Re: Columbia Elementary School District
General Obligation Bond Election (55%) – November 3, 2026

To the Shasta County Registrar of Voters:

Enclosed is a resolution adopted by the Board of Trustees of the Columbia Elementary School District ordering a general obligation bond election for November 3, 2026. This election is being ordered under Proposition 39 and requires a 55% vote for passage.

In order to comply with Proposition 39 and related statutes, the Board of Trustees has adopted a full ballot text for the measure, to be printed in the ballot pamphlet, and an abbreviated form of the measure (see Appendix A and B to the resolution, respectively). In addition, the originally signed Tax Rate Statement to appear in the sample ballot, as required pursuant to Elections Code 9400 and following, is also enclosed (see Appendix C to the resolution).

The Board of Trustees of the District has requested consolidation of this election with others occurring on the same day, and we acknowledge that the consolidated elections will be held and conducted in the manner prescribed in Section 10418 of the Elections Code. We are submitting this resolution to you in your capacity as the Registrar of Voters, and have also provided a copy to the Clerk of the Board of Supervisors for purposes of consolidation pursuant to Elections Code Section 10403.

Should you have any questions or require any additional information or assistance, please contact our bond attorney, Katie Dobson, at (415) 793-5994.

Yours very truly,

Clay Ross, Superintendent

RESOLUTION NO. 2025-26-14

RESOLUTION OF THE GOVERNING BOARD OF THE COLUMBIA ELEMENTARY SCHOOL DISTRICT ORDERING AN ELECTION TO AUTHORIZE THE ISSUANCE OF GENERAL OBLIGATION BONDS, ESTABLISHING SPECIFICATIONS OF THE ELECTION ORDER, AND REQUESTING CONSOLIDATION WITH OTHER ELECTIONS OCCURRING ON NOVEMBER 3, 2026

WHEREAS, the Columbia Elementary School District (the "District") in Shasta County (the "County"), State of California (the "State"), is committed to providing quality education to its students; and

WHEREAS, in the judgment of the Governing Board of the District (the "Board"), it is advisable to call an election, submitting to voters in the District the question of whether bonds of the District shall be issued and sold for the purpose of financing the construction, reconstruction, rehabilitation or replacement of school facilities, including the furnishing and equipping of school facilities in the District; and

WHEREAS, the District is authorized, upon a two-thirds vote of the Board, to pursue the authorization and issuance of bonds by a 55% vote of the electorate on the question of whether bonds of the District shall be issued and sold for specified purposes, under Article XIIIA Section 1 paragraph (b) of the California Constitution ("Article XIIIA") and under Education Code Section 15264 *et seq.* (the "Act"); and

WHEREAS, under the Act, the election may be ordered at a primary or general election, a regularly scheduled local election at which all of the electors of the District are entitled to vote, or a statewide special election; and

WHEREAS, under Section 10403 *et seq.* of the Elections Code, it is appropriate for the Board to request consolidation of the election with any and all other elections to be held on Tuesday, November 3, 2026, the date of the statewide general election, and to request the County Registrar of Voters (the "County Registrar") to perform certain election services for the District; and

WHEREAS, in connection with the calling of a bond election and in accordance with Education Code Section 15100 subparagraph (c), the Board has obtained reasonable and informed projections of assessed property valuations that take into consideration projections of assessed property valuations made by the County assessor; and

WHEREAS, United States Income Tax Regulations section 1.150-2 provides generally that proceeds of tax-exempt debt are not deemed to be expended when such proceeds are used for reimbursement of expenditures made prior to the date of issuance of such debt unless certain procedures are followed, one of which is a requirement that (with certain exceptions), prior to the payment of any such expenditure, the issuer declares an intention to reimburse such expenditure; and

Section 7. Covenants of the Board upon Approval of the Bonds by the Electorate; Accountability Measures. As required by Article XIIIA, Section 15278 of the Act, and Government Code Section 53410, in the event 55% of the voters voting in the District approve of the Bonds, the Board shall:

(a) conduct an annual, independent performance audit to ensure that the funds have been expended only on the projects listed in Appendix A;

(b) conduct an annual, independent financial audit of the proceeds from the sale of the Bonds until all of those proceeds have been expended for the school facilities projects listed in Appendix A;

(c) establish and appoint members to an independent citizens' oversight committee in accordance with Sections 15278, 15280, and 15282 of the Act;

(d) apply the Bond proceeds only to the specific purposes stated in the ballot proposition;

(e) cause the creation of accounts into which bond proceeds shall be deposited; and

(f) cause the preparation of an annual report pursuant to Government Code Sections 53410 and 53411.

