American democracy is under attack as big money, special interests, and sensationalized media undermine our national elections. At times like these, local governments must work to strengthen democracy and increase voter turnout. That's why passing Measure I is so important.

Sunnyvale Charter Section 606.d states that appointees "shall hold office until the next General Municipal Election or Special Municipal Election consolidated with the next statewide election." Depending on timing, a vacant seat can go up for **BOTH** the primary **AND** general elections. A vacancy triggered a double-election in 2016 and nearly triggered one in 2022.

This is a problem. We need as many residents voting for City Council as possible. Consolidating council races with low-turnout primary and special elections, when voters don't expect them, depresses turnout and weakens local democracy.

Running for office costs time, money, and stress. Having to run two campaigns in a year will deter qualified candidates, while having to double-fundraise will favor those with deep pockets or wealthy backers. We already have trouble attracting candidates: since 2022, half of our City Council races have gone uncontested. *Why make that problem worse?*

The opposition worries about longer appointed terms, but Measure I only adds months at most. They cite outdated reports and problems that Sunnyvale addressed years ago. They note mayoral elections can create vacancies, but Measure I doesn't affect this.

The opposition's arguments simply don't make sense, and double elections don't either.

Protect local democracy and maximize turnout. Learn more at www.YES-on-GHI.com, and **vote YES on Measure I**.

REBUTTAL ARGUMENT SIGNER FORM FOR FILER / SIGNER ONLY

The undersigned author of the attached rebuttal argument hereby states that such rebuttal argument is true and correct to the best of **their** knowledge and belief. You may use as many copies of the FILER / SIGNER ONLY FORM as needed to cover every FILER / SIGNER.

PLEASE NOTE: If the rebuttal argument signer form is handwritten or a revision is unclear, the County of Santa Clara Office of the Registrar of Voters staff will interpret the handwritten information to the best of their abilities. That interpretation is final.

FILER / SIGNER SECTION

The Filer of a Rebuttal Argument is the person or entity that is responsible for filing an argument for or against a measure. The Signer of the Rebuttal Argument is a person whose name is listed and published in the County Voter Information Guide in the election materials after the argument as one of the signatories. Generally, a Filer or Signer may be a district or member(s) of the governing board of that district, an individual voter who is eligible to vote on the measure, a bona fide association of citizens, or a combination of such voters and associations. The Filer signs the argument submission form, attesting under penalty of perjury that they meet the requirements to file an argument. The Filer is typically the main proponent or opponent of the measure but does not have to be. A Filer can also be a Signer of the argument. State law allows for up to five signers for any argument. Therefore, five people may be both Filers and Signers. However, Filers are not required to be Signers.

NOTE: Personal contact information including street address, phone and email will be redacted prior to posting online. Do not include personal contact information when using business information as it is not redacted prior to posting online.
