IMPARTIAL ANALYSIS OF
MEASURE D2026
SANTA YNEZ VALLEY UNION HIGH SCHOOL DISTRICT

This measure was placed on the ballot by the Board of Education of the Santa Ynez Valley Union High School District, which is the governing board of the District.

If approved by 55% of the voters voting on the proposition, this measure authorizes the District to issue and sell bonds of up to $80,000,000 in aggregate principal amount to provide financing for the specific types of school facilities projects listed in the District's Project List. The Project List, as well as the full text of the measure, are printed in the voter information guide. None of the proceeds from the sale of bonds may be used for teacher or administrator salaries or operating expenses.

The bonds and interest thereon would be payable from the proceeds of property taxes levied on taxable property in the District. These taxes would be in addition to the property taxes currently levied on taxpayers in the District. The amount of the increased taxes each year would depend upon the amount needed to pay the principal and interest on the bonds. To fund these bonds, the District estimates the average annual tax rate will be $21.73 for every $100,000 of assessed valuation, and the highest annual tax rate will be $23.38 for every $100,000 of assessed valuation. The District's estimate of the final fiscal year in which the tax is anticipated to be collected is 2060-61. The District's best estimate of the total debt service, if all bonds are issued and sold, is approximately $142.1 million.

The bond measure includes the following accountability requirements:

A. A requirement that the proceeds from the bond sale be used only for the above purposes and not for any other purpose, including teacher or administrator salaries and other school operating expenses.

B. A list of the specific school facilities projects to be funded and certification that the District's Board has evaluated safety, class size reduction, and information technology needs in developing that list.

C. A requirement that the District's Board will conduct or cause to be conducted an annual, independent performance audit to ensure that the funds have been spent only on the school facilities projects listed in the Project List.

D. A requirement that the District's Board will cause to be conducted an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the school facilities projects listed in the Project List.

E. If the measure is approved, the District's Board will also establish an independent citizens' oversight committee to ensure bond proceeds are used only to fund the projects listed in the Project List, as printed in the voter information guide.

F. If the measure is approved, an annual report will be filed with the Board stating the amount of funds received and expended in the past fiscal year, and the status of any project funded or to be funded from bond proceeds.

County of Santa Barbara

August 7, 2026

TAX RATE STATEMENT FOR

MEASURE D2026

SANTA YNEZ VALLEY UNION HIGH SCHOOL DISTRICT

An election will be held in the Santa Ynez Valley Union High School District (the "District") on November 3, 2026, to authorize the sale of up to $80 million in bonds of the District to finance school facilities as described in the measure. If such bonds are authorized and sold, principal and interest on the bonds will be payable only from the proceeds of *ad valorem* tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400-9404 of the Elections Code of the State of California. Such information is based upon the best estimates and projections presently available from official sources, upon experience within the District, and other demonstrable factors.

Based upon the foregoing and projections of the District's assessed valuation, the following information is provided:

1. The best estimate of the average annual tax rate which would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on a projection of assessed valuations available at the time of filing of this statement, is $21. 73 per $100,000 of assessed valuation. The final fiscal year in which the tax is anticipated to be collected is 2060-61.
2. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on a projection of assessed valuations available at the time of filing of this statement, is $23.38 per $100,000 of assessed valuation. It is estimated that such rate would be levied in fiscal year 2027-28 through 2055-56.
3. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all the bonds are issued and sold is approximately $142.1 million.

Voters should note the estimated tax rate is based on the assessed value (not market value) of taxable property on the County's official tax rolls. In addition, taxpayers eligible for a property tax exemption, such as the homeowner' s exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only, which amounts are not maximum amounts and are not binding upon the District. The actual debt service, tax rates and the years in which they will apply may vary from those used to provide the estimates set forth above, due to factors such as variations in the timing of bond sales, the par amount of bonds sold and market interest rates available at the time of each sale, actual assessed valuations over the term of the bonds, and other factors. The date and amount of bonds sold at any given time will be determined by the District based on the need for project funds and other considerations. The actual interest rates at which the bonds will be sold will depend on conditions in the bond market at the time of sale. Actual future assessed valuations will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

Dated: June 16, 2026.

