REBUTTAL TO **ARGUMENT AGAINST MEASURE "N"**

start[**We must act immediately to raise additional revenues.** 8

Yes on "N" Protects Portola Valley's Financial Stability and Independence. We 10
must act now to ensure our Town's long-term financial viability and avoid losing our 14
status as a locally controlled/incorporated Town. If we don't, we'll be forced to severely 15
cut service levels and become unable to fund critical local needs such as emergency 14
preparedness, wildfire prevention and maintaining our infrastructure. 7

68

Yes on "N" Offers an Effective, Near-Term Solution. After extensive analysis 11
(including significant input by the Finance Committee), a local Real Property Transfer 12
Tax (RPTT) was selected as the best solution. To enact it, the Town must become a 16
Charter Town. This will be straightforward, mirroring closely our current administrative 11
structure and practices. 3

53

Yes on "N" Adopts a Known Path for Raising Revenues. Many cities in the Bay 15
Area have enacted similar RPTT measures to address severe budget challenges. 11
RPTTs apply only when a property is sold . The major alternative considered, a parcel 14
tax, is harder to enact and regressive: imposed on each parcel, each year, forcing 14
homeowners to suffer an increased annual tax burden no matter what their 12
circumstances. 1

67

Under Measure N, local revenues will be locally controlled. Homeowners will have the 13
benefit of currently applicable county RPTT exemptions. In implementing Measure N, 11
the Town may create additional exemptions, and may consider additional measures to 12
enhance accountability to residents for use of these revenues. 9

46

Doing nothing is not an option. 6

Vote YES on N - protect the future of our Town.] 10 end 16
