakland's charter needs reform—but Measure EE would *increase* the risk of corruption, *decrease* accountability, and move Oakland in the wrong direction.

The Mercury News calls it an "**audacious power grab**". Alameda County Supervisor Nate Miley says "**I was wrong**" about previously supporting a "strong mayor" system like Measure EE.

In fact, Oakland already tried a "strong mayor" system, in 1998. We rejected it just four years later. *We already know "strong mayor" is wrong for Oakland.* Why are we being asked again?

NO on EE: It doesn't ensure accountability. The mayor doesn't have to attend council meetings or make decisions in public.

NO on EE: It doesn't improve service delivery. It replaces public servants with political appointees and promotes political gridlock.

NO on EE: It caters to special interest groups, like tech billionaire-backed Revitalize East Bay, because it makes it easier for *them* to control City Hall—not you, the voters.

Even the city council didn't think it was right for Oakland. This measure was proposed by a committee assembled by the mayor, written by staff hired by the mayor, and placed on the ballot only because the mayor herself cast a tie-breaking vote.

There's a clear and simple fix for Oakland's charter challenges: the council-manager system used by 99 other Bay Area cities and hundreds more across California, that promotes transparent and effective government. **This isn't it.**

Say YES to Good Government. Vote NO on the "Strong Mayor" Power Grab.

ARGUMENT AGAINST MEASURE EE

Say YES to Good Government. Vote NO on the "Strong Mayor" Power Grab.

Oakland's charter needs fixing—but this is the wrong approach. It makes our government less transparent, increases the risks of corruption, and drives political gridlock. This isn't about the current mayor—it's about Oakland's future.

Oakland can't afford secret backroom dealings deciding the future of our city. These changes mean the City's chief executive **will not be required to attend council meetings**, keeping the inner workings of City Hall hidden. It's a recipe for special interests to buy influence behind closed doors while ignoring the needs of our communities and neighborhoods.

Oakland can't afford city departments run by political cronies. This measure lets future mayors appoint their unqualified friends and allies to cushy government jobs, paid for by taxpayers like you. It's a step backward that risks corruption and mismanagement.

Oakland can't afford political gridlock. This measure lets the mayor block almost any council action if only a small minority of councilmembers agree with them. But it also removes the mayor's power to break ties, making it even harder to get anything done. We can't tackle illegal dumping, homelessness, or our housing crisis if the city council can't take action.

This measure gives councilmembers massive pay raises—all while asking them to do less.

It's an **outdated form of government** that would move Oakland in the wrong direction. That's why Councilmembers Zac Unger, Janani Ramachandran, Noel Gallo, and Ken Houston all voted NO on placing this measure on the ballot.

There's a better way to fix Oakland's charter. We can have a government run by experienced professionals, with the mayor and council making decisions together, in full public view, moving our city forward. Learn more at www.OakGoodGov.org

REBUTTAL TO ARGUMENT AGAINST MEASURE EE

Vote YES on EE – Oaklanders Deserve a Charter That Works

Measure EE was informed by the Charter Reform Working Group's public process: 1,150 residents gave input in meetings/surveys; interviews with scores of city staff/officials were conducted, along with research on governance models across the country.

YES on EE Establishes Clear Lines of Accountability.

Currently there's confusion about who has authority. The status quo means nobody's in charge, less gets done, and government/service efficiencies aren't achieved. Vote YES to give future Mayors power to run the city/deliver services efficiently. THEN use your voter power to demand accountability!

YES on EE ISN'T a "power grab." It simply balances the powers of the Mayor/Council.

Voting YES creates a stronger executive *and* Council:

The Mayor is responsible for administration.

The Council retains lawmaking budget authority and gains stronger oversight tools.

Measure EE provides independent fiscal and policy analysis to support the Council's legislative/budget decisions.

YES on EE Creates Responsible Checks/Balances.

Establishes two separate branches with clear responsibilities and checks/balances on each other:

The Mayor has veto power. The Council can override any veto with six votes.

These checks/balances force disagreements into a transparent, public process.

YES on EE Makes Council Service a Full-Time Job.

Measure EE reforms Council positions into full-time jobs, so people from all backgrounds can run for office. Outside employment is expressly prohibited, minimizing conflicts of interest.

FULL TEXT OF MEASURE EE

The people of the City of Oakland do ordain as follows:

Section 1. Amendments to the Oakland City Charter.

