It's undeniable - severe Caltrain and BART station closures and service cuts would affect all San Mateo County residents - worsening traffic and straining transportation options for hundreds of thousands of Bay Area residents who need to get to work or medical appointments.

Please consider the FACTS and don't be misled by half-truths and exaggerations:

FACT: Before supporting the Regional Transit Measure, business groups and local leaders ensured the measure included strong accountability and oversight requirements - BART and other large agencies must show cost savings to continue to receive dedicated operating funding.

FACT: Based on detailed financial analysis and projections, Caltrain and BART found that without the Regional Transit Measure, Caltrain could close up to one-third of stations, drastically reduce frequency, and stop late night and weekend service entirely. BART could cut service by 70% and close 15 stations including Colma, San Bruno, South San Francisco, and Millbrae. These cuts would disrupt daily life and push thousands more cars onto Highways 101, 280, 92, and local streets

FACT: taxpayers from across San Mateo County support the Regional Transit Measure, along with stakeholders who don't always agree- business, labor, environmental, and community groups.

FACT: Without this measure, commutes would be longer and more unpredictable as people who depend on transit are forced onto already-crowded streets, roads and highways.

FACT: The Regional Transit Measure invests money directly into San Mateo County communities, providing funding for transit improvements and road repaving.

FACT: Don't be misled- Regional Transit Measure does NOT tax rent, utilities, prescription medicines, or most groceries.

VOTE YES ON RTM to preserve our Bay Area quality of life for future generations - www.connectbayarea.com
