Rebuttal to the Argument in Favor of Measure T (Pacifica School District $118 Parcel Tax)

[Argument starts here.]

Stop this huge new parcel tax!

The district wants to "extend" the last (supposedly temporary) parcel tax of $118 per year for *another 10 years* — despite the enrollment declining by 280 since 2021.

Have they *earned* this so-called extension?

This new tax will cost you $1,180 — on top of the hard-earned money you are already paying!

Let's look at the children's test scores for attaining English and math proficiency:

The academic statistics:

- Percentage of students behind grade level in **English**: 45.55%
- Percentage behind grade level in **math**: 48.39%

How about the enrollment statistics?

- Drop in ADA enrollment since 2020-21 school year: 280 students
- Chronic absenteeism rate: 12.5%

If you got 45.55% or 48.39% of the answers right on a test, wouldn't that be an F grade?

Should you, the voter, reward either a 45.55% or 48.39% failure rate?

Stop funding failure.

Please, **vote NO on Measure T**.

Pacifica School District spends $16,006/student per year.

Measure T proponents claim that none of the funds will be used for administration. But, *funds generated separately* from this parcel tax ***can* be used for administration** expenses — without limits. The number of **administrators increased** from 11 in 2021 to 14 in 2025. **While enrollment declined!**

Do not be fooled.

Tell the Pacifica School District board to be financially responsible:

Vote NO on Measure T!