The Charter of the City of Oakland is hereby amended to add, delete, or modify sections as set forth below (section numbers and titles are indicated in capitalized **bold type;** additions are indicated by underscoring, deletions are indicated by ~~strike through type~~; portions of the provisions not cited or not shown in underscoring or strike-through type are not changed).

ARTICLE I - POWERS AND FORM OF GOVERNMENT

Section 107. Form of Government. The government provided by this Charter shall be known as the Mayor-Council form of government.

Section 108. Continuity Immediately After Adoption of 2026 Amendments. Amendments to this Charter adopted at the November 2026 election provide for certain executive authorities, powers, and responsibilities previously conferred upon the City Administrator to be transferred to and assumed by the Mayor. Immediately after such amendments become operative, all directors or heads of departments and all employees previously under the City Administrator's jurisdiction shall remain under the City Administrator's jurisdiction unless and until their reporting structures are changed by the Mayor or City Administrator in accordance with this Charter and in accordance with applicable law. All general rules and regulations previously adopted by the City Administrator to govern the general conduct of the administrative departments previously under the City Administrator's jurisdiction shall remain in effect unless and until replaced, repealed or amended by the Mayor or City Administrator in accordance with this Charter and in accordance with applicable law.

ARTICLE II - THE COUNCIL

Section 200. Composition of the Council. The Council shall consist of eight Councilmembers, nominated and elected as hereinafter provided. ~~The Mayor shall not be a member of the Council, but shall have a vote on the Council if the Councilmembers are evenly divided in accordance with Section 305.~~ The Council shall elect a President of the Council from among its members for a term of two years. The President of the Council shall serve as the presiding officer of the City Council and shall perform duties authorized by the Council's Rules of Procedure, which shall be passed by resolution in accordance with Charter section 210.

Section 201. Qualifications. No person shall be eligible for or continue to hold the office of Councilmember, either by election or appointment, unless they are a citizen of the United States, a qualified elector, a resident for at least thirty days of the City or of a territory lawfully annexed or consolidated, and a resident of the district from which they may be a candidate for at least thirty days immediately next preceding their nomination or appointment.

Section 202. Council Salaries. Consistent with salary setting for other elected officials and in recognition that councilmembers shall devote their full time to the duties of their office, the salary of Councilmembers shall be set every two (2) years, beginning in 2027, by the Public Ethics Commission to provide for competitive compensation and equitable alignment, taking into account the top of the range for the highest paid professional employee in the Office of the City Council and salaries for City department heads, and shall be comparable to the salaries of full-time city councilmembers and full-time county supervisors in comparable California cities and counties selected by the Commission. The salary of Councilmembers may not be reduced, except as a part of a general reduction of salaries for all officers and employees in the same amount or proportion. ~~The Public Ethics Commission shall bi-annually adjust the salary for the office of Councilmember by the increase in the consumer price index over the preceding two years, up to a total of five percent. If the increase in the consumer price index over the preceding two years exceeds five percent, the Commission shall have the discretion~~

Section 204. Term of Office, Term Limits, Full-Time Service, Council.

(a) Term of Office. The Councilmembers shall be elected to a term of four years beginning at 11:00 a.m. on the Monday following January 2 following their election. In 2018 Municipal Elections were held to select City officers for four-year terms for the following offices: Councilmember, District #2; Councilmember, District #4, and, Councilmember, District #6. In 2020 Municipal Elections were held to select City Councilmembers for four-year terms for the following offices: Councilmember, District #1; Councilmember, District #3; Councilmember, District #5; Councilmember, District #7; and Councilmember At-Large.

(b) Term Limits. No person shall be elected to the office of Councilmember, whether district or at-large, or any combination thereof, for more than three consecutive terms; except that a person may serve up to three consecutive terms as a district Councilmember immediately followed by up to three consecutive terms as Councilmember at-large. For purposes of determining term limits, a Councilmember who fills a partial term of more than two years shall be deemed to have filled the entire term. Terms for the office of Councilmember that commenced prior to January 2023 shall not be considered in calculating limits on consecutive terms for Councilmembers.

(c) Councilmembers shall devote their full time to the duties of their office and not engage in any outside employment, trade, business or profession which interferes or conflicts with those duties. Councilmembers shall not be eligible during the term for which they were appointed or elected to hold any other office or employment with the City, except as a member of a board of a joint powers authority or other board or commission of which

they are constituted such a member by general law or by this Charter. Councilmembers shall not receive any compensation, including honoraria, for their services other than that provided in this Charter, except that which may be provided for their serving on governmental entities where payment is authorized for other governmental officers or employees serving in that capacity. However, nothing shall prevent Councilmembers from the receipt of income earned from business(s) or investment(s) in which they are not actively engaged and which are not in conflict with the performance of their duties and responsibilities.