Section 8. Statement Regarding State Matching Funds. The District anticipates that matching funds from the State of California, if available, may be required to complete a portion of the projects identified in Appendix A. As required pursuant to Education Code Section 15122.5, the following statement shall appear on the sample ballot: "Approval of this measure does not guarantee that the proposed project or projects that are the subject of bonds under this measure will be funded beyond the local revenues generated by this measure. The District's proposal for the project or projects described below may assume the receipt of matching state funds, which, if available, could be subject to appropriation by the Legislature or approval of a statewide bond measure."

Section 9. No Teacher or Administrator Salaries. Proceeds from the sale of the general obligation bonds authorized by the Bond Measure shall be used only for the construction, reconstruction, rehabilitation or replacement of school facilities, including the furnishing and equipping of school facilities pursuant to Article XIIIA and the Act, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

Section 10. Delivery of this Resolution. The Clerk of the Board is hereby directed to send a copy of this Resolution to (1) the County Registrar and (2) the Clerk of the County Board of Supervisors. Pursuant to Education Code Section 5322, the Resolution shall be received by the County Registrar no later than 88 days prior to the election date, unless otherwise permitted by law.

Section 16. Reimbursement. The District hereby declares that it may pay certain costs of the projects listed in Appendix A prior to the date of issuance of bonds and, in such case, intends to use a portion of the proceeds of bonds for reimbursement of expenditures for the projects that are paid before the date of issuance of bonds.

Section 17. Official Actions. The President of the Board, the Superintendent of the District, the Chief Business Officer of the District, or any written designee of the foregoing, are hereby separately authorized and directed to execute and deliver to County officials any directions, requisitions or other writings, and to make any changes to the texts of the measure as described herein and in the tax rate statement, to conform to any legal requirements or the County Registrar, in order to cause the election to be held and conducted in the District.

Section 18. Effective Date. This resolution shall take effect on and after its adoption.

APPENDIX A

FULL TEXT OF BOND MEASURE

The full text of bond measure to be printed in the election material begins below the following line.

BOND AUTHORIZATION

By approval of this measure by at least 55% of the registered voters voting on the measure, the District will be authorized to issue and sell bonds of up to $11,500,000 in aggregate principal amount, at interest rates not to exceed legal limits and to provide financing for the specific types of school facilities projects listed in the Bond Project List included below, subject to all the accountability requirements specified below.

ACCOUNTABILITY REQUIREMENTS

The provisions in this section are specifically included in this measure in order that the voters and taxpayers in the District may be assured that their money will be spent wisely. Expenditures to address specific facilities needs of the District will be in compliance with the requirements of Article XIIIA, Section 1(b)(3), of the State Constitution and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following.)

Bonds authorized by this measure may be issued under the provisions of the California Education Code (starting at Section 15100), under the provisions of the California Government Code (starting at Section 53506), or under any other provision of law authorizing the issuance of general obligation bonds by school districts. The bonds may be issued in series by the District, from time to time, and each series of bonds shall mature within the legal limitations set forth in the applicable law under which the bonds are issued.

Evaluation of Needs. The Governing Board of the District (the "Board") has identified detailed facilities needs of the District, and has determined which projects to finance from a local bond. The Board hereby certifies that it has evaluated safety, class size reduction, enrollment growth, and information technology needs in developing the Bond Project List described below.

Independent Citizens' Oversight Committee. Following approval of this measure, the Board will establish an independent citizens' oversight committee, under Education Code Sections 15278 and following, to ensure bond proceeds are expended only on the types of school facilities projects listed below. The committee will be established within 60 days of the date when the results of the election appear in the minutes of the Board.

Performance Audits. The Board will conduct annual, independent performance audits to ensure that the bond proceeds have been expended only on the school facilities projects listed below.

estimates and approximations are provided based on information currently available to the District and its current expectations, such estimates and approximations are not limitations and are not binding upon the District. In addition, the abbreviated and condensed statement of the bond measure presented to voters which is subject to a word count limitation imposed by State law does not limit the scope and complete meaning of the measure provided in this Full Text of Bond Measure and related ballot materials.

