Argument In Favor Of Measure P

Arguments in support or opposition of the proposed laws are the opinions of the authors.

Vote YES on Measure P to keep American Canyon safe, clean, and financially strong, with every dollar legally required to stay right here in our community. Not one cent can be taken by Sacramento.

American Canyon's sales tax rate is among the lowest of our neighboring cities. Measure P's one-cent increase simply matches Napa's rate while generating approximately $3.7 million every year for essential local services. More than half of that revenue is expected to come from visitors who shop here, so residents will not shoulder the cost alone.

Measure P protects what matters most:

- 911 emergency response and neighborhood police patrols
- Crime prevention and safer streets, addressing speeding and unsafe driving
- Wildfire risk reduction, vital when large areas of our city are rated “High” or “Very High” fire hazard zones
- Safe, clean parks, trails, and places for children to play
- Youth and adult recreation and senior programming

Without new revenue, the City faces a General Fund shortfall beginning next year and growing to about $4.1 million over five years. That is before adding the police officers, fire mitigation resources, and expanded recreation programs our growing community needs.

Measure P does NOT tax groceries, prescription medications, baby formula, diapers, rent, or services like haircuts and auto repair.

Measure P requires strict accountability: mandatory independent audits, public spending disclosures, and local control of every dollar. Voters keep the power to end this tax at any time.

For about a penny on the dollar, Measure P protects the safety and quality of life that make American Canyon the community we love.

Please join us and vote YES on Measure P.
