ARGUMENT IN FAVOR OF MEASURE I (ORDINANCE NO. 26-01)

35 years ago the voters of the Tulelake Multi County Fire Protection District voted in favor of a special tax for fire protection services. The Cost of Living Index has risen by 177.35% since then but the District's parcel tax has remained the same. It is critical that you vote YES on Measure I for a rate adjustment to the special parcel tax. Without increased funding the result could be a reduction in fire and medical services and a possible loss of fire insurance on property within the District. As first responders, our volunteers responded to 302 calls in 2025, the majority of these being medical calls. Our community cannot afford to lose these critical services.

The Undersigned proponents and authors of the ARGUMENT IN FAVOR OF BALLOT MEASURE I (ORDINANCE NO. 26-01) at the GENERAL ELECTION to be held on NOVEMBER 3, 2026 hereby state that such argument is true and correct to the best of his knowledge and belief.
