WHEREAS, the Showcase Ranches Community Services District (the "District") is authorized by California Government Code Section 61000 et seq., to provide road, dam, and levee maintenance services within the jurisdictional boundaries; and

WHEREAS, the voters of the District approved in a special election dated April 10 of 1984 a special parcel tax in the amount of $125.00 per year per parcel to fund road, dam and levee maintenance services; and

WHEREAS, since implementation of the road, dam and levee maintenance special tax in 1984, the expenses of providing adequate maintenance services exceed revenue generated by the existing special tax; and

WHEREAS, the District Board of Directors proposes that the special tax approved by voters on April 10, 1984 be increased to the special tax at the rate of $250.00 per year per parcel; except that in the cases in which more than one parcel is under common ownership, the new special tax shall only be levied on each additional parcel which is improved with a dwelling; and

WHEREAS, the District Board of Directors proposes that such new special tax be submitted for voter approval by means of a mail ballot pursuant to Government Code Section 61008(c) and Elections Code Section 4000, et seq.; and

WHEREAS, if the increase in the special tax for road, dam and levee maintenance purposes is not approved by two-thirds of the voters casting ballots in the special mail ballot election, the existing road maintenance special tax enacted by the voters on April 10, 1984 shall remain in full force and effect.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Showcase Ranches Community Services District that the following Measure be placed on the ballot for vote in a General Election to be held on November 3, 2026 for a special parcel tax to be collected in the same manner and at the same time as ad valorem property taxes are collected by the County of El Dorado, Auditor–Controller–Tax Collector commencing in Fiscal Year 2026-2027.

"Shall the measure to levy an annual special tax in the amount of $250.00 per year per parcel within the Showcase Ranches Community Services District commencing in FY 2026-2027 and continuing for an unlimited duration, to be used only for road and dam maintenance services and generating an annual revenue of approximately $37,750, to replace the current special tax of $125.00, be adopted?"

IMPARTIAL ANALYSIS OF MEASURE Q

Measure Q (the "Measure"), if approved by two-thirds of the voters voting thereon, would authorize the levy of an increased special parcel tax at the rate of $250 per parcel per year within the Showcase Ranches Community Services District (the "District"). This Measure was placed on the ballot by the Board of Directors of the District pursuant to Resolution No. 2026-06-1, which was passed at an official meeting of the Board of Directors on June 25, 2026.

If approved, the increased special parcel tax authorized by this Measure will be used solely for the purpose of road and dam maintenance services within the District. The special parcel tax authorized by this Measure would remain in effect until modified or repealed by the voters. The special parcel tax authorized by this Measure is expected to generate revenue of approximately $37,750 per year. If the Measure is approved, the special parcel tax would replace an existing special tax of $125 per parcel. If the Measure is not approved, the existing special tax of $125 per parcel will remain in effect.

State law requires the proceeds from the special tax be applied only to the identified purposes and that an annual report be made indicating the amount of funds collected and expended and the status of any project required or authorized to be funded by the proceeds.

The special tax authorized by this Measure will be listed as a separate item on the county property tax bill for each affected parcel of land and will be collected in the same manner as the general property tax. All laws applicable to the levy, collection, and enforcement of county property taxes, including the provisions for penalties and the procedures for sale of the property in case of delinquency, shall also apply to the special tax.

A "YES" vote is a vote to authorize the levy of the increased annual special tax in an amount of $250 per parcel, as provided in the Measure.

A "NO" vote is a vote against the levy of the increased annual special tax.
