IMPARTIAL ANALYSIS OF

MEASURE J2026

CITY OF GUADALUPE

The City Council of the City of Guadalupe has placed Measure J2026 ("Measure J") on the ballot and, if approved by voters, would increase the Transient Occupancy Tax (TOT) in the City of Guadalupe ("City") from six percent (6%) to twelve percent (12%). Measure J2026 also expands application of the tax to additional types of transient lodgings; creates exceptions for six (6) specific occupancies; and adds a definition for "transient."

TOT is a tax charged to guests of hotels, motels, and similar temporary lodgings who stay for a period of 30 days or less. TOT is a general tax, meaning the additional revenue generated by the increased TOT would be deposited in the City's general fund and may be used for any unrestricted general governmental purpose. The measure requires a simple majority vote for approval.

The City's current TOT ordinance uses the word "hotel" as a general definition to refer to various types of transient lodgings. Measure J2026 proposes to replace the term "hotel" with the term "lodging facility" as a general definition, and in addition to keeping all of the types of transient lodgings currently listed as part of the meaning of "hotel," would add the following types of lodgings to the definition: "inn, tourist home or house, motel, or other lodging, including but not limited to any recreational vehicle park or campground."

Measure J2026 also adds a definition of the word "transient" (not currently in the City's ordinance) which means: "any person having occupancy of a lodging facility for a period of 30 consecutive calendar days or less regardless of the form of agreement, license, permit, or entitlement." The definition also states: "Any person occupying a lodging facility shall be deemed to be a transient until the period of 30 days has expired unless there is an agreement in writing, between the operator and the occupant, including but not limited to a month-to-month rental agreement, providing for a longer period of occupancy."

Finally, Measure J2026 exempts six (6) types of transient lodgings from the requirement to pay TOT: (1) time-share rooms or campsites when occupied by the owner (or a guest of the owner when no rent is paid by the guest); (2) "organized camps" which are sites with program and facilities providing an outdoor group living experience with social, spiritual, educational, or recreational objectives, for five days or more during one or more seasons of the year; (3) campsites within the state park system; (4) housing operated by or used exclusively for religious, charitable, or educational purposes by a qualified nonprofit organization; (5) lodging facilities operated by a local government entities; and (6) any person renting any residential dwelling unit pursuant to a month-to-month lease agreement.

A "Yes" vote increases the Transient Occupancy Tax rate from 6% to 12% and expands its application to additional types of transient lodgings.

A "No" vote does not increase the Transient Occupancy Tax rate or expand its application to additional types of transient lodgings.

ARGUMENT IN FAVOR OF MEASURE J2026 CITY OF GUADALUPE

A YES vote on Measure J2026 will raise revenues for vital City services, to be paid for by visitors to the City with zero costs to Guadalupe residents.

Transient occupancy tax (TOT) is charged only for stays in temporary lodgings for 30 days or less. TOT is an important source of local tax revenue, along with sales and property taxes, and it is the only tax that does not fall on local residents to pay.

The City of Guadalupe's TOT rate is currently 6% of the rent charged for a temporary lodging - much lower than every other city in both Santa Barbara and San Luis Obispo Counties, as well as in the unincorporated areas of both of these counties which all charge at least 12%! Raising the City's TOT rate to 12% will keep the City's rate competitive, but comparable and lower than most other local jurisdictions.

Measure J2026 also updates the language of the City's TOT ordinance to make it clear that it applies to all of the types of lodgings permitted under state law.

TOT is not an important source of revenue for Guadalupe at the present time since there are no commercial temporary lodgings in the City except for private home short-term rentals, but the City hopes to attract more lodging options. It makes sense to raise the TOT rate now, rather than wait until after a new lodging option has been established.

Approving Measure J2026 will help raise revenues in the years to come - without costing residents a penny.

We strongly urge a YES vote on Measure J2026.

