Rebuttal to the Argument Against Measure W

We appreciate the generic argument filed by our opponent. This is the same argument this group files against all school measures in our area – regardless of the specific challenges facing our schools.

While they're entitled to their opinion, we know that student achievement is rising, not falling. Don't take our word for it. We encourage every voter to visit Niche.com, look up the San Mateo-Foster City School District, and see that our schools earn an "A" rating.

We also know that **our neighborhood schools need urgent repairs to protect quality education** at a time when State education funding is shrinking and Federal support is disappearing.

Vote YES on W to keep great teachers in our community at a time when the high cost of living is driving teachers away from the Peninsula.

Vote YES on W to restore vocational programs and shop classes to give our students practical, hands-on skills for future careers.

Vote YES on W to ensure every student in San Mateo and Foster City has access to a safe classroom that meets modern standards for fire and earthquake safety and access for disabled students — without any remaining lead or asbestos.

Vote YES on W to protect strong programs in science, math, literacy, engineering, technology, and career technical education.

Now is the time to protect OUR local schools. Vote YES on W to secure reliable, local funding for essential, urgent improvements that our teachers and students are counting on.

Vote YES on W for great teachers and safe schools!