Superintendent,
Santa Ynez Union High School District

ARGUMENT IN FAVOR OF
MEASURE D2026
SANTA YNEZ VALLEY UNION HIGH SCHOOL DISTRICT

Even if you don't have school-age children, a YES vote on Measure D is a wise investment in the future of our community. It will help protect not only our students, but our quality of life and home values as well. Santa Ynez Valley Union High School is already recognized for strong academic achievement, college and career preparation, and graduation rates above 90%, but it was built in 1937 -- ninety years ago.

Aging classrooms, science labs, career training facilities, and infrastructure desperately need repairs and upgrades. SYVUHS has 27 portable classrooms that are over 25 years old and are falling apart. For the safety and well-being of students and faculty, as well as the future of our valley, this must be addressed.

YES on D will:

- Fix deteriorating roofs, plumbing, gas and sewer lines, heating, ventilation, and electrical systems
- Upgrade classrooms, labs and technology to support quality instruction in math, science, and engineering
- Upgrade classrooms to current health and building safety codes, and improve access for students with disabilities
- Upgrade career training classrooms to prepare students for careers in welding, automotive technology, agricultural science and mechanics, and skilled trades
- Improve student safety and security systems, lighting, cameras, emergency communications, smoke detectors, fire alarms, and sprinklers
- Qualify SYVHS for $40,000,000 in state matching funds that otherwise go to improve schools in other communities

Measure D requires strict fiscal accountability, transparency, and local control:

- All funds must be used for SYVUHS and no funds can be taken by the state or federal governments
- Funds cannot be used for administrator salaries or pensions
- An independent oversight committee, annual audits and public spending disclosure ensure proper spending

The success of our students is the success of our valley.

Vote YES on D.

NO ARGUMENT AGAINST
MEASURE D2026 WAS FILED

FULL TEXT OF

MEASURE D2026

SANTA YNEZ VALLEY UNION HIGH SCHOOL DISTRICT

The following is the full proposition presented to the voters by the Santa Ynez Union School District.

> **"Santa Ynez Valley Union High School Quality Education/ Career Training Measure.** To repair/ upgrade aging classrooms, labs, instructional technology, career training and school facilities to support college/ career readiness in math, science, technology, engineering, and skilled trades; fix roofs, plumbing, HVAC, electrical systems; and improve school safety/ security, shall Santa Ynez Valley Union High School District's measure authorizing $80,000,000 in bonds at legal rates be adopted, levying $22/ $100,000 assessed value ($4,200,000 annually) while bonds are outstanding, with independent audits/ oversight and all funds locally controlled?"

PROJECT LIST

The Board of Education of the Santa Ynez Union School District is committed to **improving the quality of education** in our local public schools by **upgrading aging classrooms, replacing aging portable classrooms, improving student safety** by providing safe, secure, modern classrooms, labs and technology needed to support high quality instruction in math, science, engineering, technology and the skilled trades. To that end, the Board evaluated the District's urgent and critical facility needs, including safety issues, class size reduction, **basic repairs,** computer and information technology in developing the types of projects to be funded by this measure as described below.

This bond includes strict accountability requirements to make sure public funds are used appropriately. These requirements include public disclosure of all spending, independent annual financial and performance audits, and the formation of a committee of local citizens and business owners to ensure all spending is in line with the promises made in the measure. What's more, by law, all funds must be used to improve our local schools and cannot be taken by Sacramento, the County or anyone else.

