Argument in Favor
of Measure R

A Yes vote on Measure R is a community investment in creating, expanding and enhancing educational opportunities to prepare every Orchard School student to succeed in this rapidly changing world.

Measure R will provide funds to:

- Maintain and protect strong core academic programs in math, science and reading
- Improve reading and writing skills for all students
- Attract and retain highly qualified teachers and staff.
- Enhance and preserve STEAM education
- Support visual and performing arts
- Prepare Orchard students for a future shaped by technology and innovation.

Measure R is a 4 cents per building square foot parcel tax, not to exceed $89 for single family homes and apartments. Commercial and industrial properties will also pay 4 cents per square foot with a maximum of $7,500. Senior citizens are eligible for complete exemption.

To ensure transparency, accountability and responsible stewardship of taxpayer funds, the Board of Trustees shall review and approve Measure R expenditures annually during a public meeting. An annual report shall be prepared and made available to the public identifying Measure R revenues and expenditures by category and percentage.

It is the express intent of the Board of Trustees that these locally controlled funds remain separate from the District's general fund, be used exclusively for the purposes set forth in this measure and directly benefit Orchard School District students by preserving and enhancing the high-quality educational programs and opportunities valued by our community.

Quality schools and classrooms protect and enhance our property values and support our students. Measure R's investment in our schools is a great way to protect and preserve our property values.

Please join us and vote Yes on Measure R.
