**RESOLUTION NO. 26-27-05**

**RESOLUTION OF THE BOARD OF EDUCATION OF THE VISALIA UNIFIED SCHOOL DISTRICT ORDERING AN ELECTION, PLACING A SCHOOL BOND MEASURE ON THE BALLOT FOR VOTER CONSIDERATION, ESTABLISHING SPECIFICATIONS OF THE ELECTION ORDER, AND REQUESTING CONSOLIDATION WITH OTHER ELECTIONS OCCURRING ON NOVEMBER 3, 2026**

**WHEREAS**, the Visalia Unified School District (the "District") and the Board of Education of the District (the "Board") are committed to providing safe and modern schools, quality education, and our mission of "every student learning every day";

**WHEREAS**, with extensive input from teachers, principals, staff, students, parents, and community members, the District developed its Strategic and Facilities Master Plan and, more recently, received feedback from over 1,100 respondents to identify local educational priorities and school needs;

**WHEREAS,** most of the District's schools were built over 50 years ago and need repair to meet modern health and safety codes, ensure accessible buildings for students with disabilities, and remove hazardous materials such as asbestos and lead pipes;

**WHEREAS**, some schools were built so long ago that aging infrastructure is breaking down, resulting in water leaks – including 383 roof leaks last year – and sewage backups;

**WHEREAS,** the District needs to replace over 430 portable classrooms that are over 20 years old and falling apart, many of which have structural damage and water leaks leading to damage;

**WHEREAS,** additional local funding is needed to continue providing safe drinking water and upgrade classrooms, labs, and technology to support high-quality instruction in math, science, engineering, technology, as well as prepare students for jobs and careers;

**WHEREAS,** this measure requires strong accountability and transparency requirements, including a project list describing how money will be used, a Citizens' Oversight Committee, independent audits, and public disclosure of all spending;

**WHEREAS,** by law, all money raised by this measure will stay local to support our students, cannot be taken by the State, or used for administrators' salaries or benefits;

**WHEREAS**, in addition to engaging with the Visalia community, the Board has received information about an opportunity for a general obligation bond measure to provide funding for school facilities to achieve community and District goals and priorities, consistent with the District's long-term strategic plan, as described herein;

**WHEREAS**, the Board is authorized, upon a two-thirds vote of the Board, to pursue the authorization and issuance of general obligation bonds by a 55% vote of the electorate on the question of whether bonds of the District (the "Bonds") shall be issued and sold for specified purposes, under Article XIIIA Section 1 paragraph (b) of the California Constitution ("Article XIIIA") and under the Strict Accountability in Local School Construction Bonds Act of 2000 at Education Code Section 15264 et seq. (the "Strict Accountability Act");

**WHEREAS**, under Section 10403 et seq. of the California Elections Code, it is appropriate for the Board to request consolidation of a general obligation bond election with any and all other elections to be held on Tuesday, November 3, 2026, and to request the Tulare County Registrar of Voters (the "County Registrar") to perform certain election services for the District; and

**WHEREAS**, for the reasons stated above to address the priorities of the community and the school facility needs of the District in order to allow all students to achieve at high level and demonstrate continuous growth, the Board deems it necessary and advisable to call a general obligation bond election to submit to the electors of the District the question of whether Bonds shall be issued and sold for the purpose of raising money for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities of the District.

**NOW, THEREFORE**, be it resolved by the Board of Education of the Visalia Unified School District, Tulare County, California, as follows:

**Section 1.** **Election Order.** The Board hereby orders an election and submits to the electors of the District the question of whether general obligation bonds of the District shall be issued and sold in the principal amount of $158,000,000 for the purposes described in the ballot measure approved under Section 3 and attached hereto as Exhibit A and Exhibit B, and paying costs incident thereto. This Resolution constitutes the order of the District to call such election and shall constitute the "specifications of the election order" pursuant to Education Code Section 5322.

**Section 2.** **Authority for the Election; Election Date.** Pursuant to Education Code Sections 5304 and 5322, the Strict Accountability Act, and Article XVI, Section 18(b) of the California Constitution, an election shall be held within the boundaries of the District on November 3, 2026.

