## Argument in Favor of Measure__

**Vote YES on Measure__ for our neighborhood schools in San Mateo and Foster City!**

Our San Mateo and Foster City neighborhood schools have served generations of local families.

It's important to protect our strong neighborhood schools that prepare local kids with the skills they need to compete for college and jobs in a rapidly-changing economy.

Great schools protect property values and benefit everyone – whether or not we have children or grandchildren in school.

Our schools need:

- Great teachers
- A safe environment for students and teachers
- Strong programs in science, math, literacy, engineering and career technical education
- Classrooms that build vocational, hands-on and problem-solving skills for today's and tomorrow's careers

Measure __ will meet all these goals, providing necessary school updates now and for generations to come.

Yes on __ to repair 60-year-old school facilities, including aging underground pipes that risk sewer backups and expensive failures, leaky roofs, old plumbing, restrooms, windows and doors. Hazardous materials like lead and asbestos must be removed where they're still found.

Yes on __ to upgrade wiring and tech infrastructure for up-to-date science, technology, engineering, and math instruction.

Yes on __ to restore shop classes and expand career technical education/ vocational programs.

Yes on __ to help our schools recruit and retain great teachers, who struggle with the high cost of living in our area, by repurposing old administrative buildings for teacher and staff housing.

Yes on __ for essential security and fire safety upgrades, including fire alarms and emergency communication systems.

Vote Yes on __ to ensure local control and oversight over school improvement funds:

- Independent oversight, annual audits, and public spending disclosures

**Argument in Favor of Measure__**

- No funds for administrators' salaries or pensions
- No funds can be taken by State or Federal governments

Join us: vote YES on _
