REBUTTAL TO ARGUMENT AGAINST MEASURE O

Don't be misled by opposition claims that confuse basic facts; they even incorrectly call Measure O a "sales tax." Measure O is a dedicated **parcel tax**, and 100% of the funds are legally guaranteed to stay right here in Orange Cove.

The opposition suggests funding essential public safety through "voluntary donations." But voluntary donations cannot maintain 24/7 emergency police coverage, modern safety equipment, or clean, safe parks for our children. Relying on charity for life-saving emergency response is unrealistic and dangerous for our community.

Approval of Measure O prevents critical cuts to police personnel and equipment. In an emergency, every second counts. Longer police response times put our families, seniors, and neighborhoods at risk.

Measure O also invests directly in our youth by maintaining local parks and expanding recreation programs, providing our kids with positive, safe spaces to grow.

Every penny raised by Measure O remains under strict local control to protect Orange Cove. Keep our community safe, clean, and prosperous. **Vote YES on Measure O!**
