PREPARED BY: City Attorney's Office

TITLE: **INTRODUCTION AND FIRST READING OF AN ORDINANCE OF THE CITY COUNCIL OF THE CITY GREENFIELD EXTENDING THE IMPOSITION OF A TRANSACTIONS AND USE TAX FOR AN ADDITIONAL SIX YEARS TO BE ADMINISTERED BY THE STATE BOARD OF EQUALIZATION AND CONSIDERATION AND APPROVAL OF A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF GREENFIELD ORDERING AN ELECTION TO ASK THE VOTERS OF THE CITY OF GREENFIELD TO APPROVE AND EXTEND THE IMPOSITION OF A 0.75% TRANSACTIONS AND USE TAX, REQUESTING COUNTY ELECTIONS TO CONDUCT THE ELECTION, AND REQUESTING CONSOLIDATION OF THE ELECTION**

BACKGROUND

The City's current local sales tax consists of one percent (1%) Sales and Use Tax and three-quarters percent (0.75%) Transactions and Use Tax, for a combined rate of 1.75 percent.

Initially passed by City voters in November 2013, Measure X implemented a one percent (1%) Sales and Use tax to provide funding for (i) public safety, (ii) recreation, and (iii) code enforcement, including funding for the following:

- To avoid potential reductions in funding to the Police Department
- To restore Police Department staffing and services
- To maintain fiscal viability of the City
- To ensure adequate Park maintenance
- To restore City Hall service hours
- To return Recreation programs for youth

In November 2015, City voters then passed Measures V and W. Measure V authorized the continuation of the one percent (1%) Sales and Use Tax indefinitely, while Measure W imposed a three-quarters percent (0.75%) Transactions and Use Tax for a limited duration of five (5) years, sunsetting March 31, 2021.

Voter approval of Measure T on November 3, 2020, then extended this three-quarter percent (0.75%) Transactions and Use Tax for an additional limited duration of six (6) years, set to expire March 31, 2027.

Currently, Measures V and T, together, contribute in excess of $2,659,000 per year to fund public safety and code enforcement, as well as contributing in excess of $715,000 to recreation programs.

The City would like to continue to provide these services to the community into the future. Measure T generates more than $1,402,000 per year that, along with Measure V, helps to fund seventeen (17) staff positions (14.5 in the Police Department and 2.5 in Recreation), along with other critical expenses in those programs.

To continue the Measure T three-quarter percent (0.75%) Transactions and Use Tax without interruption, the City Council must adopt a resolution to add this to the November 2026 ballot.

Requesting Voter Approval to Extend Transactions and Use Tax

The governing body of any city may levy, increase, or extend a transactions and use tax for general purposes at a rate of 0.125 percent or a multiple thereof, if the ordinance proposing that tax is approved by a two-thirds vote of all members of that governing body and the tax is approved by a majority vote of the qualified voters of the city voting in an election on the issue. (Rev. & Tax Code, § 7285.9; Gov. Code, § 53724, subd. (b); Cal. Const. Art XIIIC, § 2, subd. (b); Gov. Code, § 53723.)

CONSEQUENT ACTION

There are a number of actions that are required to take place prior to a measure being placed on the ballot, including:

- City Council must pass a resolution calling for election and ask the County of Monterey to consolidate the election by August 7, 2026 (this action).
- City Council must pass a resolution providing argument in favor of the measure by August 8, 2026. The last day for submission of direct arguments for or against the measure is August 13, 2026. The last day for submission of rebuttal arguments for or against the measure is August 20, 2026.
- Voters vote on November 3, 2026. If the measure passes, an ordinance is taken to City Council for adoption once the election is finalized.
- Second reading and adoption of ordinance.
- All information is sent to the Board of Equalization.

FISCAL IMPACT

None. This is for discussion and direction only with respect to the possible tax measure. Potential fiscal impact is dependent on voter approval of such possible tax measure.

RECOMMENDATION

Staff recommend the City Council introduce and read, by title only, an ordinance extending the imposition of a three-quarters Transactions and Use Tax for an additional six years. Staff further recommend the City Council approve a resolution calling and giving notice of the holding of a municipal election and requesting consolidation with the County of Monterey November 3, 2026, general election.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF GREENFIELD EXTENDING THE IMPOSITION OF A TRANSACTIONS AND USE TAX FOR AN ADDITIONAL THREE YEARS TO BE ADMINISTERED BY THE STATE BOARD OF EQUALIZATION

WHEREAS, in 2015, the City of Greenfield ("City") voters approved a general tax (Measure W), which added three quarters of one percent (0.75%) Transactions and Use Tax for five (5) years, which was set to expire on March 31, 2021;

WHEREAS, in 2020, the City voters approved an extension of said general tax (Measure T) to continue the three quarters of one percent (0.75%) Transactions and Use Tax for five years, which was set to expire on March 31, 2027; and

WHEREAS, the City Council desires to continue to provide greater levels of vital community services and extend the three quarters of one percent (0.75%) Transactions and Use Tax for an additional six (6) years.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF GREENFIELD DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. Chapter 3.26 ("Transactions and Use Tax") of Title 3 ("Revenue and Finance") of the City Municipal Code is hereby replaced in its entirety with the following:

§ 3.26.010 Title. This ordinance shall be known as the 2026 City Services Transactions and Use Tax Ordinance. The City of Greenfield hereinafter shall be called "City." This ordinance shall be applicable in the incorporated territory of the City.