**Section 3.** **Purpose of Election; Ballot Measure.** The purpose of the election shall be for the voters in the District to vote on a measure, a full copy of which is attached hereto as Exhibit A and marked "Exhibit A, Ballot Measure, Full Text of the Measure" (the "Full Text of the Measure"), containing the question of whether the District shall issue the Bonds for the purposes stated therein, together with the accountability requirements of Article XIIIA and the requirements of Section 15272 of the Strict Accountability Act. The Full Text of the Measure, which commences with the heading "Ballot Measure, Full Text of the Measure" and includes all of the text thereafter on Exhibit A, shall be printed in the voter information pamphlet provided to voters, with such measure designation as is assigned to the measure by the County Registrar. As required by Elections Code Section 13247 and Education Code Section 5322, the abbreviated form of the measure to appear on the ballot is attached hereto as Exhibit B and is marked as "Exhibit B, Ballot Measure, Abbreviated Form" (the "Abbreviated Ballot Measure").

**Section 4.** **Use of Bond Proceeds.**

a. Proceeds from the sale of the bonds may be used only for the purposes specified in Article XIII A, section 1(b)(3) of the California Constitution.

b. The projects that may be funded from proceeds from the sale of bonds (the "Projects"), are listed in the Full Text of the Measure.

**Section 5.** **Accountability Requirements.**

a. Pursuant to Article XIIIA, section 1(b)(3), the Board hereby certifies that it has evaluated safety, class size reduction, and information technology needs in developing the list of Projects.

b. Pursuant to Article XIIIA, section 1(b)(3), the Board shall conduct an annual, independent performance audit to ensure that the bond funds have been expended only on the specific Projects listed in the Full Text of the Measure.

c. Pursuant to Article XIIIA, section 1(b)(3), the Board shall conduct an annual, independent financial audit of the proceeds from the sale of the Bonds until all of the proceeds have been expended for the Projects listed in the Full Text of the Measure.

d. As required by Government Code section 53410, (1) the specific purpose of the Bonds is set forth in the Full Text of the Measure, (2) the proceeds from the sale of the Bonds will be used only for the purposes specified in the measure, (3) the proceeds of the Bonds, when and if issued, will be deposited and held with the Tulare County Treasurer, and (4) an annual report shall be filed with the Board as set forth in subsection (e) below.

e. Pursuant to Government Code section 53411, the Chief Business Officer of the District shall issue an annual report to the Board containing the amount of funds collected and expended as well as the status of the Projects authorized in the Full Text of the Measure. The District's adopted budget or Audit Report will suffice for this purpose.

f. Pursuant to the Strict Accountability Act, if a citizens' oversight committee has not already been established for the bonds, within 60 days of the date the Board enters the election results on its minutes, the Board will appoint a citizens' oversight committee to review and report on the proper expenditure of taxpayers' money for school construction.

**Section 6.** **Vote Required.** Pursuant to Section 18(b) of Article XVI and Section 1 of Article XIII A of the California Constitution, the bond measure shall become effective only upon affirmative vote of fifty-five percent (55%) of those voters voting on the measure.

**Section 7.** **Delivery of this Resolution; County Registrar of Voters to Call and Conduct Election.** The Superintendent, or his designee, is hereby directed to send a copy of this Resolution, along with the Tax Rate Statement described in Section 10 below (and defined therein) and attached hereto as Exhibit C to (1) the County Registrar, (2) the Superintendent of Schools of Tulare County, and (3) the Clerk of the Board of Supervisors of Tulare County by no later than August 7, 2026.

Pursuant to Section 5303 of the Education Code, the County Registrar is hereby requested to take all steps to prepare for and hold the election within the boundaries of the District in accordance with law and these specifications.

**Section 8.** **Consolidation with Other Elections.** Pursuant to Sections 5342, 15121, and 15266 of the Education Code and Part 3 (commencing with Section 10400) of Division 10 of the Elections Code, the County Registrar and the Board of Supervisors of Tulare County (the "Board of Supervisors") are hereby requested to consolidate the election ordered hereby with any and all other elections to be held on November 3, 2026 within the District. Pursuant to Section 10403 of the Elections Code, the Board hereby acknowledges that the consolidated election will be held and conducted in the manner prescribed by Section 10418 of the Elections Code.

**Section 9.** **Ballot Arguments.** As provided in Elections Code section 9501, an individual voter who is eligible to vote on the bond measure, or bona fide association of citizens, or a combination of such voters and associations may act as an author and signatory of any ballot argument prepared in connection with the election, including a rebuttal argument, each of which, if filed, shall be filed within the time frame established by the County Registrar. Due to the community interest in this issue, the Board authorizes a process permitting a community submittal of the argument and rebuttal.

