BOARD OF EDUCATION
SAN LORENZO UNIFIED SCHOOL DISTRICT

RESOLUTION NO. 3897

RESOLUTION OF THE BOARD OF EDUCATION
OF THE SAN LORENZO UNIFIED SCHOOL DISTRICT,
CALLING AN ELECTION FOR APPROVAL OF AN EDUCATION PARCEL TAX,
ESTABLISHING SPECIFICATIONS OF THE ELECTION ORDER,
AND REQUESTING CONSOLIDATION WITH OTHER ELECTIONS
OCCURRING ON NOVEMBER 3, 2026

WHEREAS, the San Lorenzo Unified School District ("District"), located in Alameda County (the "County"), California (the "State"), provides quality education to students ranging from preschool through adult education across 17 different school sites; and

WHEREAS, the District is devoted to maintaining the quality of local schools; and

WHEREAS, it is imperative to attract and retain highly qualified teachers, staff and classified personnel; and

WHEREAS, we are committed to providing 21st century instruction in science, technology, engineering and math; and

WHEREAS, maintaining core academic programs in reading, writing, math, the arts and science are critical to preparing students for high school and college; and

WHEREAS, a well-rounded education in art, music and physical education makes students better classroom learners; and

WHEREAS, State funding for education is unreliable and inadequate to support the level of academic achievement expected from District schools; and

WHEREAS, the District has engaged in a variety of efforts to identify all possible funding sources and generate funds for the District to meet its educational goals; and

WHEREAS, securing funding at the local level will eliminate some of the uncertainty in school district budget planning resulting annually from the State budget process; and

WHEREAS, local parcel tax funding is set to expire soon and, without this local funding, the District would need to make significant cuts to teachers, academic programs, and student services, impacting the level of education the District is able to provide; and

WHEREAS, the District has already made budget reductions in recent years due to increasing operating costs without adequate and commensurate State funding; and

WHEREAS, without a renewal and increase of the District's expiring parcel tax, the District will be forced to make more significant cuts, including teacher layoffs, increases in class sizes and deep cuts to academic programs; and

WHEREAS, the Board of Education of the District (the "Board") has concluded that the District must seek to avoid inconsistent funding of its educational programs and secure locally controlled funding that the State cannot take away; and

WHEREAS, District schools rely upon, and students benefit greatly from, local parcel tax funding; and

WHEREAS, funding from a parcel tax measure would help the District support academic excellence and programs in reading, writing, math, arts, science and technology, attract and retain highly qualified teachers, and continue stable, local funding; and

WHEREAS, the proposed measure (the "Measure") to renew local parcel tax funding continues to require strict taxpayer protections, including an independent oversight committee and mandatory annual review to ensure funds are spent as promised; and

WHEREAS, under no circumstances shall any of the proceeds of the education parcel tax be used for District office administrators' salaries and benefits; and

WHEREAS, homeowners 65 years of age and over and certain low-income and homeowners with disabilities receiving Supplemental Security Income or Social Security Disability Insurance would continue to be eligible for an optional exemption from the parcel tax, and will not have to reapply if they already qualify for an exemption; and

WHEREAS, as with the existing parcel tax, the proposed renewal and replacement parcel tax is temporary, will automatically expire in twelve years, and cannot be renewed without voter approval; and

WHEREAS, funds from the renewed parcel tax may only be used for the specific purposes described in the Measure; and

WHEREAS, California Constitution, Article XIIIA, section 4 and Government Code sections 50075 et seq. authorizes the District, upon approval of two-thirds of the electorate, to levy qualified special taxes on real property in the District for the purpose of providing quality educational programs in the District and other lawful purposes of the District; and

WHEREAS, in the judgment of this Board, following a public hearing and comment, it is advisable to request that the Alameda County Superintendent of Schools call an election and submit to the voters of the District the question of whether the District shall levy a qualified special tax within the District, for the purpose of raising revenue for the District; and

WHEREAS, pursuant to the Education Code and Elections Code such election may be completely or partially consolidated with any other election held on the same day and in the same territory or territory that is in part the same.

