==========

Voters in Orange Cove already said no to extending Measure O twice in 2023 and 2024. But City Officials keep trying to take $406,907/year, despite your clear, democratic rejection!

If the Mayor and City Council believe that the safety of Orange Cove is at risk without this funding, then why haven't they made this a priority in their regular budget? Clearly, your safety is not actually their greatest concern.

Instead, it is a way to guilt you into paying more taxes when you are already feeling the pain of higher costs at the grocery store and gas pump. Now they want to raise the costs of your housing, your small business' office spaces and storefronts, and more! (Even if you rent, those costs will be passed on to you.)

What Orange Cove residents need is tax relief so that they can make ends meet in this difficult economic time.

At least when the tax was first introduced in 2014, there was a 10-year sunset. This version has **NO EXPIRATION**. Did leaders use the past 12 years (**over $2,000,000 already collected**) to find other ways to make sure Orange Cove was safe and help put money back in your pocket?

No - They have no intention of cutting existing budgets to fund these "essential" services. You will be on the hook at a **HIGHER** tax rate, **FOREVER**!

Don't reward poor monetary management and budget decisions with more funding (forever)!

Say NO to more taxes. Say NO to MEASURE O.