MEASURE J2026

CITY OF GUADALUPE

AN ORDINANCE OF THE CITY OF GUADALUPE, CALIFORNIA, AMENDING PORTIONS OF CHAPTER 3.20 OF TITLE 3 OF THE GUADALUPE MUNICIPAL CODE RELATED TO TRANSIENT OCCUPANCY TAX TO INCREASE THE TAX RATE FROM 6% TO 12% AND TO INCLUDE ADDITIONAL TYPES OF OCCUPANCIES SUBJECT TO THE TAX

WHEREAS, under the provisions of the laws in the State of California, a general municipal election shall be held on November 3, 2026, for the election of municipal officers; and

WHEREAS, the City Council desires to allow the voters of the City of Guadalupe the opportunity to increase the rate of the City's Transient Occupancy Tax (TOT) from 6% to 12% to remain in effect until ended by voters; and

WHEREAS, the City Council also wishes to change the definition of "hotel" (which is not limited to hotels only, but includes other types of transient occupancies) to a definition of "lodging facility" which will include the same transient occupancies listed under the current definition of "hotel" but will also include "other lodgings" as that term is used in California Revenue and Taxation Code section 7280, including recreational vehicle parks and campgrounds.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF GUADALUPE DOES ORDAIN AS FOLLOWS:

SECTION 1. Section 3.20.010 of Chapter 3.20 of Title 3 of the Guadalupe Municipal Code is hereby amended as follows:

3.20.010 Definitions.

For purposes of this chapter, the following words and phrases are defined as follows:

A. ""Lodging facility" means any structure or any portion of any structure, or any outdoor space or premises, which is occupied or intended or designated for occupancy by transients for dwelling, lodging or sleeping purposes, and includes any hotel, inn, tourist home or house, motel, or other lodging, including but not limited to any recreational vehicle park or campground.
B. "Occupancy" means the use or possession, or the right to the use or possession, of any lodging facility or portion of any lodging facility.
C. "Operator" means the person who is proprietor of the lodging facility, whether in the capacity owner, lessee, sublessee, mortgagee in possession, licensee, or any other capacity. Where the operator performs his or her functions through a managing agent of any type or character other than an employee, the managing agent shall also be deemed an operator for the purposes of this chapter and shall have the same duties and liabilities as his or her principal. Compliance with the provisions of this chapter by either the principal or the managing agent shall, however, be considered to be compliance by both.
D. "Person" means any individual, firm, partnership, joint venture, association, social club, fraternal organization, joint stock company, corporation, estate, trust, business trust, receiver, trustee, syndicate, or any other group or combination acting as a unit.
E. "Rent" means the consideration charged, whether or not received, for the occupancy of space in a hotel, valued in money, whether to be received in money, goods, labor or otherwise, including all receipts, cash, credits and property and services of any kind or nature, without any deduction therefrom whatsoever.
F. "Tax Administrator" means the City Clerk.
G. "Transient" means any person having occupancy of a lodging facility for a period of 30 consecutive calendar days or less regardless of the form of agreement, license, permit, or entitlement. SECTION 2. Section 3.20.020 of Chapter 3.20 of Title 3 of the Guadalupe Municipal Code is hereby amended as follows:

3.20.020 Tax imposed-Amount-Payment.

For the privilege of occupancy in any lodging facility, each transient is subject to and shall pay a tax in the amount of 12% of the rent charged by the operator. Such tax constitutes a debt owed by the transient to the City which is extinguished only by payment to the operator or the City. The transient shall pay the tax to the operator of the lodging facility at the time the rent is paid. If the rent is paid in installments, a proportionate share of the tax shall be paid with each installment. The unpaid tax shall be due upon the transient's ceasing to occupy space in the lodging facility. If for any reason the tax due is not paid to the operator of the hotel, the Tax Administrator may require that such tax shall be paid directly to the Tax Administrator.

SECTION 3. Section 3.20.030 of Chapter 3.20 of Title 3 of the Guadalupe Municipal Code is hereby amended as follows:

3.20.030 Exemptions.

A. No tax shall be imposed upon:
   1. Any person as to whom, or any occupancy as to which, it is beyond the power of the City to impose the tax herein provided;
   2. Any officer or employee of a foreign government who is exempt by reason of express provision of federal law or international treaty.
   3. Any owner of a time-share estate in a room or rooms in a time-share project, or the owner of a membership camping contract in a camping site at a campground, or the guest of the owner, to occupy the room, rooms, camping site, or other real property in which the owner retains that interest, as those terms are defined in California Revenue and Taxation Code section 7280(b).
   4. An "organized camp" as defined in California Health & Safety Code section 18897.
   5. Any campsite in a unit of the state park system.
   6. Housing operated by or used exclusively for religious, charitable, or educational purposes by any organization which has obtained exemption from property taxes under the laws of California for the period the tax would otherwise be imposed.
   7. Lodging facilities operated by a local government entities.
   8. Any person renting any residential dwelling unit (as that term is defined in California Civil Code section 19409(c)) pursuant to a month-to-month lease agreement.