In approving this Project List, the Board of Education has made the following findings and determinations:

- Santa Ynez Valley Union High School District (the "District") administers and operates Santa Ynez Valley Union High School, serves local students in grades 9-12 from communities across the Santa Ynez Valley- including Solvang, Santa Ynez, Buellton, Los Olivos, and Ballard
- Santa Ynez Valley Union High School is a California Distinguished School recognized for strong academic achievement and college and career preparation with graduation rates above 90%
- Santa Ynez Valley Union High School also offers career education and job training pathways connected to the region's economy, including agriculture, viticulture, hospitality, media arts and skilled trades, helping prepare graduates for both four-year universities and local career opportunities
- Much of Santa Ynez Valley Union High School was built in 1937 - about 90 years ago - and needs repairs and upgrades to keep schools safe, functioning, and able to support quality education and job training
- All classrooms, science labs, career training facilities, and school infrastructure has been carefully assessed to identify high priority repairs and upgrades needed to ensure student safety, efficient operations, and to support quality education and job training
- For example, pipes and infrastructure at Santa Ynez Valley Union High School are failing, resulting in water leaks and sewage backups
- Santa Ynez Valley Union High School has 27 portable classrooms that are more than 25 years old, beyond their useful life, and falling apart, with structural damage and water leaks that lead to mold and need to be replaced
- To maintain high-quality education and job training for local high school students, the District Board of Education (the "Board") believes that repairs and upgrades are needed to classrooms, science labs, learning technology, and job training facilities so students graduate with the skills needed for college and good jobs
- Given that the State of California (the "State") provides limited and inadequate funding for school repairs and upgrades, the Board believes that funding from a local school facilities improvement bond measure is needed to fund urgent and high priority repairs and upgrades at Santa Ynez Valley Union High School
- Passage of a local school facilities improvement bond measure will allow the District to qualify for millions in state matching funds that will otherwise go to improve schools in other communities
- Funds received from a local school facilities improvement bond measure would be used to upgrade and equip classrooms and career technical facilities to prepare students for in-demand careers in welding, automotive technology, agricultural science, agricultural mechanics, and skilled trades

- Funds received from a local school facilities improvement bond measure would be used to upgrade classrooms, labs and technology to support high quality instruction in math, science, engineering, and technology
- Funds received from a local school facilities improvement bond measure would be used to repair or replace deteriorating roofs, plumbing, gas lines, sewer lines, heating, ventilation, air conditioning, and electrical systems
- Funds received from a local school facilities improvement bond measure would be used to upgrade older schools so they meet current health codes, building safety codes, and provide access for students with disabilities
- Funds received from a local school facilities improvement bond measure would be used to improve student safety and campus security systems including security lighting, security cameras, emergency communications systems, smoke detectors, fire alarms, and sprinklers
- The proposed local school facilities improvement bond measure requires strict fiscal accountability, transparency and local control protections
- All funds from the local school facilities improvement bond measure must be used to repair and upgrade Santa Ynez Valley Union High School only and no funds can be taken away by the state or federal governments or other school districts
- No money from the local school facilities improvement bond measure can be used for administrator salaries or pensions
- An independent oversight committee, annual audits and public spending disclosure are required by the measure to help ensure funds are spent as promised

The Project List includes the following types of upgrades and improvements at District schools, facilities and sites:

LOCAL STUDENT SAFETY AND CLASSROOM REPAIR PROJECTS TO RETAIN QUALITY TEACHERS AND IMPROVE EDUCATION

School Repair, Safety and Upgrade Projects

Goals and Purposes:

Santa Ynez Union High School District operates Santa Ynez Union High School, much of which was constructed in 1937, nearly 90 years ago. Santa Ynez Union High School also includes 27 portable classrooms that are more than 25 years old, beyond their useful life, and falling apart. Pipes and Infrastructure at Santa Ynez High School are failing, resulting in water leaks, sewage backups, and mold. Repairs and upgrades are needed to classrooms, science labs, learning technology, and job training facilities so students graduate with the skills needed for college and good jobs. Addressing these needs now is a cost-effective investment that will help ensure students and teachers can focus on learning in safe, comfortable classrooms.

