FULL TEXT OF MEASURE H

RESOLUTION NO. 01-2026
OF THE BOARD OF DIRECTORS OF THE GARDEN VALLEY RANCH COMMUNITY SERVICE DISTRICT
PROPOSING AN INCREASE TO THE EXISTING PARCEL TAX AND REQUESTING PLACEMENT ON THE NOVEMBER 2026 BALLOT

WHEREAS:

1. The Garden Valley Ranch Community Service District ("District") is a duly formed community services district organized under the laws of the State of California; and
2. The District currently levies a parcel tax of $150 per parcel, approved by voters, to fund essential services for the purpose of: [road maintenance, upgrading, and improving district roads].
3. Due to increasing operational costs, inflation, infrastructure needs, and service demands, existing revenues are no longer sufficient to maintain current service levels; and
4. Without additional funding, the District may face reductions in services, deferred maintenance, and increased risk to public safety and infrastructure reliability; and
5. The Board of Directors has determined that it is necessary to increase the parcel tax from $150 to $250 per parcel annually to ensure continued and reliable service delivery; and
6. Article XIII C of the California Constitution requires that any increase to a special tax be approved by a two-thirds vote of the electorate;

NOW, THEREFORE, BE IT RESOLVED:

1. **Ballot Measure Proposal**
   The Board of Directors hereby proposes to submit to the qualified voters of the District a measure to increase the parcel tax from $150 to $250 per parcel per year.
2. **Special Tax**
   The special tax may not be reduced or adjusted at the beginning of each fiscal year, commencing (July 1, 2027), following a public hearing, by an amount not to exceed the cost of living as determined by the Consumer Price Index (CPI) prepared by the United States Bureau of Labor Statistics or similar indicator of inflation not to exceed 4%.
3. **Election Date**
   The measure shall be submitted to the voters at the **November 3, 2026 General Election.**
4. **Use of Funds**
   Revenue generated by the increased parcel tax shall be used exclusively for District purposes, including:
   - Road maintenance
   - Upgrading district roads
   - Improving district roads

5. **Accountability Measures**

   To ensure transparency and accountability:

   - Funds shall be deposited into a separate account: Garden Valley Ranch Estates General Fund.
   - An annual report shall be made available to the public.
   - Funds shall not be used for administrative salaries unrelated to service delivery.

6. **Levy and Collection**

   The parcel tax shall be levied annually and collected in the same manner as property taxes.

7. **Request to County**

   The Board hereby requests that the County of El Dorado place this measure on the November 3, 2026 ballot and perform all necessary election services.

   "Shall the measure to levy an annual special tax in an amount of $250.00 with annual adjustments tied to the Consumer Price Index (CPI) not to exceed 4% on each parcel of land within the Garden Valley Ranch Community Service District commencing fiscal year 2026/2027 and continuing for an unlimited duration, to be used only for road improvement and maintenance and generating an annual revenue of approximately $44,000.00, to replace the current special tax of $150.00, be adopted?"

ARGUMENT IN FAVOR OF MEASURE H

A "YES" vote will help ensure our community has the funding needed to maintain and improve the roads and infrastructure that benefit every resident.

The current assessment has not been updated since 1997. Over nearly three decades, inflation has significantly increased the cost of materials, labor, and equipment. As a result, the same revenue now accomplishes only a fraction of the work it once did, making it increasingly difficult to keep up with essential road maintenance.

The numbers make this clear. A recent estimate to pave just two miles of road was approximately **$400,000**. Our most recent chip seal project, completed in July 2025, cost **$48,000** to treat just **2,400** feet (less than one-half mile), or about **$1 per square foot**. With approximately **seven miles** of roads still needing maintenance, the current funding simply cannot meet the community's long-term needs.

Today, the district receives approximately **$55,000 annually**, including **$26,400 contributed directly by residents**, with the remainder coming from county funding. While these funds have been carefully managed, they are no longer sufficient to address rising costs or preserve our roads at the level our community deserves.

A YES vote is an investment in protecting our roads, preserving property values, improving safety, and ensuring our community has the resources necessary to maintain this vital infrastructure for years to come.

****NO ARGUMENTS AGAINST THIS MEASURE WERE SUBMITTED****

IMPARTIAL ANALYSIS OF MEASURE H

Measure H (the "Measure"), if approved by two-thirds of the voters voting thereon, would authorize the levy of an increased special parcel tax at the rate of $250 per parcel per year within the Garden Valley Ranch Estates Community Services District (the "District"). This Measure was placed on the ballot by the Board of Directors of the District pursuant to Resolution No. 01-2026, which was passed at an official meeting of the Board of Directors on May 8, 2026.

If approved, the increased special parcel tax authorized by this Measure will be used solely for the purpose of road improvements and maintenance services within the District. The amount of the special parcel tax may be adjusted annually in accordance with the Consumer Price Index, not to exceed 4% annually. The special parcel tax authorized by this Measure would remain in effect until modified or repealed by the voters. The special parcel tax authorized by this Measure is expected to generate revenue of approximately $44,000 per year. If the Measure is approved, the special parcel tax would replace an existing special tax of $150 per parcel. If the Measure is not approved, the existing special tax of $150 per parcel will remain in effect.

State law requires the proceeds from the special tax be applied only to the identified purposes and that an annual report be made indicating the amount of funds collected and expended and the status of any project required or authorized to be funded by the proceeds.

The special tax authorized by this Measure will be listed as a separate item on the county property tax bill for each affected parcel of land and will be collected in the same manner as the general property tax. All laws applicable to the levy, collection, and enforcement of county property taxes, including the provisions for penalties and the procedures for sale of the property in case of delinquency, shall also apply to the special tax.

A "YES" vote is a vote to authorize the levy of the increased annual special tax in an amount of $250 per parcel, as provided in the Measure.

A "NO" vote is a vote against the levy of the increased annual special tax.
