Our opponents haven't done their homework, claiming enrollment is declining. In fact, enrollment is up 24% over the past few years — proof that access to affordable college education and job training is critical. That's why we need Measure V now more than ever.

Opponents' claims of unnecessary projects don't hold up. The project list is clear: every project serves the same core goals — basic repairs and essential upgrades to protect affordable higher education and job training. The opposition should clearly understand this: it's all about our children's future.

Here Are the Facts:

- **No Tax Rate Increase.** It's simply an extension of the current rate.
- **State Matching Funds**. Measure V brings millions back to San Mateo County that would otherwise go elsewhere, stretching local dollars further.
- **Clear, Transparent Oversight.** 100% of Measure V stays local and is reviewed by a citizens' oversight committee, with annual independent audits ensuring all funds are spent as promised — no funds can be taken by the State or Federal Government.
- **Our Campuses Are Over 50 Years Old**. Some buildings have never been updated, and they don't meet modern safety and accessibility codes. They need basic repairs to roofs, plumbing, and electrical systems — plus upgrades to keep pace with in-demand fields like fire, nursing, engineering, and skilled trades.

Trust the faculty and students at College of San Mateo, Skyline College, and Cañada College. Trust the firefighters and nurses who are trained on these campuses. Trust the small business owners, fiscal watchdogs, and community leaders who've studied the facts. They all agree: Vote Yes on Measure V!