NOW, THEREFORE, IT IS DETERMINED AND ORDERED as follows.

Section 1. Recitals. The Board hereby finds and determines that the foregoing recitals are true and correct.

Section 2. Resolution Constitutes Order of Election. This Resolution shall constitute an order of election pursuant to the Education Code to the Alameda County Superintendent of Schools ("County Superintendent") to call an election within the boundaries of the District on November 3, 2026.

Section 3. Election Order. This Resolution shall stand as the order of election, pursuant to Education Code section 5320, *et seq.*, to the County elections officials to call an election within the boundaries of the District. The Board has the authority for ordering the election pursuant to Education Code sections 5304 and 5322, and Government Code sections 50075, et seq. and 50079, et seq. The date of the election shall be November 3, 2026, and the election shall be consolidated with the other elections occurring on that date. November 3, 2026, is an established election date pursuant to Elections Code section 1000 and is the date of the Statewide gubernatorial election.

Section 4. Purpose of the Measure. The purpose of the election shall be for the voters in the District to vote on the Measure, containing the question of whether the District shall impose a qualified special tax in the amounts and for the purposes stated therein, assessed against each parcel of taxable real property located wholly or partly in the District, a full copy of which Measure is attached hereto and marked **Exhibit A** and incorporated herein. A parcel of taxable real property shall be defined as any unit of real property located wholly or partly in the District that receives a separate tax bill for *ad valorem* property taxes from the County Tax Collector. The term of the parcel tax described in the Measure, if approved by the voters, shall be twelve years from July 1, 2027. The full text of the Measure shall appear in the ballot pamphlet (voter information guide) in substantially the form attached hereto. As required by Elections Code section 13247, the abbreviated form of the Measure to appear on the ballot is attached hereto as **Exhibit B**.

Section 5. Exemptions from Qualified Special Tax. Pursuant to any procedures adopted by the District, upon application an exemption from payment of the special tax may be granted on any parcel owned by one or more:

(a) Persons who will attain 65 years of age prior to July 1 of the tax year and occupying said parcel as his or her principal residence ("Senior Citizen Exemption"); or,

(b) Persons receiving Supplemental Security Income for a disability, regardless of age, and occupying said parcel as his or her principal residence ("SSI Exemption"); or

(c) Persons receiving Social Security Disability Insurance benefits, regardless of age, whose yearly income does not exceed 250 percent of the 2012 federal poverty guidelines issued by the United States Department of Health and

Human Services, and occupying said parcel as his or her principal residence ("SSDI Exemption").

The District shall annually provide to the Alameda County Tax Collector ("County Tax Collector") or other appropriate County officials a list of parcels that the District has approved for an exemption.

Section 6. Collection of the Tax. Beginning July 1, 2027, if adopted by voters, the qualified special tax shall be collected by the County Tax Collector, at the same time, in the same manner, and subject to the same penalties as *ad valorem* property taxes collected by the County Tax Collector. Unpaid special taxes shall bear interest at the same rate as the rate for unpaid *ad valorem* property taxes until paid.

With respect to all general property tax matters within its jurisdiction, the County Tax Collector shall make all final determinations of tax exemption or relief for any reason, and that decision shall be final and binding. With respect to matters specific to the levy of the special tax, including the exemptions, the application of the definition of "Parcel of Taxable Real Property" to any parcel(s), the legality or validity of the special tax, or any other disputed matter specific to the application of the special tax, the decisions of the District shall be final and binding.

Section 7. Reporting and Oversight.

(a) *Specific Purpose.* The proceeds of the special tax shall be applied only to the specific purposes identified in the Full Ballot Text as required by Government Code section 50075.1. The proceeds of the special tax shall be deposited into a fund, which shall be kept separate and apart from other funds of the District.

(b) *Annual Report.* No later than December 31 of each year while the special tax is in effect, the District shall prepare and file with the Board a report detailing the amount of funds collected and expended, and the status of any project authorized to be funded by this Measure. The report may relate to the calendar year, fiscal year, or other appropriate annual period, and may be incorporated into or filed with the annual budget, audit, or other appropriate routine report to the Board.

