Rebuttal to Argument Against Measure N

Our opponents talk about priorities. Protecting excellent education in safe, modern high schools is our #1 priority. We've been doing it responsibly with as little cost to homeowners as possible — in fact, our District has the lowest tax rate in the county.

Perhaps our opponents haven't been inside our high schools in recent years. The need is real and the time to act is now.

We cannot rely on the State or Federal government to provide the funding our schools need. If we want to keep our high schools among the best in the nation, we need to act locally. We need Measure N.

Our opponents clamor for accountability. Luckily for them, Measure N has strict transparency and oversight requirements!

- Every penny stays local — nothing can be taken by the State or Federal government
- Annual independent audits and citizens' oversight are mandatory
- A detailed project list outlines the use of all funds
- Measure N can't fund administrator salaries

Speaking of homes, if your roof was leaking, would you fix it? YES.

If your bathrooms and plumbing were busted, would you replace them? YES.

If your home was 65, 75, or even 100 years old, would it need improvements? YES.

If you lived in a different school district, would your property value be as strong? NO.

We're proud to call Los Gatos and Saratoga home. We know how critical our high schools are to our community identity.

That's why we're voting YES on N — for the next generation of local students!
