INFORMATION ABOUT MEASURE CR
City of Baldwin Park Good Government Cannabis Reform Measure

Q: What is Measure CR?

A: Measure CR applies an already existing 4% tax rate on retail cannabis businesses to non-retail cannabis businesses operating in Baldwin Park. Measure CR is not a tax on residents or homeowners.

Q: Why was Measure CR placed on the ballot?

A: Measure CR was placed on the ballot to ensure that both retail and non-retail cannabis businesses operating in Baldwin Park are treated the same.

Q: If Measure CR isn't a tax on residents or homeowners, how does it affect me?

A: If adopted by voters, Measure CR helps maintain local priorities identified by Baldwin Park residents such as:

- Maintaining Crime prevention/911 response times
- Removing graffiti and piles of trash and litter in public areas
- Keeping streets, infrastructure, parks, and community facilities clean
- Providing after-school and employment programs for youth

Q: Do Measure CR funds stay local?

A: Yes. By law, all funds from Measure CR must continue to stay in Baldwin Park to maintain core City services; no funds can be taken by the County, State or Federal government.

Q: What else is on the November 3rd ballot?

A: There are state and federal elections on the November 3, 2026 ballot, along with 14 statewide ballot propositions. In Baldwin Park, voters will also have the opportunity to elect two City Councilmembers, the City Clerk, and the City Treasurer.

Q: Where can I find more information about Measure CR and the Municipal Election?

A: For more information, please visit the City's website at https://www.baldwinpark.com and the Los Angeles County Elections website at lavote.gov.
