Pacifica School District $118 Parcel Tax: Argument Against Measure

STOP FUNDING FAILURE

Pacifica School District tries to use the state budget crisis to grab unearned money. The district wants to extend the last parcel tax of $118 per year for another 10 years, while the enrollment declined by 280 since 2021.

Have they earned this extension that will cost you $1,180 over the next 10 years (on top of the money you are already paying)?

Let's look at the student test scores for English learners attaining English proficiency:

2024-25 school year results: **45.55% below meeting proficiency standards**.

Source: California Department of Education (ED-DATA.ORG)

If you got 54.45% of the answers right on a test, that would be an F grade, would it not?

Should you, the voters, reward a 45.55% failure rate?

STOP FUNDING FAILURE

Please vote **NO on Measure** .

Let's look at the student test scores for math:

2024-25 school year results: **48.39% below meeting proficiency standards**.

The Pacifica School District spends $16,006 per student per year.

The measure says that none of the funds will be used for administration. But, funds generated separately from this parcel tax can be used for administration expenses without limits. Administrators increased from 11 in 2020 to 14 in 2025 and staff for "Pupil Services" doubled from 6 to 12. **While enrollment declined!**

Do not be fooled.

Here are the latest average teacher salaries for the district:

2023-24 – teacher average salary = $76,602 + benefits $30,748 = $107,350.

And teachers only work an average of 184 days a year.

Tell the Pacifica School Board to be fiscally responsible by voting **NO on Measure**
