Rebuttal to the Argument Against Measure - Fresno County Occupant Tax

As one Republican and one Democrat serving on the Fresno County Board of Supervisors, we don't always agree. But we do agree on this: Measure Fresno County Transient Occupant Taxis a fair way to protect Fresno County taxpayers while maintaining essential public services.

The opposition ignores one important fact: this measure is **primarily paid by visitors**, not the Fresno County families who already pay local taxes.

Every year, visitors stay in our hotels, motels, and short-term rentals. They use our roads, rely on sheriff and emergency services, and enjoy county parks and other public facilities. It's only fair that they help cover a small share of those costs while they're here.

Opponents suggest voluntary donations should fund these services. That's simply not how we pay for sheriff patrols, 911 emergency response, road maintenance, wildfire protection, or public health. Reliable public services require reliable funding.

Nearly every county in California already has a Transient Occupancy Tax. Fresno County is one of the few that does not. This measure simply brings us in line with what visitors already expect when they travel.

A **YES** vote asks visitors to help pay their fair share while protecting local taxpayers.

Please join us—Republican Supervisor Garry Bredefeld and Democratic Supervisor Luis Chavez—in voting YES on Measure - Fresno County Transient Occupant Tax.

The undersigned proponent(s) or author(s) of the primary argument in favor of the Transient Occupancy Tax ballot proposition A at the countywide special election to be consolidated with the statewide general election for the County of Fresno to be held on November 3, 2026 hereby state that this argument is true and correct to the best of his knowledge and belief.