B. No exemption shall be granted except upon a claim therefor made under penalty of perjury at the time rent is collected, upon a form prescribed by the Tax Administrator.

SECTION 4. Section 3.20.040 of Chapter 3.20 of Title 3 of the Guadalupe Municipal Code is hereby amended as follows:

3.20.040 Registration of lodging facilities.

Within 30 days after the effective date of the ordinance codified in this chapter, or within 30 days after commencing business, whichever is later, each operator of any lodging facility renting occupancy to transients shall register such lodging facility with the Tax Administrator and obtain from him or her a "Transient Occupancy Registration Certificate," to be at all times posted in a conspicuous place on the premises. The certificate shall, among other things, state the following:

A. The name of the operator;
B. The address of the lodging facility;
C. The date upon which the certificate was issued;
D. "This Transient Occupancy Registration Certificate signifies that the person named on the face hereof has fulfilled the requirements of the Uniform Transient Occupancy Tax ordinance by registering with the Tax Administrator for the purpose of collecting from transients the Transient Occupancy tax and remitting said tax to the Tax Administrator. This certificate does not authorize any person to conduct any unlawful business or to conduct any lawful business in an unlawful manner, nor to operate a lodging facility without strictly complying with all local applicable laws, including but not limited to those requiring a permit from any board, commission, department or office of this City. This certificate does not constitute a permit."

SECTION 5. Section 3.20.050 of Chapter 3.20 of Title 3 of the Guadalupe Municipal Code is hereby amended as follows:

3.20.050 Operator's collection duties.

Each operator shall collect the tax imposed by this chapter to the same extent and at the same time as the rent is collected from every transient. The amount of tax shall be separately stated from the amount of the rent charged, and each transient shall receive a receipt for payment from the operator. No operator of a lodging facility shall advertise or state in any manner, whether directly or indirectly, that the tax or any part thereof will be assumed or absorbed by the operator, or that it will not be added to the rent, or that, if added any part will be refunded except *in* the manner hereinafter provided.

SECTION 6. USE OF TAX PROCEEDS. The proceeds of the tax approved by this Ordinance may be used for unrestricted general revenue purposes.

SECTION 7. SEVERABILITY. If any provision of this Ordinance or the application thereof to any person or circumstances is held invalid, the remainder of the Ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.

SECTION 8. ELECTION REQUIRED. This Ordinance shall not become operative unless and until a majority of the electors voting on this measure vote to approve the *imposition* of the tax at the General Election to be held on November 3, 2026.

SECTION 9. EFFECTIVE DATE. If this ordinance is approved by a majority of the electors voting on the issue at the November 3, 2026 general municipal election, pursuant to Elections Code Section 9217, the ordinance shall be become effective ten (10) days after the City Council accepts the certified results of the election.

SECTION 10. COMPLIANCE WITH THE CALIFORNIA ENVIRONMENTAL QUALITY ACT. This Ordinance has been reviewed for compliance with the California Environmental Quality Act (CEQA), and the CEQA guidelines, and the City's environmental procedures, and has been found to be exempt pursuant to § 15601(b)(3) (general rule) and § 15378(b)(4) of the CEQA Guidelines. The transient occupancy tax imposed by the adoption of this Ordinance is a general tax that can be used for any legitimate governmental purpose; it is not a commitment to any particular action. The City Council hereby finds with certainty that there is no possibility the passage of this Ordinance will have a significant effect on the environment. Additionally, it creates a government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant physical impact on the environment. If revenue from the tax were used for a purpose that would have such effect, the City would undertake the required CEQA review for that particular project at the earliest feasible date.

SECTION 11. CLERICAL CORRECTION. The City Clerk is hereby authorized to make minor changes herein to address clerical errors, so long as substantial conformance of the intent of this document is maintained. In doing so, the City Clerk shall consult with the City Administrator and City Attorney concerning any changes deemed necessary.