(c) *Independent Citizens' Oversight Committee.* The Board shall provide for the creation of an independent citizens' oversight committee to oversee expenditure of the funds collected pursuant to the Measure to ensure that moneys raised under this Measure are spent only for the purposes described in this Measure. The Board shall provide for the composition, duties, and other necessary information regarding the committee's formation and operation.

Section 8. Resolution to County Officials. The Secretary to the Board is hereby directed to cause certified copies of this Resolution and order to be delivered no later than August 5, 2026, to the County Superintendent, the Alameda County Registrar of Voters ("Registrar"), and the Clerk of the Board of Supervisors of Alameda County ("Board of Supervisors").

Section 9. Formal Notice. The County Superintendent is hereby requested to deliver this Resolution constituting the order of election, to perform applicable duties of the County Superintendent under Education Code section 5302, and to prepare and execute a formal notice of the election containing the information specified in Education Code section 5361, in substantially the form attached hereto as **Exhibit C**. The District Superintendent, or authorized designee, on behalf of and as may be requested by County Superintendent of Schools, is authorized to cause all notices required by law in connection herewith to be published and posted, as the case may be.

Section 10. Conduct of Election. Pursuant to Education Code section 5303, the County elections officials are hereby requested to take all steps incidental to the preparation for and the holding of the election in accordance with law and these specifications.

The County elections official is hereby requested to reprint the full ballot text in substantially the form attached hereto as **Exhibit A** in the voter information pamphlet to be distributed to voters pursuant to the Elections Code. The Board requests that the County elections officials deliver a copy of all published notices to the District Superintendent pursuant to Elections Code section 12113. The District will reimburse the County for election services as required by law. The Board of Supervisors of the County is authorized to canvass the returns of the election pursuant to Elections Code section 10411 and, as such, held in all respects as if there were only one election, and using only one form of ballot.

Section 11. Consolidation of Election. In accordance with Education Code section 5342 and Elections Code section 10402.5, it is hereby requested that the election to be held hereunder be consolidated by the County elections officials and the County Board of Supervisors for all purposes, with any and all other elections also called to be held on November 3, 2026, insofar as said elections are to be held in the same territory or in territory that is in part the same as the territory of the District.

Section 12. Appropriations Limit. The Board shall provide in each year, pursuant to Government Code section 7902.1 or any successor provision of law, for any increase in the District's appropriations limit as shall be necessary to ensure that proceeds of the parcel tax may be spent for the authorized purposes.

Section 13. Ballot Arguments. The Board President and/or their designees are hereby authorized to prepare and file with the Registrar any ballot argument prepared in connection with the election, including an argument in favor of passage of the Measure and a rebuttal

argument, each within the time established by the Registrar, which shall be considered the official ballot arguments of the Board as sponsor of the Measure, and to take all necessary action to prevent inclusion of false and/or misleading information in ballot materials related to the Measure.

Section 14. Official Actions. SAN LORENZO UNIFIED SCHOOL DISTRICT
SAN LORENZO EXCELLENCE IN EDUCATION ACT OF 2026

To renew expiring local school funding without increasing current tax rates; support academic excellence and programs in reading, writing, math, arts, science and technology; attract and retain highly qualified teachers and staff; and continue stable, local funding the State cannot take away; shall San Lorenzo Unified School District's measure be adopted, renewing its expiring $99 parcel tax for 12 years, providing approximately $1.8 million annually, with senior exemptions, citizen oversight, and no funds for district administrators?

Moneys raised under this Measure shall be authorized to be used only for the following purposes in accordance with priorities established by the Board and to the extent of available funds:

- To prepare students for college and the workplace
- To support academic programs in reading and writing
- To support academic programs in math, arts, science, and technology
- To attract and retain highly qualified teachers and staff
- To attract and retain teachers in high-need areas such as special education, math, and science

No funds will be spent on administrators.

