Argument in Favor of Measure ☒

[or]

Argument Against Measure ☐

[Pursuant to §9282: Maximum 300 words]

Vote YES to Modernize Sunnyvale's Public Works Contracting.

Sunnyvale's rules for building public infrastructure have not kept pace with modern times. Under current Charter constraints, the City is required to use an outdated "lowest-bid" method that **separates project design from construction**. This rigid requirement often results in communication gaps, costly mid-project change orders, and frustrating construction delays.

This measure updates Charter Section 1309 to grant Sunnyvale access to the same flexible, modern project delivery methods already authorized by California State Law and successfully used by nearby cities and school districts.

Why a YES Vote Makes Sense:

- **Saves Taxpayer Money:** By allowing modern delivery models like "Design-Build," the City can combine design and construction into a single, unified contract. This means the team that designs the project builds it, significantly reducing errors, change orders, and budget overruns.
- **Speeds Up Projects:** Combining design and construction means critical civic improvements and infrastructure projects get completed much faster, minimizing disruption to our community.
- **Prioritizes Quality and Value:** Sunnyvale would be allowed to consider a contractor's specialized qualifications, proven track record, and technical expertise—not just the lowest bid—ensuring high-quality infrastructure built to last.

Strict Safeguards Remain Intact

This measure does **not** eliminate competitive bidding. Traditional lowest-bid tracking will still be used for everyday maintenance projects. For complex projects, any alternative method must be explicitly authorized by the City Council on a case-by-case basis under strict, transparent ordinances.

Following an intensive, multi-year review, the independent, citizen-led Charter Review Committee and your City Council recommended this upgrade. Let's build a more efficient, cost-effective Sunnyvale.

Vote YES for higher quality infrastructure at lower cost.

PRIMARY ARGUMENT SIGNER FORM FOR FILER / SIGNER ONLY

The undersigned author of the attached primary argument hereby states that such primary argument is true and correct to the best of their knowledge and belief. You may use as many copies of the FILER / SIGNER ONLY FORM as needed to cover every FILER / SIGNER.

PLEASE NOTE: If the primary argument signer form is handwritten or a revision is unclear, the County of Santa Clara Office of the Registrar of Voters staff will interpret the handwritten information to the best of their abilities. That interpretation is final.

FILER / SIGNER SECTION

The Filer of a Primary Argument is the person or entity that is responsible for filing an argument for or against (or in rebuttal to an argument for or against) a measure. The Signer of the Primary Argument is a person whose name is listed and published in the County Voter Information Guide in the election materials after the argument as one of the signatories. Generally, a Filer or Signer may be a district or member(s) of the governing board of that district, an individual voter who is eligible to vote on the measure, a bona fide association of citizens, or a combination of such voters and associations. The Filer signs the argument submission form, attesting under penalty of perjury that they meet the requirements to file an argument. The Filer is typically the main proponent or opponent of the measure but does not have to be. A Filer can also be a Signer of the argument. State law allows for up to five signers for any argument. Therefore, five people may be both Filers and Signers. However, Filers are not required to be Signers.

NOTE: Personal contact information including street address, phone and email will be redacted prior to posting online. Do not include personal contact information when using business information as it is not redacted prior to posting online.