Section 205. Vacancy, Filling of. All vacancies occurring in the office of Councilmember shall be filled by special election within 120 days of a vacancy. An extension of up to 90 days may be allowed only for the express purpose of consolidating the special election with the next Municipal Election or Statewide Election. Special elections for the office of Councilmember shall be conducted using the same ranked choice voting procedures used to elect Councilmembers in General Municipal Elections. Whenever the period of vacancy in a Councilmember's term of office equals or exceeds 100 days the vacancy may be temporarily filled by appointment through the majority vote of the remaining Councilmembers, provided the appointee may not simultaneously fill the vacancy and run as a candidate for that office and provided the appointment does not exceed 180 days or go beyond the date the new incumbent is sworn in, whichever is shortest. Alternative legal voting procedures shall be used to the greatest extent feasible to increase voter participation in special elections including, but not limited to, mail ballot voting, secure, electronic voting and extended voting period.

Notwithstanding any other provision of this section 205 or this Charter, an election shall not be required to fill a vacancy in the office of Councilmember that occurs when the Council President fills a mayoral vacancy pursuant to Sections 303 and 304 of this Charter, and the Council President shall be entitled to return to their seat when the mayoral vacancy is filled, provided that, during the Council President's service as Mayor, the City Council may, by resolution, appoint a person to serve as Councilmember for the Council President's district. The appointee shall meet the qualifications for office of Councilmember set forth in Section 201 of this Charter. The appointee shall hold office only until the Council President returns to their seat or when the term ends, whichever is sooner.

Section 207. Powers of the Council.

(a) The Council shall be the governing body of the City. It shall exercise the corporate powers of the City and, subject to the expressed limitations of this Charter, it shall be vested with all powers of legislation in municipal affairs adequate to provide a complete system of local government consistent with the Constitution of the State of California. It shall have no administrative powers. The Council shall fix the compensation of all City employees, officers and officials except as otherwise provided by this Charter.

(b) The Council shall, in all matters relevant to the Council's powers, have the authority to conduct legislative hearings, to issue subpoenas to compel the production of books, papers and documents, and to take testimony on any matter pending before it. The City Clerk shall issue subpoenas in the name of the Council, attested with the corporate seal, requiring the attendance and testimony of the witness or production of documents at a specified time and place before the Council. If any person subpoenaed fails or refuses to appear or to produce required documents or to testify, no less than five members of the Council may find them in contempt, and shall have power to take the proceedings in that behalf provided by the general law of the State. Nothing in this section shall require Council to provide for examination of witnesses under oath in any particular proceeding.

Section 208. Meetings of the Council. At 11:00 a.m. on the first Monday following January 2 following each General Municipal Election, the Council shall meet at the established Council meeting place, at which time and place the newly elected members of the Council shall assume the duties of their office; and at such meeting~~, and at its first meeting in January of each odd numbered year,~~ the Council shall, by resolution, elect a Council President from among its members to serve for a two-year term. The Council also shall elect, by resolution, a President Pro Tempore of the Council from among its members to serve a one or two-year term. Thereafter, the Council shall meet regularly at the time and place fixed by resolution. Special meetings may be held at the regular place of meeting and shall be called, and notice thereof given, by the City Clerk upon the written request of the Mayor, the City Administrator or three members of the Council and such notice shall state the special subject to be considered at the special meeting; and no other subject shall be there considered. Regular or special meetings may be held at places other than the regular meeting place only in an emergency in which the regular meeting place is untenable, or for some purpose of public convenience, upon the posting of a public notice at the regular meeting place that the Council is meeting elsewhere to be designated on the notice.

Section 210 (1). Council Action. The Council shall provide by resolution for the order of business and the rules of procedure for the conduct of Council meetings. The Council shall act by ordinance or resolution or motion. The "ayes" and "noes" shall be taken on the passage of all ordinances and resolutions and entered upon the journal of the Council's proceedings. Each proposed ordinance or resolution shall be introduced in written or printed form. The affirmative vote of five members of the Council shall be required to adopt any ordinance or resolution, except as otherwise provided by this Charter or by general law.