A. Amount and Basis of Tax

This qualified special tax shall authorize the District to annually levy a special tax of $99 per Parcel of Taxable Real Property beginning July 1, 2027, and continuing for a period of twelve (12) years.

This qualified special tax is estimated to raise $1,800,000 in annual local funding for District schools. The amount of annual local funding raised by this qualified special tax will vary from year-to-year due to changes in the number of parcels subject to the levy.

"Parcel of Taxable Real Property" is defined as any unit of real property in the District that receives a separate tax bill for *ad valorem* property taxes from the County Tax Collector's Office. All property that is otherwise exempt from or upon which no *ad valorem* property taxes are levied in any year shall also be exempt from the special tax in such year.

B. Exemptions

Under procedures adopted by the District, an exemption from payment of the special tax may be granted on any parcel owned by one or more persons who is/are:

1. An individual who will attain 65 years of age prior to July 1 of the tax year and occupying said parcel as his or her principal residence ("Senior Citizen Exemption"); or,

2. Receiving Supplemental Security Income for a disability, regardless of age, and occupying said parcel as his or her principal residence ("SSI Exemption"); or

3. Receiving Social Security Disability Insurance benefits, regardless of age, whose yearly income does not exceed 250 percent of the 2012 federal poverty guidelines issued by the United States Department of Health and Human Services, and occupying said parcel as his or her principal residence ("SSDI Exemption").

The District shall annually provide to the Alameda County Tax Collector ("County Tax Collector") or other appropriate County officials a list of parcels that the District has approved for an exemption.

C. Claims / Exemption Procedures

With respect to all general property tax matters within its jurisdiction, the County Tax Collector or other appropriate County tax official shall make all final determinations of tax exemption or relief for any reason, and that decision shall be final and binding. With respect to matters specific to the levy of the special tax including any exemptions, the application of the definition of "Parcel of Taxable Real Property" to any parcel(s), the legality or validity of the special tax, or any other disputed matter specific to the application of the special tax, the decisions of the District shall be final and binding. The procedures described herein, and any additional procedures established by the Board shall be the exclusive claims procedure for claimants seeking an exemption, refund, reduction, or re-computation of the special tax. Whether any particular claim is to be resolved by the District or by the County shall be determined by the District, in coordination with the County as necessary.

D. Appropriations Limit

Pursuant to California Constitution Article XIIIB and applicable laws, the appropriations limit for the District will be adjusted periodically by the aggregate sum collected by levy of this qualified special tax.

E. Mandatory Accountability Protections

1. *Specific Purposes.* The proceeds of the special tax shall be applied only to the specific purposes identified above. The proceeds of the special tax shall be deposited into a fund, which shall be kept separate and apart from other funds of the District.

2. *Annual Reports.* No later than December 31 of each year while the tax is in effect, the District shall prepare and file with the Board a report detailing the amount of funds collected and expended, and the status of any project authorized to be funded by this Measure. The report may relate to the calendar year, fiscal year, or other appropriate annual period, and may be incorporated into or filed with the annual budget, audit, or other appropriate routine report to the Board.

3. *Independent Citizens' Oversight Committee.* The Board shall provide for the creation of an independent citizens' oversight committee to oversee expenditure of the funds collected pursuant to the Measure to ensure that moneys raised under this Measure are spent only for the purposes described in this Measure. The Board shall provide for the composition, duties, and other necessary information regarding the committee's formation and operation.

F. Protection of Funding

Current law forbids any decrease in State or federal funding to the District resulting from the adoption of qualified special tax. However, if any such funding is reduced or affected because of the adoption of this local funding measure, then the Board may reduce the amount of the special taxes levied as necessary in order to restore such State or federal funding and/or maximize the District's fiscal position for the benefit of the educational program. As a result, whether directly or indirectly, no funding from this measure may be taken away by the State or federal governments.

