VOTE YES on MEASURE S for Better Roads and Safe Streets Throughout Fresno County

We've had enough of politicians saying one thing and doing another. Measure S was created by our communities, for our communities. The money can only be used how our communities say it should—to fix our roads and make it safer, faster, and easier to get around Fresno County.

YES on MEASURE S to Improve Safety and Emergency Response

- Invests in improving road safety to help improve 911 emergency response times and ensure firefighters, ambulances, and police can reach emergencies faster and improves evacuation routes to help families in the event of wildfires.

YES on MEASURE S to Fix Roads in Every Neighborhood

- Keeps local tax dollars here, prioritizing projects residents say matter most: repairing neighborhood streets, fixing dangerous intersections near homes and schools.

YES on MEASURE S to Save Us Money

- Fixing roads now saves us all money. Potholes don't just damage roads—they damage tires, wheels, and suspensions that families have to pay to repair.

- Provides no-cost public transit for Veterans, active-duty military, seniors, people with disabilities, and students.

YES on MEASURE S to Strengthen Our Local Economy

- Every dollar invested creates jobs repairing roads, driving transit, and building new projects right here in our communities that can't be outsourced.

YES on MEASURE S for More Road Repairs, Same Tax Rate, Stronger Accountability

- Measure S is Fresno County's only citizen-led plan to provide every city and town with the funding needed to fix our roads while keeping the current half-cent sales tax rate the same, but now with added transparency, stricter accountability, oversight, and auditing.

Supported by Nurses, Teachers, Small Business Owners, Community Groups, Faith Leaders, and a bipartisan coalition of Mayors, City Councils, and School Boards throughout Fresno County.

To Whom It May Concern:

As the Coalition Coordinator for Safe Kids Central California, I am writing to express our strong support for **Measure S**.

Established in 2006, Safe Kids Central California provides injury prevention education, resources, and advocacy to children, families, and communities throughout Fresno and Madera Counties. Our coalition is part of the larger Safe Kids Worldwide network, a globally recognized organization that has worked for more than 30 years to prevent childhood injuries, the leading cause of death for American children.

Today, our coalition consists of more than 30 partner agencies dedicated to improving the health and safety of residents across our region. Information regarding Measure S was presented to coalition members during our meeting on June 3, 2026. Following the presentation and discussion, all members in attendance voted unanimously to support this measure.

We believe Measure S aligns closely with our mission of preventing injuries and saving lives. By investing in essential infrastructure improvements, including safer streets, safe routes to and from school, and accessible sidewalks, Measure S will help create environments where children, families, pedestrians, bicyclists, and all Fresno County residents can travel safely. These improvements support active transportation, reduce the risk of traffic-related injuries, and contribute to healthier, more connected communities.

For these reasons, Safe Kids Central California proudly supports Measure S and encourages its adoption as an investment in the safety and well-being of Fresno County residents.

Sincerely,

Kristina Pasma, BSN, RN, CPSTI
