PUBLIC COMMENTS FROM THE AUDIENCE REGARDING ITEMS NOT ON THE AGENDA

Victor Caravez, representing SEIU members of the City of Greenfield, asked that the City approve a fair contract for the union members and stated that the employees could not go another year without receiving a fair COLA.

COMMENTS FROM CITY COUNCIL

Councilmember Garcia stated that she had been going your all her messages that she had received and stated that all comments were appreciated. She stated that she ran for Council with kids being her #1 priority. She stated that she was learning how the City runs and she stated that when she started that she thought the City had a lot of money; however, that was not the case. She stated that the City had received a lot of grant money that could only be spent on specific projects or programs. She stated that she was committed to being more transparent and accountable. She stated that one of her neighbors

had graffiti on her fence and asked that staff look into the matter. She stated that she was concerned about departments going over their budget. She said that she was thankful for the banners that were up and was grateful to have a banner for her dad. She congratulated all students that were promoting and graduating from Pre-K to high school. She also stated that she spoke with the parents of the child that was in the e-bike accident and stated that he was going to be okay and that he didn't suffer any brain damage. She stated that everyone needed to be more careful, from drivers to pedestrians to people on e-bikes or scooters.

Councilmember Ortiz stated that she attended the BBQ Rib Take-Out for the Veterans. She apologized for having put the Veteran banners up late and received a lot of phones calls about the City not doing what they needed to do regarding the banners. She stated that she wanted to clarify that the banners program was not part of the City, and the banners were purchased with funds from Supervisor Lopez's office. She stated that the City did put up the banners and if anyone had questions or concerns regarding the banners to please come see her. She also stated that all Veteran banners were put up, whether they were alive or dead because they only had a few at this time. She stated that she had concerns about El Camino Real and making it beautiful and would like to get grants to help it become more uniform and clean it up. She stated that she was appreciative of all the youth present and congratulations to all.

Mayor White stated that he attended the Memorial Day ceremony at the cemetery. He stated that there needed to be zero tolerance for e-bikes and electric scooters and everyone needed to be careful and know the rules. He requested an update on the Tyler Lift Station. He stated that he had received comments that the open spaces at the Vintage Meadows Subdivision were not being maintained as well as a streetlight being out on Evergreen Street. He also announced that on June 8th there would be a Pride flag raising ceremony.