- **Replace** portable classrooms and offices with new permanent classrooms and offices
- **Repair, renovate and replace** performing arts and technical theatre and instructional space
- **Replace roofs** at Santa Ynez Valley Union High School and other District buildings
- **Modernize Classrooms**
- **Modernize the Medical Pathway buildings** to provide Health Pathways and Sports Medicine space with offices, treatment rooms, CPR, phlebotomy, EMT and other learning facilities
- **Upgrade and reconfigure the swimming pool** for safety and usability
- **Upgrade the Agriculture and Auto Mechanics buildings** to include a new swine barn, modernize the existing barn, and add a greenhouse
- **Acquire buses and vans**
- **Renovate and upgrade physical education facilities** to build a new Gymnasium, mat room, offices for teachers, and resurface the track
- **Repair and replace HVAC facilities** to create a **safe and comfortable** learning and teaching environment for students and teachers
- **Construct** Maintenance and Operations facility for District use
- Resurface, repave, and lighting at **parking, drop off, and bus circulation** areas
- **Modernize athletics facilities**

In addition to the projects listed above, the repair and renovation of each of the existing school and District support facilities may include, but not be limited to, some or all of the following: add or renovate student and staff restrooms; repair and upgrade electrical, plumbing, heating, ventilation and air conditioning systems; upgrade of facilities for energy efficiencies, electrical generation and financial savings, including solar panels; improve accessibility for students, staff and the public with disabilities; repair and replace worn-out and deteriorated roofs, windows, walls, tackboards, floors, sinks, doors and drinking fountains/hydration stations; construct or renovate offices and facilities for multipurpose and indoor/outdoor learning spaces, more efficient areas for professional development and administration and for the safety of students on campuses; install wiring and electrical systems to safely accommodate computers, technology and other electrical devices; upgrade or construct support

facilities including administrative, central kitchens, physical education, music, art, and performing and fine arts classrooms or facilities, science, robotics, computer labs/classrooms, career technical facilities, media centers/libraries and buildings, covered eating areas, shade and rain shelter, playgrounds, administrative, transportation and maintenance facilities and yards; acquire modular/portable classrooms; repair and replace fire alarms, emergency communications, public address, speaker, and security systems; improve facilities to satisfy ADA and seismic requirements; as needed, removal of hazardous materials like asbestos and lead paint from older schools, as needed; improve/resurface or replace asphalt, broken concrete and improve hard courts, turf, tracks, athletic fields, irrigation, and downspout drainage systems and campus landscaping; install signage, flagpoles, solar electric systems and fencing; expand parking and improve pick-up and drop-off areas and crosswalks; improve all site utilities; acquire land; construct new school buildings; upgrade or replace interior and exterior painting, floor covering, including carpets, and school facades; demolition; upgrade kitchens, food service and school cafeterias; construct various forms of storage and support spaces and classrooms; improve quads; repair, upgrade and install interior and exterior lighting systems and back-up power generators; improve or replace playgrounds, play structures, athletic fields/stadiums, lockers, gymnasiums, and facilities to support student health, fitness and safety; construct or upgrade aquatic facilities, pools, including pool filtration systems, plaster and decking; replace outdated fences, including security fences and security systems (including access control systems and cameras), provide lunch shelters, indoor space for assemblies or for rainy day lunch; upgrade music labs, multi-purpose rooms, learning centers and media centers; add or upgrade parking lots including solar systems and electric vehicle charging stations. In addition to the listed projects stated above, the Project List also includes the acquisition of a variety of instructional, maintenance and operational equipment, including the reduction or retirement of outstanding lease obligations and interim funding incurred to advance fund projects from the Project List; payment of the costs of preparation of all facility planning, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, DSA oversight, and temporary housing of dislocated District activities caused by construction projects.

The upgrading of technology infrastructure includes, but is not limited to, network rewiring, cabling, computers, portable interface devices, servers, switches, routers, modules, sound projection systems, laser printers, scanners and copiers, digital white boards and smart boards, document projectors, upgrade voice-over-IP, clock/telephone/ intercom systems, call manager and network security/firewall, wireless technology systems, refresh classroom technology, miscellaneous IT and instructional equipment, data storage, archiving and preservation, phones, identity cards and the construction and installation of a data center in the cloud for the District's enterprise systems, such as resource planning, websites, domain name systems, cloud applications and information security.

