Vote YES to cut bureaucratic red tape and save valuable public meeting time.

Currently, the Charter caps the City Manager's authority to settle routine, clear-cut legal claims at just $50,000—a **limit set nearly 40 years ago**. Because of decades of inflation, $50,000 in 1989 is worth over $130,000 today. As a result, even minor administrative claims—like a city vehicle clipping a fender—frequently exceed this low threshold.

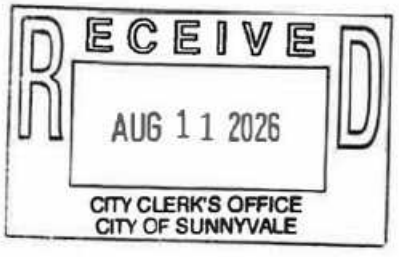

This creates a bureaucratic bottleneck. Your elected City Council is required to repeatedly stop their work to agendize, review, and vote on minor, routine legal settlements. This wastes taxpayer-funded staff hours, delays fair resolutions for residents, and clutters public meetings.

Voting **YES** replaces this rigid, outdated $50,000 cap and empowers the City Council to set realistic limits by ordinance. In July, Council passed an ordinance to set this threshold to 250 thousand dollars if this measure passes. This directly aligns settlement authority with the City Manager's current day-to-day purchasing and contract approval limits.

This measure maintains strict accountability:

- **Preserves Council Oversight:** Your elected City Council retains exclusive authority to review and vote on all major, high-dollar legal settlements.
- **Protects Public Resources:** Resolving minor claims quickly saves city staff hours, avoids protracted litigation, and reduces overall legal expenses.
- **Focuses on Priorities:** Clears the clutter from Council agendas so your leaders can focus on critical community issues like housing, traffic, and public safety.

Vote YES for efficient, accountable, and modernized city management.

FILER / SIGNER SECTION

The Filer of a Primary Argument is the person or entity that is responsible for filing an argument for or against (or in rebuttal to an argument for or against) a measure. The Signer of the Primary Argument is a person whose name is listed and published in the County Voter Information Guide in the election materials after the argument as one of the signatories. Generally, a Filer or Signer may be a district or member(s) of the governing board of that district, an individual voter who is eligible to vote on the measure, a bona fide association of citizens, or a combination of such voters and associations. The Filer signs the argument submission form, attesting under penalty of perjury that they meet the requirements to file an argument. The Filer is typically the main proponent or opponent of the measure but does not have to be. A Filer can also be a Signer of the argument. State law allows for up to five signers for any argument. Therefore, five people may be both Filers and Signers. However, Filers are not required to be Signers.

NOTE: Personal contact information including street address, phone and email will be redacted prior to posting online. Do not include personal contact information when using business information as it is not redacted prior to posting online.
