RE: Correction to Ballot Title for State Question 845, Legislative Referendum 379

Dear Secretary Lepak:

On May 29, 2026, the office sent the final ballot title for the above-referenced state question and legislative referendum. Thanks to the eagle eyes of politically engaged Oklahomans, the office received notice today about an apparent typo in the ballot title. On review, the office confirmed that a typo did exist on line 9.

The sentence should be amended to read as follows: "The measure changes terms so that at-large commissioners would serve a two-year term, and all other commissioners would serve a six-year term." For the sake of clarity, please find attached the corrected ballot title in both redline and clean versions. The office respectfully requests that the attached clean version be used in place of the final ballot title submitted in May. Please contact me if you have any questions.

Sincerely,

THOMAS R. SCHNEIDER
Deputy General Counsel

Att.

SQ 845, LR 379 Final Ballot Title
Corrected (REDLINE)

This measure amends article 7-B, section 3 of the Oklahoma Constitution, changing the Judicial Nominating Commission's structure. Currently appointments are based on congressional districts as constituted in 1967. If approved, appointments to the fifteen-member Commission will be as follows: 1) Governor appoints six members, including one from each congressional district as of the time of their appointment; 2) the Oklahoma Bar Association appoints six members, including one from each congressional district as of the date of selection; and 3) no less than eight members select three at-large members. The measure will permit any number of the commissioners to be licensed attorneys in Oklahoma or another state. The prohibition against immediate family members from practicing law will be removed. The measure changes terms so that ~~non-~~at-large commissioners would serve a two-year term, and all other commissioners would serve a six-year term. Additionally, it removes restrictions on political party membership for members appointed by the Governor and at-large members. The measure also permits a commissioner to succeed himself or herself. Vacancies will be filled in the same manner as a commissioner is appointed or selected for the remainder of the relevant term. This measure will not have a fiscal impact.

Shall the proposal be approved?