Section 210 (2) ; Approval or Veto of Council Actions by Mayor.

(a) The Mayor shall have veto power over all resolutions and ordinances passed by Council, including resolutions or ordinances to establish the official position of the City with respect to legislation proposed to or pending before the state or federal government, except that the Mayor's veto power shall not extend to the following:

(1) Matters that are exclusively within the purview of Council, such as selection of the Independent Budget and Legislative Analyst, confirmation of certain department heads pursuant to Charter section 600, the selection of a Council President or President Pro Tempore, or the establishment of the Council's rules of procedure or other rules or policies of governance exclusive to the Council and not affecting the administrative service of the City under the control of the Mayor or City Administrator.

(2) Matters where the Council has acted as a quasi-judicial body and was required by law to consider evidence at a hearing implicating individual due process rights.

(3) Matters where the Council has a ministerial duty or obligation to perform in a prescribed manner in obedience to a legal mandate.

(4) Emergency Ordinances adopted in accordance with Charter section 213.

(5) The adoption of the City's annual budget, which instead shall be subject to veto in accordance with Charter section 801.

(6) The levy of property tax in accordance with Charter section 802.

(b) Matters that are not subject to the Mayor's veto power shall be clearly indicated as such on the Council's agenda and within the body of the resolution or ordinance, and shall be signed as to form and legality by the City Attorney.

(c) The following shall apply to each resolution and ordinance that has been adopted by the Council and is subject to the Mayor's veto:

(1) Each such resolution or ordinance shall, within forty-eight hours of the Mayor's request, be transmitted to the Mayor by the City Clerk with appropriate notations of the action taken by the Council.

(2) The Mayor shall act upon each resolution or ordinance within seven days of the Council's adoption.

(3) The Mayor shall either approve the resolution or ordinance by signing and returning it to the City Clerk within the seven-day period, or shall veto any resolution or ordinance and return it to the City Clerk with their written objections within the seven-day period.

(4) Failure to return the resolution or ordinance within the seven-day period shall constitute approval and shall be noted by the City Clerk on the official copy, and such resolution or ordinance shall take effect without the Mayor's signed approval.

Section 210 (3); Council Override of Veto. Subject to any applicable noticing requirements, the City Clerk shall schedule any resolution or ordinance vetoed by the Mayor, with the objections of the Mayor, to the first Council meeting after the Clerk has received the Mayor's objections. The Council shall reconsider the resolution or ordinance. If at least six members of the Council vote in favor of passage after reconsideration, the resolution or ordinance shall become effective notwithstanding the Mayor's veto, except that if this Charter or other superseding law requires a vote threshold of higher than six votes in order to pass the resolution or ordinance, such higher vote threshold shall be required to override the Mayor's veto. If a vetoed resolution or ordinance is reconsidered but receives insufficient votes to override the Mayor's veto, or is not voted on within thirty calendar days of such veto, the resolution or ordinance shall be immediately deemed disapproved and have no legal effect.

Section 214. Publication. ~~Before~~ Within fifteen days after final ~~adoption~~ passage of an ordinance, its title, a digest thereof~~, a notice showing the vote on its introduction and the date, time, and place of hearing on its final adoption~~, and notice that three full copies thereof are available for use and examination by the public in the Office of the City Clerk, shall be published once in the official newspaper of the City or publicized by some other method authorized by ordinance. ~~at least three days before said hearing date. Notice of the adoption of an emergency ordinance, the vote thereon, its title, and a digest thereof shall be similarly published once within three days after its adoption.~~ The notices and digests shall be prepared by the City Attorney.

Section 216. Effective Date of Resolutions and Ordinances.

(a) In the case of a resolution or ordinance for which the Mayor has veto power:

(1) The date of approval by the Mayor pursuant to Charter section 210 or 801 shall be deemed the date of its final passage.

(2) If the time for approval or veto by the Mayor has expired and no action has been taken by the Mayor, the date of expiration of that time shall be deemed the date of its final passage.

(3) If a resolution or ordinance is adopted by Council overriding the Mayor's veto, then the date of Council's override vote shall be deemed the date of final passage.

(b) In the case of a resolution or ordinance for which the Mayor has no veto power, the date of adoption by the Council shall be deemed the date of its final passage.

(c) Resolutions shall become effective immediately

upon their final passage, unless otherwise stated therein.

