Vote NO on Measure I. Save our elections.

A current office holder often wins an election, enjoying name recognition and more resources than competitors. Measure I deepens this incumbency advantage.

The importance of an earlier election to fill a vacancy **outweighs** possible concerns over two elections for the same seat in the same even-year.

Measure I primarily benefits the appointee by eliminating the earlier opportunity for election competition.

- **ODD-YEAR STATEWIDE SPECIAL ELECTIONS FURTHER REDUCE** possibility for two elections in the same even-year. Since 1990, 33% of the odd-years (6 of 18) had California statewide special elections.
- **IT'S BEEN ONLY 8 YEARS** since voters approved the charter language in 2018 for filling vacancies. It balanced costs and democratic ideals. Measure I upsets this balance.
- **APPOINTMENT POWERS CAN BE ABUSED.** From 1913 to 1975, repeated resignation generated vacancies were mostly filled by appointments. Incumbents were rarely defeated due to Incumbency advantage.

Elections are an investment in a representative Sunnyvale City Council.

Filling a mayor vacancy with a district council member creates another vacancy. Currently filling that new City Council vacancy by appointment **means two simultaneous appointments** on Sunnyvale City Council. Many voters are unaware of this possibility. This measure's longer appointments will make this worse.

Shown below, two district elections cost about 1/3 as much as one citywide election. The expense for a primary election is reasonable:

Estimated potential at-large vacancy election **(6 district approx.)**	June 7, 2022	$227,188
Districts 3 and 5 **(2 districts expense)**	Nov. 8, 2022	$76,727

REBUTTAL ARGUMENT SIGNER FORM FOR FILER / SIGNER ONLY

The undersigned author of the attached rebuttal argument hereby states that such rebuttal argument is true and correct to the best of **their** knowledge and belief. You may use as many copies of the FILER / SIGNER ONLY FORM as needed to cover every FILER / SIGNER.

PLEASE NOTE: If the rebuttal argument signer form is handwritten or a revision is unclear, the County of Santa Clara Office of the Registrar of Voters staff will interpret the handwritten information to the best of their abilities. That interpretation is final.

FILER / SIGNER SECTION

The Filer of a Rebuttal Argument is the person or entity that is responsible for filing an argument for or against a measure. The Signer of the Rebuttal Argument is a person whose name is listed and published in the County Voter Information Guide in the election materials after the argument as one of the signatories. Generally, a Filer or Signer may be a district or member(s) of the governing board of that district, an individual voter who is eligible to vote on the measure, a bona fide association of citizens, or a combination of such voters and associations. The Filer signs the argument submission form, attesting under penalty of perjury that they meet the requirements to file an argument. The Filer is typically the main proponent or opponent of the measure but does not have to be. A Filer can also be a Signer of the argument. State law allows for up to five signers for any argument. Therefore, five people may be both Filers and Signers. However, Filers are not required to be Signers.

NOTE: Personal contact information including street address, phone and email will be redacted prior to posting online. Do not include personal contact information when using business information as it is not redacted prior to posting online.
