VOTE YES on MEASURE S

Measures S was created for our communities by our communities. Not by politicians who say one thing and do another.

Measure S keeps our tax rate the same by replacing the current Measure C transportation tax and **solely dedicates the funds to fixing local roads, making streets safer, and improving transportation infrastructure.**

Measure S is the only measure on the ballot that guarantees investments go to transportation projects residents say matter most — fixing potholes and damaged streets, and hazardous intersections.

Improves emergency response by fixing the most dangerous roads and intersections that can cause critical delays to ambulances, fire trucks, and police.

Keeps local tax dollars in our neighborhoods, prioritizing transportation projects residents say will make our roads better and streets safer whether you drive, walk, bike, or take public transit.

Solves local transportation problems with local solutions. That's why mayors, city councils, community groups, nurses, teachers, and small business owners throughout Fresno County strongly support YES on MEASURE S.

Saves us all time and money by fixing the worst roads that cause costly damage to our cars and make it harder and take longer to get around in Fresno County.

Helps seniors, students, veterans, and people with disabilities by providing them with no-cost public transit.

Strengthens accountability and transparency of our transportation tax dollars, including:
-Formation of a citizens oversight committee;
-Independent annual audits;
-Searchable public spending database; and,
-Prohibits funds from being diverted to non-transportation uses.

Read the complete measure at: **VoteYesOnS.com**

August 21st, 2026

To Whom It May Concern:

Fresno Developing the Regions Inclusive and Vibrant Economy or Fresno DRIVE was launched in 2019 as an association of community members focused on positively impacting our local economy through various programmatic and advocacy efforts. This association has stayed intact since its inception and has formed a governance structure that speaks into the directional leadership of the association. DRIVE was not created as a committee described in Section 82013 of the Government Code.

Fresno DRIVE has been a strong proponent for an equitable transportation tax measure for the last four years and has been supporting the work of the Better Roads, Safe Streets/Measure S efforts this past year. We believe this measure will provide the best solutions for our transportation challenges here in Fresno County.

As a strong supporter of Measure S, we are happy to have our association named as an official supporter of the measure.

Sincerely

Artie Padilla
DRIVE Initiative Director
Central Valley Community Foundation
