Vote NO on Measure DD — Protect Public Safety and Nonprofit Funding

start → Supporters of Measure DD cite "fireworks-related" incidents, but they do not tell you how many involved legal, State Fire Marshal-approved Safe and Sane fireworks and how many involved illegal aerial fireworks and explosives. That distinction matters.

Recent City reports show that fireworks-related calls and citations have substantially declined. Police Chief Matt Lethin has stated that the decrease is significant enough that the department expects to use a reduced operational approach in future years.

That progress shows that education, prevention, and enforcement efforts are working.

San Bruno's nonprofit organizations have sold legal fireworks to fund services to our community for decades while also helping fund Fourth of July public safety efforts.

The legal fireworks program helps support police services, fire prevention, public education, inspections, enforcement, and cleanup. Measure DD would eliminate that funding.

It would also eliminate an important source of support for local youth sports, veterans' programs, scholarships, camps, school activities, community projects, and families in need. With no replacement for this funding or these programs.

If Measure DD passes, illegal fireworks will remain illegal and enforcement will still be necessary. But the nonprofit funding that supports community programs and helps offset public safety costs will disappear.

Don't mistake banning something legal for solving the problem of illegal fireworks.

Protect San Bruno's nonprofits and public safety. Focus enforcement where it belongs: on illegal fireworks. Vote NO on Measure DD. ← End