The budget for each project is an estimate and may be affected by factors beyond the District's control. Some projects throughout the District may be undertaken as joint use projects in cooperation with other local public or non-profit agencies. The final cost of each project will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Demolition of portable classrooms and existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating more enhanced and operationally efficient campuses. Necessary site preparation/restoration may occur in connection with new construction, renovation or remodeling, or installation or removal of relocatable or modular classrooms, including ingress and egress, removing, replacing, or installing irrigation or drainage systems, traffic signals, sewer or utility lines, trees and landscaping, relocating fire access roads, and acquiring any necessary easements, licenses, permits, or rights of way to the property. The listed projects will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, legal fees and similar planning costs, connection fees, program and project management, staff training expenses and a customary contingency for unforeseen design and construction costs. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District bond audits and staff when performing work on or necessary and incidental to bond projects. Bond proceeds shall only be expended for the types of projects and purposes identified herein. The District shall create an account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.

****

FISCAL ACCOUNTABILITY

THIS MEASURE REQUIRES A CLEAR SYSTEM OF ACCOUNTABILITY, INCLUDING A PROJECT LIST DETAILING HOW THE MONEY WILL BE USED, A CITIZENS' OVERSIGHT COMMITTEE, AND INDEPENDENT AUDITS TO ENSURE MONEY IS SPENT PROPERLY.

In accordance with Education Code Section 15272, the Board of Education will appoint a citizens' oversight committee and conduct annual independent audits to assure that funds are spent only on District projects and for no other purpose. The expenditure of bond money on these projects is subject to stringent financial accountability requirements. By law, performance and financial audits will be performed annually, and all bond expenditures will be monitored by an independent citizens' oversight committee to ensure that funds are spent as promised and specified. The citizens' oversight committee must include, among others, representation of a bona fide taxpayers association, a business organization and a senior citizens organization. No District employees or vendors are allowed to serve on the citizens' oversight committee.

No Administrator Salaries: Proceeds from the sale of the bonds authorized by this proposition shall be used only for the acquisition, construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, and not for any other purpose, including teacher and school administrator salaries and other operating expenses.

NOVEMBER 3, 2026, GENERAL ELECTION

COUNTY OF SANTA BARBARA

B

MEASURES SUBMITTED TO THE VOTERS

STATE

PROPOSITION 1
AUTHORIZES BONDS FOR HOUSING AFFORDABILITY PROGRAMS. LEGISLATIVE STATUTE. Authorizes $11.25 billion in state general obligation bonds for housing affordability programs, including multifamily rental housing, mortgages for veterans, supportive housing, preservation of existing affordable housing, and downpayment assistance.
Fiscal Impact: Increased state cost of $500 million to $600 million annually for about 25 years to repay the housing bond.
Supporters: US Vets; CA Federation of Teachers; Self-Help for the Elderly; Habitat for Humanity CA; CA Alliance of Child & Family Services
Opponents: None submitted

YES ◯
NO ◯

PROPOSITION 2
INCREASES STATE'S RAINY DAY FUND. LEGISLATIVE CONSTITUTIONAL AMENDMENT. Increases California's Rainy Day Fund, approved by voters in 2014, to provide funding for education, health care, public safety, and other essential services during economic downturns.
Fiscal Impact: State budget reserves would be higher.
Supporters: CA Professional Firefighters; LA Chamber of Commerce; Gavin Newsom; Xavier Becerra; Assemblymember Jesse Gabriel
Opponents: None submitted

YES ◯
NO ◯

PROPOSITION 3
PROVIDES PERMANENT FUNDING FOR SCHOOLS AND HEALTH CARE BY EXTENDING EXISTING TAX ON HIGH INCOMES. INITIATIVE CONSTITUTIONAL AMENDMENT. Makes permanent existing voter-approved tax rates for individuals earning over $371,000 (adjusted annually for inflation). Allocates tax revenues to public education.
Fiscal Impact: Maintains $5 billion to $15 billion of annual state income tax revenue by making a temporary tax increase on high-income earners permanent instead of letting it expire in 2031.
Supporters: California Teachers Association; CA School Nurses Organization; California State PTA; Planned Parenthood Affiliates of CA
Opponents: California Taxpayers Association; Family Business Association of California; California Hispanic Chambers of Commerce

