AGENDA TITLE: Second Reading and Adoption of Resolution 2026-016 Calling for the Submission to the Voters a Measure Relating to the Enactment of a Ten Percent (10%) Transient Occupancy Tax at the November 3, 2026 General Municipal Election

ACTION & RECOMMENDATION

Staff recommends that the City Council conduct the second reading and adopt the Resolution calling for the submission to the voters a measure relating to the enactment of a ten percent (10%) Transient Occupancy Tax ("TOT") on hotel occupancies within the City of Farmersville at the General Municipal Election to be held on November 3, 2026.

BACKGROUND | ANALYSIS

At the previous regular City Council meeting on May 26, 2026, the City Council conducted the first reading and introduction of the Resolution related to placing a Transient Occupancy Tax measure before the voters. The proposed measure would establish a ten percent (10%) tax on hotel, motel, and other short-term lodging stays within the City for occupancies of thirty (30) consecutive days or less.

Transient Occupancy Taxes are commonly utilized by municipalities throughout California as a source of General Fund revenue to support municipal services and operations. The proposed measure would allow the voters of Farmersville the opportunity to determine whether the City should implement a local Transient Occupancy Tax.

Pursuant to election deadlines and City procedures, the Resolution is now before the City Council for second reading and adoption in order to place the measure on the November 3, 2026 General Municipal Election ballot.

DISCUSSION

If approved by the voters, the proposed ten percent (10%) Transient Occupancy Tax would apply to individuals occupying hotel or lodging accommodations within the City for short-term stays. Revenue generated from the tax would be deposited into the City's General Fund and may be used for general governmental purposes, including public safety, roadway maintenance, parks, recreation, and other City services.

Approval of the Resolution is necessary to meet the filing deadlines established by the County of Tulare and the State of California for measures to appear on the November 3, 2026 ballot. No substantive changes have been made since the first reading.

As this item previously received its first reading, staff is presenting the Resolution for second reading and adoption.

FISCAL IMPACT

There is no immediate fiscal impact associated with adopting the Resolution. If approved by the voters, the Transient Occupancy Tax would generate additional General Fund revenue to support City operations and services.