**Section 10.** **Services of County Registrar of Voters.** Pursuant to Section 5303 of the Education Code and Section 10002 of the Elections Code, the Board of Supervisors is requested to permit the County Registrar to render all services incident to the preparation for and holding of the election, for which services the District agrees to reimburse Tulare County (the "County") in full from District funds upon presentation of an invoice from the County, such services to include the publication of a formal notice of school bond election and the mailing of the Full Text of the Measure, the Abbreviated Measure, and the tax rate statement (described in Elections Code Section 9401) (the "Tax Rate Statement"). The Board hereby requests the County Registrar to publish in the ballot materials, the Full Text of the Measure, the Abbreviated Ballot Measure, and the Tax Rate Statement attached hereto as Exhibits A, B and C, respectively.

**Section 11.** **Canvass of Returns.** The Board of Supervisors is authorized to canvass the returns of the election pursuant to Section 10411 of the Elections Code.

**Section 12.** **State Matching Funds.** Some of the Projects may require state matching funds for completion. Approval of the District's bond measure does not guarantee that the proposed Projects will be funded beyond the local revenues generated by the bond measure. The District's proposal for the Projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

**Section 13.** **Encumbrance of Bond Funds.** For the purpose of making bond funds unavailable as rent within the meaning of Education Code section 17032, the Board hereby encumbers all funds to be generated by the sale of the Bonds in order to pay for the acquisition and construction of the Projects authorized by the ballot measure.

**Section 14.** **Official Intent to Reimburse Expenditures.** The District intends to undertake the acquisition, construction, renovation, furnishing, and equipping of the Projects as described in the Full Text of the Measure. The District intends to use the proceeds of its Bonds described in this Resolution to finance the Projects. The District may pay certain capital expenditures (the "Reimbursement Expenditures") in connection with the Projects prior to the issuance of the Bonds. The Bonds, in the amount of $158,000,000, will be issued for the purpose of financing the Projects on a long-term basis and certain of the proceeds of such debt obligations may be used to reimburse the District for these expenditures.

The Board hereby declares the District's official intent to use a portion of the proceeds of the Bonds to reimburse the District for the Reimbursement Expenditures. The foregoing statement is a declaration of official intent that is made under and only for the purpose of establishing compliance with the requirements of Treasury Regulations section 1.150-2.

**Section 15.** **General Authorization with Respect to the Bond Measure and with Respect to this Resolution.** The members of the District's Board, the Superintendent and the other officers of the District are hereby authorized and directed individually and collectively, without further review and action by the Board, to do any and all things, to prepare, execute, and deliver any and all agreements and documents they deem necessary or advisable in order to effectuate the purposes of this Resolution and to perform all acts necessary to place the bond measure on the ballot, including, without limitation, making any changes to this Resolution, the Full Text of the Measure, the Abbreviated Ballot Measure, or the Tax Rate Statement (hereinafter the "Ballot Documents").

In the event of any such modifications to the Ballot Documents, the Superintendent and the other officers of the District are hereby further authorized to supplement or replace the original versions of such documents with the versions modified pursuant hereto. Such modified versions shall thereafter be deemed to constitute the final, complete and approved version of the Ballot Documents, for all intents and purposes, including for delivery of the Ballot Documents to the County Registrars and other parties set forth in Section 7 above and for publication of the ballot materials set forth in Section 10 above. All actions heretofore taken by the officers and agents of the District that are in conformity with the purposes and intent of this Resolution are hereby ratified, confirmed, and approved in all respects.

**Section 16.** **Effective Date.** This Resolution shall take effect immediately upon its adoption.

**PASSED AND ADOPTED** by the following vote of the members of the Board of Education of the Visalia Unified School District, of Tulare County, State of California, this 23 day of July 2026:

**BALLOT MEASURE**
**FULL TEXT OF THE MEASURE**

******Start Here******

**FULL TEXT OF MEASURE __**

To provide safe, modern schools by removing asbestos/lead pipes; continuing to provide safe drinking water; fixing deteriorating roofs, plumbing, HVAC, electrical systems; and repairing/ upgrading aging classrooms, labs, career technology and facilities to support student achievement and college/career readiness; Shall Visalia Unified School District's measure authorizing $158,000,000 in bonds at legal rates be adopted, levying 4 cents per $100 assessed value ($12,000,000 annually) while bonds are outstanding, with independent audits/oversight and all money locally controlled?