(d) All ordinances shall take effect upon the seventh day after final passage unless a later effective date is indicated therein or is otherwise required by law, except that the following ordinances shall take effect immediately upon final passage unless a later effective date is indicated therein:

(1) an ordinance levying a tax;

(2) an Emergency Ordinance adopted in accordance with Charter section 213; and

(3) an ordinance calling or relating to elections;

~~An ordinance receiving upon final adoption the affirmative vote of at least six members of the Council shall be effective immediately, unless a later date is specified therein. All other ordinances, unless a different date is required by this Charter, shall be effective upon the seventh day after final adoption; provided, that within three days after said date of final adoption, the Mayor may file in the Office of the City Clerk written notice to the Council that the Mayor has suspended the taking effect of the ordinance, stating in said notice the reason or reasons for the action, which notice the City Clerk shall forthwith deliver to the members of the Council. Such notification shall automatically cause the reconsideration of the ordinance by the Council at its regular meeting next following the sixth day after the aforesaid final adoption of the ordinance. If, upon reconsideration, the ordinance is approved by the affirmative vote of at least five members of the Council, it shall take effect immediately; and if not so approved, it shall be ineffective.~~

Section 218. ~~Non Interference in Administrative Affairs.~~ Right of Inquiry and Access for Constituent Services. ~~Except for the purpose of inquiry, the Council and its members shall deal with the administrative service for which the City Administrator, Mayor and other appointed or elected officers are responsible, solely through the City Administrator, Mayor or such other officers. Neither the Council nor any Council member shall give orders to any subordinate of the City under the jurisdiction of the City Administrator or such other officers, either publicly or privately; nor shall they attempt to coerce or influence the City Administrator or such other officers, in respect to any contract, purchase of any supplies or any other administrative action; nor in any manner direct or request the appointment of any person to or their removal from office by the City Administrator or any of the City Administrator's subordinates or such other officers, nor in any manner take part in the appointment or removal of officers or employees in the administrative service of the City. Violation of the provisions of this section by a member of the Council shall be a misdemeanor, conviction of which shall immediately forfeit the office of the convicted member.~~

(a) Councilmembers and their designated staff may communicate directly to the Mayor, City Administrator, other appointed or elected officers, heads of departments, their designated Council liaisons, or City staff for the purpose of requesting information or data, reporting constituent complaints, submitting and following up on service requests, proposing ideas or projects or plans, and obtaining status updates related to City services.

(b) The Mayor, City Administrator, other appointed or elected officers, heads of departments, and designated Council liaisons shall provide timely and reasonable responses to Council inquiries and constituent-service requests, and shall provide Councilmembers with information necessary to perform constituent-services functions, except where prohibited by law.

(c) Councilmembers and their staff shall not have the power to direct, give orders to, or attempt to coerce any department head or any other subordinate of the City under the jurisdiction of the Mayor, City Administrator or other appointed or elected officers in respect to any administrative action.

ARTICLE III - THE MAYOR

Section 300. The Mayor. The Mayor shall be nominated and elected from the City at large and shall receive an annual salary payable in equal monthly installments. Consistent with salary setting for other elected officials and in recognition that the Mayor shall devote their full time to the duties of their office, the salary of the Mayor shall be set every two (2) years, beginning in 2027, by the Public Ethics Commission to provide for competitive compensation and equitable alignment, taking into account the top of the range for the highest paid professional employee in the Office of the Mayor and salaries for City department heads, and shall be comparable to the salaries of full-time city managers and chief executive officers in comparable California cities and counties selected by the Commission. The salary of the Mayor may not be reduced, except as a part of a general reduction of salaries for all officers and employees in the same amount or proportion. ~~, and without any additional compensation or fees provided for in Section 202 of this Charter. The salary shall be set by the Council, which shall be not less than 70% nor more than 90% of the average salaries of City Managers'/Chief Executive Officers of California cities within the three immediate higher and the three immediate lower cities in population to Oakland, The Mayor's salary shall be reviewed by the City Council in odd numbered years and may be adjusted by the Council as provided for herein~~.

Section 302. Term of Office, the Mayor. The Mayor shall be elected to a term of four years beginning at 11:00 a.m. on the first Monday ~~of~~ following January 2 following the Mayor's election. In 1990 municipal elections will be held to select City Officers for four year terms, including the Office of Mayor. No person shall be elected to the office of Mayor for more than two consecutive terms, and no person who has held the office of Mayor, or acted as Mayor, for more than two years of a term for which some other person was elected Mayor may be

elected to more than one more consecutive term as Mayor.