YES ◯
NO ◯

PROPOSITION 4
REPEALS PROHIBITION AGAINST PUBLIC FUNDING OF ELECTION CAMPAIGNS. LEGISLATIVE STATUTE. Repeals prohibition on state and local governments offering public funding of candidate election campaigns. Public funding programs may not use funds earmarked for education, transportation, or public safety.
Fiscal Impact: Ongoing costs to the state of a few hundred thousand dollars each year for the Fair Political Practices Commission to answer questions from state and local governments about public campaign finance programs.
Supporters: League of Women Voters of CA; California Nurses Association; Mental Health Advocacy; Social Security Works; Consumer Watchdog
Opponents: California Taxpayers Assn; Howard Jarvis Taxpayers Assn; Family Business Assn of California; United Latinos Action

YES ◯
NO ◯

PROPOSITION 5
CHANGES RECALL ELECTION PROCESS FOR STATEWIDE OFFICERS. LEGISLATIVE CONSTITUTIONAL AMENDMENT. Under current law, voters elect replacement candidates at the same time as the recall election. This measure instead fills recall vacancies by subsequent special election or appointment.
Fiscal Impact: Net fiscal effect unknown. In the event of a recall, savings or costs of millions of dollars to administer the election depending on the office recalled.
Supporters: None submitted
Opponents: None submitted

YES ◯
NO ◯

PROPOSITION 37
CREATES LOAN PROGRAM FOR MIDDLE-INCOME BUYERS OF QUALIFIED NEW HOMES. INITIATIVE STATUTE. Authorizes $25 billion in bonds to offer eligible buyers fixed-rate mortgages for up to 17% of purchase price of a newly constructed home priced below about $1.5 million. Borrowers must be California residents, occupy the home, meet income limits, and pay at least 3% down. Bonds repaid by mortgage payments, not State.
Fiscal Impact: No direct state or local costs.
Supporters: United Nurses Associations of California; California Conference of Carpenters; California State Treasurer Fiona Ma
Opponents: None submitted

YES ◯
NO ◯

PROPOSITION 38
AUTHORIZES BONDS FOR IMMUNOLOGY MEDICAL RESEARCH. INITIATIVE STATUTE. Authorizes $8.4 billion in general obligation bonds for immunology and immunotherapy research, half to a single University of California-affiliated nonprofit medical research institute, half to research grants.
Fiscal Impact: Increased state cost of $500 million to $600 million annually for about 20 years to repay the research bond, with some or all of the cost offset if the funded research generates revenue.
Supporters: Michael J. Fox Foundation; Alzheimer's Los Angeles; Kidney Cancer Assoc; American Nurses Assoc\CA
Opponents: Robert M Kaplan Ph.D.

YES ◯
NO ◯

PROPOSITION 39
PROHIBITS CITIZENS FROM VOTING UNLESS THEY PRESENT GOVERNMENT-ISSUED IDENTIFICATION. INITIATIVE CONSTITUTIONAL AMENDMENT. Invalidates mail ballots that do not have last four digits of designated government-issued identification number written on envelope. Prohibits in-person voting without presenting government-issued identification.
Fiscal Impact: Costs of between tens of millions of dollars and low hundreds of millions of dollars each year to implement new voting requirements.
Supporters: The Transparency Foundation; Latino American Political Assn; Howard Jarvis Taxpayers Assn; CA Women's Leadership Assn
Opponents: ACLU California Action; Common Cause; League of Women Voters of California

YES ◯
NO ◯

PROPOSITION 40
IMPOSES ONE-TIME TAX ON CERTAIN TAXPAYERS. INITIATIVE CONSTITUTIONAL AMENDMENT AND STATUTE. Imposes 5% tax on certain taxpayers with assets over $1 billion; revenue primarily for health care. Exempts revenues from constitutional requirements for school funding and spending limit.
Fiscal Impact: Temporary revenue increase of tens of billions of dollars spread over several years from wealth tax on billionaires. Possible ongoing decrease of less than $1 billion per year in income tax revenue from billionaires.
Supporters: US Senator Bernie Sanders; SEIU United Healthcare Workers West
Opponents: California Primary Care Association; California School Boards Association; California Taxpayers Association