Upon the passage of Measure __, the Visalia Unified School District (the "District") shall be authorized to issue bonds in the aggregate amount of $158,000,000 (the "Bonds"), bearing interest at rates not exceeding the statutory limit, for the purpose of funding the school facilities projects listed below (the "Projects") at the District's school sites and properties, subject to the accountability safeguards set forth below.

**Bond Accountability Measures**

At its July 23, 2026 meeting, the Board of Education (the "Board") of the District certified that it evaluated safety, class size reduction, and information technology needs in developing the list of the Projects (the "Bond Project List") set forth below. The proceeds of the Bonds shall be used only for the Projects identified in the Bond Project List below, and not for any other purpose (i.e., teacher and administrative salaries and other school operating expenses).

The proceeds of the Bonds will be accounted for separately. The Board is required to conduct financial and performance audits annually to account for the Bond funds and to assure that funds have only been expended on the specific Projects authorized by Measure __.

The Board will appoint members to a citizens' oversight committee having a minimum of seven members and including at least one member active in a business organization representing the business community located within the District, one member active in a senior citizens' organization, one member active in a bona fide taxpayers' organization, one member who is the parent or guardian of a child enrolled in the District, and one member who is both a parent or guardian of a child enrolled in the District and active in a parent-teacher organization.

Proceeds from the sale of Bonds authorized by this measure shall be used only for the construction, reconstruction, rehabilitation, or replacement, along with related costs, of school facilities as set forth herein, including the furnishing and equipping of said school facilities, or the acquisition or lease of real property for said school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses. Proceeds from

the sale of Bonds authorized by this measure shall be deposited with the Tulare County Treasurer as required by the California Education Code

## Bond Project List

This Bond Project List, which is an integral part of this proposition, describes the specific Projects the District proposes to finance with proceeds of the Bonds authorized by Measure __.

In developing this Bond Project List, the Board evaluated the District's critical facility needs and considered extensive input from parents, teachers, staff, students, and community members. The Board of the District is committed to advancing the District's mission of "every student learning every day" by responding to the priorities identified through community engagement and providing safe, clean classrooms and school facilities that support student learning, health, and safety. **In approving this Bond Project List, the Board of Education determines that the District must:**

i. Provide safe and clean classrooms

ii. Remove hazardous materials like asbestos and lead pipes

iii. Continue to provide safe drinking water

iv. Repair and upgrade older schools so they meet current health and building safety codes, and provide proper access for students with disabilities

v. Repair and replace deteriorating roofs, plumbing, gas lines, sewer lines, HVAC, and electrical systems

vi. Upgrade schools to prepare students for jobs, careers, and high-quality education

vii. Adhere to strong fiscal accountability requirements, including:

(1) Require all funds be used for local schools

(2) Prohibit the State from taking any of the funds or be expended for administrator salaries/benefits

(3) Require an independent citizens' oversight committee

(4) Require independent audits and public spending disclosure

## REPAIR OLD SCHOOLS:
## Repair and Safety Projects

**Goals and Purpose: Most Visalia Unified School District schools were built over 50 years ago. These outdated schools need important repairs and upgrades to meet modern health and safety codes, ensure buildings are accessible for students with disabilities, and remove hazardous materials such as asbestos and lead pipes. Some schools were built so long that aging infrastructure is breaking down, resulting in water leaks and sewage backups. Just last year, there were 383 roof leaks.**

- Remove hazardous materials like asbestos and lead pipes
- Continue to provide safe drinking water
- Upgrade older schools so they meet current health codes, building safety codes, and provide proper access for students with disabilities
- Repair or replace deteriorating roofs, plumbing, gas lines, sewer lines, HVAC and electrical systems
- Improve student safety and campus security systems including security fencing, security cameras, emergency communications systems, smoke detectors, fire alarms, and sprinklers
- Renovate aging restrooms, fixtures and plumbing for health, safety, and privacy

## PROVIDE HEALTHY, PERMANENT CLASSROOMS
## Replacement and Portable Projects

**Goals & Purpose: The District has over 430 portable classrooms at our schools that are over 20 years and falling apart. Many have structural damage and water leaks that lead to damage. Funding from Measure __ will replace decaying portables with modern, permanent classrooms.**

