BALLOT MEASURE PRIMARY ARGUMENT FORM

This **Ballot Measure Primary Argument Form** must be submitted **for all ballot measure PRIMARY ARGUMENTS**, with required signatures and author information. The County of Santa Clara Office of the Registrar of Voters allows electronic submission of documents if the scanned copy is clear and readable. You may email your completed form and attach the primary argument in Microsoft Word version to candidateservices@rov.sccgov.org. Any errors submitted on the form or primary argument will be printed in the County Voter Information Guide and/or ballot exactly as submitted. A proof will be sent to the primary filer for confirmation that it matches the argument as submitted—no other corrections will be accepted.

Assembly Bill 1416 was signed by the Governor and is effective as of January 1, 2023. This legislation (Elections Code section 9170) allows primary argument signers to provide a list of individuals, associations, nonprofit organizations, or businesses that are signers or are listed within the text of the argument who support or oppose a ballot measure to be listed under the ballot label. If you wish to submit a list of supporters or opponents, please complete Section 4 on page 5 of this form by providing a list of names of the individuals, associations, nonprofit organizations, and/or businesses to be listed as supporters or opponents. A sample ballot label is provided on page 9, Section 6: Appendix C.

FILER / SIGNER SECTION

The Filer of a Primary Argument is the person or entity that is responsible for filing an argument for or against (or in rebuttal to an argument for or against) a measure. The Signer of the Primary Argument is a person whose name is listed and published in the County Voter Information Guide in the election materials after the argument as one of the signatories. Generally, a Filer or Signer may be a district or member(s) of the governing board of that district, an individual voter who is eligible to vote on the measure, a bona fide association of citizens, or a combination of such voters and associations. The Filer signs the argument submission form, attesting under penalty of perjury that they meet the requirements to file an argument. The Filer is typically the main proponent or opponent of the measure but does not have to be. A Filer can also be a Signer of the argument. State law allows for up to five signers for any argument. Therefore, five people may be both Filers and Signers. However, Filers are not required to be Signers.

NOTE: Personal contact information including street address, phone and email will be redacted prior to posting online. Do not include personal contact information when using business information as it is not redacted prior to posting online.

YES on Measure D gives Los Altos residents the right to vote on permanent changes to public downtown parking plazas. 18

YES establishes an ordinance that **requires voter approval** before the City of Los Altos sells, trades, leases, conveys, declares "surplus land," or otherwise permanently changes the current use of the city-owned downtown parking plazas. 32

The ordinance is housing friendly. Voter approval is **not required** for state-mandated affordable housing on City-designated Parking Plazas 7 and 8. 23

The City will continue to maintain, improve, landscape, and use the parking plazas for parking, festivals, parades, farmers markets, and other community events. 23

The City can propose any project for voter consideration, including a park, parking garage, and performing arts center. 18

Our 10 city-owned parking plazas are valuable public assets: Convenient, tree-lined parking supports local businesses, strengthens the City's sales tax base, and provides easy access for residents, employees, and visitors. Before changing the fundamental nature of Downtown, the community, not any one city council, should have a say. 50

Vote YES for the Downtown Parking Plazas Ordinance. Your downtown. Your vote. 10