§ 3.26.020 Operative date. "Operative Date" means the first day of the first calendar quarter commencing more than 110 days after the adoption of this ordinance, the date of such adoption being as set forth below.

§ 3.26.030 Purpose. This ordinance is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

A. To extend the imposition of a retail transactions and use tax for an additional six (6) years in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2 which authorizes the City to adopt this tax ordinance which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

B. To extend the adoption a retail transactions and use tax ordinance for an additional six (6) years that incorporates provisions identical to those of the Sales and

Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

C. To extend the adoption of a retail transactions and use tax ordinance for an additional six (6) years that imposes a tax and provides a measure therefore that can be administered and collected by the State Board of Equalization in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the State Board of Equalization in administering and collecting the California State Sales and Use Taxes.

D. To extend the adoption of a retail transactions and use tax ordinance for an additional six (6) years that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.

§ 3.26.040 Contract with state. Prior to the operative date, the City shall contract with the State Board of Equalization to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided, that if the City shall not have contracted with the State Board of Equalization prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

§ 3.26.050 Transactions tax rate. For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of 0.75% of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of this ordinance.

§ 3.26.060 Place of sale. For the purposes of this ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the State Board of Equalization.

§ 3.26.070 Use tax rate. An excise tax is hereby imposed on the storage, use or other consumption in the City of tangible personal property purchased from any retailer on and after the operative date of this ordinance for storage, use or other consumption in said territory at the rate of 0.75% of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

§ 3.26.080 Adoption of provisions of state law. Except as otherwise provided in this ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this ordinance as though fully set forth herein.

§ 3.26.090 Limitations on adoption of state law and collection of use taxes. In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

A. Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefore. However, the substitution shall not be made when:

1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Board of Control, State Board of Equalization, State Treasury, or the Constitution of the State of California;

2. The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the State Board of Equalization, in performing the functions incident to the administration or operation of this Ordinance.

3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;

b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.

4. In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797, or 6828 of the Revenue and Taxation Code.

B. The word "City" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 and in the definition of that phrase in Section 6203.

§ 3.26.100 Permit not required. If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional transactor's permit shall not be required by this ordinance.

§ 3.26.110 Exemptions and exclusions.

A. There shall be excluded from the measure of the transactions tax and the use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.

B. There are exempted from the computation of the amount of transactions tax the gross receipts from:

1. Sales of tangible personal property, other than fuel or petroleum products, to operators of aircraft to be used or consumed principally outside the county in which the sale is made and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this State, the United States, or any foreign government.

2. Sales of property to be used outside the City which is shipped to a point outside the City, pursuant to the contract of sale, by delivery to such point by the retailer or his agent, or by delivery by the retailer to a carrier for shipment to a consignee at such point. For the purposes of this paragraph, delivery to a point outside the City shall be satisfied:

a. With respect to vehicles (other than commercial vehicles) subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, and undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code by registration to an out-of-City address and by a declaration under penalty of perjury, signed by the buyer, stating that such address is, in fact, his or her principal place of residence; and

b. With respect to commercial vehicles, by registration to a place of business out-of-City and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.

3. The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.

4. A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the

property for an amount fixed by the lease prior to the operative date of this ordinance.

5. For the purposes of subparagraphs (3) and (4) of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

C. There are exempted from the use tax imposed by this ordinance, the storage, use or other consumption in this City of tangible personal property:

1. The gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.

2. Other than fuel or petroleum products purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this State, the United States, or any foreign government. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.

3. If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.

4. If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this ordinance.

5. For the purposes of subparagraphs (3) and (4) of this section, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

6. Except as provided in subparagraph (7), a retailer engaged in business in the City shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the City or participates within the City in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the City or through any representative, agent,

canvasser, solicitor, subsidiary, or person in the City under the authority of the retailer.

7. "A retailer engaged in business in the City" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the City.

D. Any person subject to use tax under this ordinance may credit against that tax any transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use or other consumption of which is subject to the use tax.

§ 3.26.120 Amendments. All amendments subsequent to the effective date of this ordinance to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this ordinance, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this ordinance.

§ 3.26.130 Enjoining collection forbidden. No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or the City, or against any officer of the State or the City, to prevent or enjoin the collection under this ordinance, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

§ 3.26.150 Termination Date. The authority to levy the tax imposed by this ordinance shall expire on the sixth anniversary of the operative date, unless extended by the voters.

SECTION 2. SEVERABILITY. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.

SECTION 3. EFFECTIVE DATE. This ordinance relates to the levying and collecting of the City transactions and use taxes and shall take effect immediately.

WHEREAS, a City-voter adopted sales and use tax is an appropriate way of continuing to add new funds, because the sales and use tax is broad based and does not single out any one type of consumer, business, or industry, and basic commodities and services like housing, food, and prescription drugs are exempt from sales tax;

WHEREAS, sales and use tax revenues are a source of local funding, which cannot be taken by Sacramento, ensuring our tax dollars are spent locally for City residents;

WHEREAS, any local funding would require mandatory financial audits, and yearly reporting to the community to continue to ensure that all voter-approved funds are spent as appropriate;

WHEREAS, the City Council has concluded that all the information presented indicates that, to obtain the revenue necessary to continue to enrich service levels, the Council will ask the voters of the City to approve the continuation of an additional Transactions and Use Tax of 0.75%, the revenue from which would be used to enhance municipal services;

WHEREAS, pursuant to Elections Code section 10002, the governing body of any city or district may by resolution request the Board of Supervisors of the county to permit the county elections official to render specified services to the city or district relating to the conduct of an election.