- Replace aging portable classrooms with modern, permanent classrooms that meet today's academic and safety standards
- Construct additional classrooms and school facilities to relieve overcrowding

## COLLEGE AND CAREER READINESS:
## Core Academic & Career Technology Upgrades

**Goals & Purpose: Some classrooms and career technology facilities have never been updated since schools were built more than 50 years ago. Measure __ will ensure classrooms meet today's academic standards by repairing and upgrading aging classrooms, science labs, career technology, and school facilities to prepare students for college, career, and jobs in math, science, technology, arts, engineering, and skilled trades.**

- Upgrade classrooms, labs and technology to support high quality instruction in math, science, engineering, technology, arts, and skilled trades

- Provide modern labs and career technical facilities and equipment so students are prepared for college and in-demand careers in agricultural sciences, engineering, technology, and skilled trades

- Upgrade or replace computer systems and instructional technology to bring them up-to-date

## FISCAL ACCOUNTABILITY

**Measure __ has strict accountability and transparency requirements including:**

1. All money raised by Measure __ is LOCALLY CONTROLLED to support our students and cannot be taken by the State.

2. The Bond Project List describing how money will be used.

3. An independent CITIZENS' OVERSIGHT COMMITTEE to monitor spending.

4. Independent AUDITS and PUBLIC DISCLOSURE of all spending.

5. NO MONEY FOR ADMINISTRATOR SALARIES or benefits.

In order to meet all identified facilities needs, the District intends to complete Projects using a combination of funding sources. These sources may include joint-use funds, development impact fees, state funds, federal funds, and other available funds. The District will pursue state matching funds if and when they become available, and if received, they will be used for and mainly applied to Projects on this Bond Project List or other high priority capital outlay expenditures as permitted in Education Code section 17070.63(c).

## Bond Program Management Costs

Project expenditures may also include:

- Staffing and other Bond Project management costs, including the cost of District staff when performing work on or necessary and incidental to the Projects and the Bond program, such as planning and permitting, construction management, legal, accounting, and performance and financial audit costs.

- Financial reserve for unforeseen or unpredictable inflation or supply demand costs.

- Program reserve for unanticipated scope costs or for unanticipated opportunities to enhance project scope or schedules consistent with authorized Projects.

For any of the Projects, with respect to construction at an existing District site, the District is authorized to identify an alternate site and/or acquire land for such purpose and construct the approved Project at such site if the District has determined that the existing site does not satisfy the requirements of the Division of State Architect or other State laws, codes, and regulations, including, but not limited to hazardous substances, applicable to school district properties.

The budget for each Project is an estimate and may be affected by factors beyond the District's control. The final cost of each Project will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded, and Projects are completed. Based on the final costs of each Project, certain of the Projects described above may be delayed or may not be completed. The allocation of Bond proceeds may also be affected by the final costs of each Project.

Necessary site preparation/grading/restoration may occur in connection with new construction, reconstruction, modernization, renovation, upgrading, rehabilitation or replacement, furnishing and equipping, including ingress and egress, removing, replacing or installing irrigation, utility lines, trees and landscaping, relocating fire access roads, and acquiring any necessary easements, leases, licenses, or rights of way to the property and are authorized Project costs.

## Additional Specifications

Projects, repairs, improvements, rehabilitation, and upgrades will be completed only as feasible, and the list of Projects does not imply a particular prioritization among such improvements. Such prioritization remains within the responsibility and authority of the Board by subsequent action. The Projects may be completed at any and all school or District sites where such Project is determined necessary. If the Board determines that it is economically feasible and more cost-effective, buildings, fixtures, and equipment may be demolished and replaced or reconstructed or relocated rather than modernized, renovated, repaired, or upgraded. Each Project is assumed to include its share of costs of the bond issuance, architectural, engineering, and similar planning costs, construction management, bond project staff, staff training expenses associated with new bond-funded equipment and systems, and a customary contingency for unforeseen design and construction costs. In addition to the Projects listed above, the Bond Project List also includes the acquisition of land, instructional, maintenance and operational furniture and equipment,

payment of the costs of preparation of all facilities planning and project implementation studies, feasibility and assessment reviews, master planning, environmental studies (including environmental investigation, remediation, and monitoring), design and construction documents, temporary housing for dislocated programs or activities caused or necessitated by construction projects, and construction, repairs, and improvements in the event of unforeseen design and construction matters, unforeseen emergencies or other circumstances in order to permit the continuance of existing educational services or to avoid danger to life or property.