YES ◯
NO ◯

PROPOSITION 41
PROHIBITS NEW STATE TAXES THAT EXCLUDE REVENUES FROM STATE SPENDING LIMIT. REQUIRES AUDITS FOR NEW STATE SPECIAL TAXES. INITIATIVE CONSTITUTIONAL AMENDMENT. Nullifies state taxes enacted after January 1, 2026 that exempt their revenues from voter-approved state spending limit. Requires pre-election and recurring audits of programs funded by new special taxes.
Fiscal Impact: The net fiscal effect is unknown as it depends on future decisions by voters, the Legislature, and other policymakers.
Supporters: CA Society of Certified Public Accountants (CalCPAs); CalAsian Chamber of Commerce; California Taxpayers Association (CalTax)
Opponents: US Senator Bernie Sanders; SEIU United Healthcare Workers West

YES ◯
NO ◯

PROPOSITION 42
PROHIBITS NEW STATE PERSONAL PROPERTY TAXES AND CERTAIN RETROACTIVE STATE TAXES. INITIATIVE CONSTITUTIONAL AMENDMENT. Prohibits any new state tax (1) imposed on the ownership of personal property (all things people own other than real estate), or (2) that applies retroactively based on taxpayer's past activities. Nullifies taxes enacted after January 1, 2026 that conflict with this measure.
Fiscal Impact: Possibility that tax revenues will not go up as much in the future.
Supporters: CA Professional Firefighters; State Building & Construction Trades Council of CA; AMVETS Department of CA
Opponents: US Senator Bernie Sanders; SEIU United Healthcare Workers West

YES ◯
NO ◯

PROPOSITION 43
LIMITS VOTERS' ABILITY TO RAISE REVENUES FOR LOCAL GOVERNMENT SERVICES. LEGISLATIVE CONSTITUTIONAL AMENDMENT. Limits voters' ability to pass voter-proposed local special taxes by increasing percentage of votes needed to approve such ballot measures from a majority (over 50%) to two-thirds, beginning January 1, 2027.
Fiscal Impact: Possibility that local government tax revenues will not go up as much in the future due to a higher vote threshold for certain taxes.
Supporters: California Taxpayers Association; Family Business Association of California; California Hispanic Chambers of Commerce
Opponents: California Professional Firefighters; California Federation of Teachers; Nurse Alliance of SEIU CA.

MEASURES SUBMITTED TO THE VOTERS

STATE

PROPOSITION 44
REQUIRES COMMUNITY HEALTH CLINICS SPEND 90% OF REVENUE ON PROGRAM SERVICES. INITIATIVE STATUTE. Imposes penalties on nonprofit Federally Qualified Health Centers (community clinics providing primary care to medically underserved areas and populations) that spend less than 90% of revenue on "program services" advancing their charitable purpose, including but not limited to patient services.
Fiscal Impact: Increased state costs in the low tens of millions of dollars per year, covered by fees.
Supporters: None submitted
Opponents: American Academy of Pediatrics CA; CA School Nurses Org; CA Academy of Family Physicians; CA Medical Assoc.

YES ◯

NO ◯

PROPOSITION 45
MODIFIES ENVIRONMENTAL REVIEW FOR CERTAIN PROJECTS. INITIATIVE STATUTE. Amends California Environmental Quality Act (CEQA) to expedite environmental review for certain projects (including most housing, transportation, water, and health projects) by setting deadlines to complete environmental review and resolve lawsuits challenging project approvals.
Fiscal Impact: Initial costs for state and local governments, likely in the high tens of millions of dollars—potentially exceeding $100 million—annually, partly covered by fees. Uncertain, potentially more significant positive or negative longer-term fiscal effects.
Supporters: California Children's Hospital Association; California Water Association; California Council for Affordable Housing
Opponents: Coalition for Clean Air; CA Environmental Voters; Physicians for Social Responsibility, LA; National Wildlife Federation