G. Severability

The Board hereby declares, and the voters by approving this Measure concur, that every section and part of this Measure has independent value, and the Board and the voters would have adopted each provision hereof regardless of every other provision hereof. Upon approval of this Measure by the voters, should any part of the Measure or taxing formula be found by a court of competent jurisdiction to be invalid for any reason, all remaining parts of the Measure or taxing formula hereof shall remain in full force and effect to the fullest extent allowed by law.

COUNTY COUNSEL'S IMPARTIAL ANALYSIS OF MEASURE J

ANALYSIS BY THE COUNTY COUNSEL FOR THE COUNTY OF ALAMEDA OF A SAN LORENZO UNIFIED SCHOOL DISTRICT SPECIAL PARCEL TAX MEASURE

Measure J ("Measure"), a San Lorenzo Unified School District ("District") special parcel tax measure, seeks voter approval to renew the District's expiring special parcel tax, beginning on July 1, 2027, maintaining the rate of $99 per parcel, for a period of twelve years.

The District estimates the parcel tax, if passed, will provide approximately $1,800,000 annually. The District will use the revenue only for the purposes listed in the Measure, which include, but are not limited to: supporting academic programs in reading, writing, math, arts, science and technology; preparing students for college and the workplace; and attracting and retaining highly qualified teachers and staff, including in high-need areas such as math, science, and special education.

In addition to properties otherwise exempt from property taxes, the following people may apply to the District for exemptions on residential parcels owned and occupied as a principal residence: persons 65 years or older; persons receiving Supplemental Security Income for a disability; and persons receiving Social Security Disability Insurance Benefits who meet specified income requirements.

The Measure contains certain accountability provisions, including requiring the District to deposit parcel tax proceeds in a separate account, produce an annual report to the District's governing board detailing the amount of funds collected and expended and the status of any projects funded by the proceeds, and conduct an annual financial audit by the District's governing board to ensure parcel tax proceeds are spent for educational purposes. The District's governing board will also appoint a citizen oversight committee to review the District's use of parcel tax proceeds to ensure that they are expended for the purposes listed in the Measure.

A school district has the authority to levy special taxes upon approval by two-thirds of the votes cast on the special tax proposal. (Cal. Const. art. XIII A, § 4; art. XIII C, § 2; Cal. Gov't Code §§ 50075-50077, 50079, & 53722.) If two-thirds of the qualified electors voting on this Measure do not vote for approval, it will fail, and the District will not be authorized to levy the special parcel tax.

This Measure is placed on the ballot by the governing board of the District.

ANDREA L. WEDDLE
Interim County Counsel

Argument in Favor of Measure J

Measure J will prevent cuts to the quality education in our neighborhood schools.

For nearly a decade, San Lorenzo Unified has relied on locally controlled funding to support academic programs, retain its excellent teaching staff, and prepare students for college and careers. That funding expires this year unless voters renew it.

Measure J won't raise tax rates. It simply renews existing local funding at the current rate, continuing what voters have already approved.

Without Measure J, over $1,800,000 will need to be cut from the budget, forcing the layoff of 20 teachers, high staff turnover, and academic program reductions.

Measure J keeps stable funding in place—**without increasing tax rates**—so San Lorenzo students continue to have access to qualified teachers and academic programs that prepare them for college and beyond.

Even if you do not have school-age children, supporting quality education in local schools is a wise investment. Good schools improve the quality of life in our community and protect the value of our homes.

Your YES Vote Helps Prevent Cuts and Protect Core Academics

- Prepare students for college and the workplace
- Support academic programs in reading, writing, math, arts, science and technology
- Attract and retain highly qualified teachers and staff
- Attract teachers in shortage areas such as special education, math and science

Measure J Is Fiscally Accountable

- All funds stay in San Lorenzo schools, and no funds can be taken by the State
- An independent Citizens' Oversight Committee and annual audits ensure funds are spent as promised
- Homeowners 65 or older and low-income individuals with disabilities that qualify for federal SSI or SSDI are eligible for exemptions

Our students deserve the same opportunities as others in our region. Measure J will prevent cuts and protect the academic programs that our students need to succeed. Vote Yes on J!