Single Purpose. All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, pursuant to Section 15100 of the Education Code, and all the enumerated purposes shall constitute the specific single purpose of the Bonds and proceeds of the Bonds shall be spent only for such purpose.

Other Terms of the Bonds. When sold, the Bonds shall bear interest at an annual rate not exceeding the statutory maximum. The Bonds may be issued and sold in several series, and in accordance with a plan of finance determined by the Board pursuant to requirements of law.

Project Requiring State Matching Funds. Approval of Measure __ does not guarantee that the proposed District Projects that are the subject of Bonds under Measure __ will be funded beyond the local revenues generated by Measure __. Some of the District's Projects may assume the receipt of state matching funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

*(75 words)*

**As required pursuant to Education Code section 5322 and Elections Code section 13247.*

## EXHIBIT C

******Start Here******

## TAX RATE STATEMENT
## VISALIA UNIFIED SCHOOL DISTRICT

An election will be held in the Visalia Unified School District (the "District") on November 3, 2026, to authorize the sale of up to $158,000,000 in bonds (the "Bonds") of the District to provide safe, clean classrooms and school facilities that support student learning, health, and safety, with independent oversight, public spending disclosure, no money for administrators' salaries, and all funds staying local.

If the Bonds are authorized and sold, debt service thereon will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400-9404 of the Elections Code of the State of California.

1. The best estimate of the average annual tax rate that would be required to be levied to fund this Bond issue over the entire duration of the bond debt service, based on assessed valuations available at the time of filing of this statement, is $39.72 per $100,000 (3.972¢ per $100) of assessed valuation. The final fiscal year in which the tax is anticipated to be collected is 2051-52.

2. The best estimate of the highest tax rate that would be required to be levied to fund this Bond issue, based on assessed valuations available at the time of filing of this statement, is $39.83 per $100,000 (3.983¢ per $100) of assessed valuation which would first occur in fiscal year 2034-35.

3. The best estimate of total debt service, including principal and interest, that would be required to be repaid if all the Bonds are issued and sold is $313,172,174.

Voters should note that the estimated tax rates are based on the ASSESSED VALUE of taxable property on the County's official tax rolls, not on the property's market value. Property owners should consult their own property tax bills to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which are not binding upon the District. Such projections and estimates are provided for informational purposes only and are not maximum amounts or limitations on the terms of the Bonds, tax rate, or duration of the tax supporting repayment of issued Bonds. The actual tax rates, the years in which they will apply, and the final term of each series of Bonds may vary from those presently estimated, due to variations from these estimates in the timing of Bond sales, the amount of Bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the Bonds.

The dates of sale and the amount of Bonds sold at any given time will be determined by the District based on the need for construction funds and other factors, including the legal limitations on bonds approved by a 55% vote. The actual interest rates at which the Bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

## CERTIFICATION

I, Kirk Shrum, Secretary of the Board of Education of the Visalia Unified School District, Tulare County, California, do hereby certify that the foregoing is a full, true, and correct copy of a resolution duly approved and adopted by the Board of Education of the District at a meeting held on July 23, 2026, of which meeting all the members of the Board of Education had due notice and at which a majority thereof were present, and that at the meeting the resolution was adopted by the following vote:

| | |
|---|---|
| Todd Oto, Ed.D., President | Yes |
| Walta S. Gamoian, Clerk | Yes |
| Paul Belt | Yes |
| Kenneth DeJonge | Yes |
| Jacqueline A. Gaebe | Yes |
| Joy M. Naylor | Yes |
| Randy Villegas, Ph.D. | Yes |

Attest:

An agenda for the meeting was provided in advance of the meeting, as required by law, to all members of the Board of Education and to all media outlets that have requested notification. Further the agenda was posted in advance of the meeting, as required by law, at the District Office at 5000 West Cypress Avenue, Visalia, California 93277, a location freely accessible to members of the public and a brief description of the resolution appeared on the agenda.

I have carefully compared the foregoing resolution with the original minutes of the meeting on file and of record in my office, and the foregoing is a full, true, and correct copy of the original resolution adopted at the meeting and entered in the minutes.

Dated: July 23, 2026

Kirk Shrum
Secretary of the Board of Education
Visalia Unified School District