BOND PROJECT LIST

Scope of Projects. Bond proceeds will be expended on the modernization, renovation, expansion, acquisition, construction/reconstruction, rehabilitation, and/or replacement of school facilities of the District, including the furnishing and equipping of school facilities, at all existing sites of the District, including:

- Columbia Elementary, which was built in 1955, and
- Mountain View Middle School, which was built in 2000,

and all sites that may be acquired by the District in the future.

School Facility Project List. The items presented on the following list provide the types of school facilities projects authorized to be financed with voter-approved bond proceeds. Specific examples included on this list are not intended to limit the types of projects described and authorized by this measure. The following types of projects are authorized by this measure:

- Upgrade or renovate deteriorating plumbing and sewer systems
- Replace outdated heating, ventilation and air-conditioning systems
- Make safety and security improvements
- Upgrade inadequate electrical systems
- Improve energy-efficiency to reduce utility costs
- Modernize and upgrade old classrooms and restrooms
- Upgrade and renovate student support facilities including multi-purpose rooms, music rooms, and related facilities, including providing updated furnishings and other equipment to facilitate a modern learning environment
- Improve student access to computers and modern technology teaching tools
- Replace outdated temporary portables with new classrooms
- Upgrade playgrounds and playfields for school and community use
- Improve and upgrade technology infrastructure, electrical systems and wiring for computers and Internet access
- Upgrade, repair and/or expand school site parking, roadways, grounds and other infrastructure such as utility systems, including installing exterior lighting, repairing pathways, walkways, ADA access ramps, and make landscaping improvements including irrigation
- Repair, replace and/or upgrade paved surfaces, turf, grounds, fields, playgrounds and other outdoor areas, including to eliminate safety hazards and to facilitate outdoor instruction and gathering spaces
- Update parking and student drop off areas to improve campus traffic and safety
- Make accessibility upgrades including but not limited to ensuring site

building, the District shall be authorized to proceed with new construction instead, if the Board determines that replacement and new construction is more economically practical than rehabilitation and renovation, considering the building's age, condition, expected remaining life, and other relevant factors.

In addition, this measure authorizes the acquisition of real property, including necessary rights of ways or other real property interests required to expand District facilities, to provide access to school or other District facilities, or to provide additional school or related facilities.

Interim Financing Included; Joint Use Projects Authorized. Authorized projects include paying and/or prepaying interim or previously obtained financing for the types of projects included on the Bond Project List, such as bond anticipation notes, and includes prepayment of lease payments to acquire title to facilities and/or equipment previously financed. Projects may also be undertaken on a joint use basis with other public entities.

Bond Project List Not in Order of Priority; Board Determines Prioritization. Approval of this bond measure does not guarantee that the proposed projects will be funded beyond the local revenues generated by the measure. The District's capital needs currently exceed the amount of bonds the voters are being asked to authorize. The order in which particular projects are listed is not intended to suggest priority for funding or completion, and itemization of projects in the list above does not guarantee that all such projects will be undertaken. Project priorities will be determined by the Board. The ability of the District to undertake and complete the listed projects is subject to numerous variables including the adequacy and availability of sufficient funding sources. The District is unable to anticipate all unforeseen circumstances which may prevent some of the projects listed above from being undertaken or completed.

Interpretation. The terms of this bond measure and the words used in the Bond Project List shall be interpreted broadly to effect the purpose of providing broad and clear authority for the officers and employees of the District to provide for the school facilities projects the District proposes to finance with the proceeds of the sale of bonds authorized by this proposition within the authority provided by law, including Article XIIIA, Section 1(b)(3) of the California Constitution, Education Code Section 15000 *et seq.* and the Strict Accountability in Local School Construction Bonds Act of 2000. Words used in the Bond Project List such as repair, improve, upgrade, expand, modernize, renovate, and reconfigure are used to describe school facilities projects in plain English but are not intended to expand the nature of such projects beyond what is authorized by law. As such, in accordance with legal requirements, the Bond Project List does not authorize, and shall not be interpreted to authorize, expending proceeds of the sale of bonds authorized by this proposition for current maintenance, operation or repairs.

Severability. The Board hereby declares, and the voters by approving this Bond Measure concur, that every section and part of this bond proposition has independent value, and the Board and the voters would have adopted each provision hereof regardless of every other provision hereof. Upon approval of this measure by the voters, should any part be found by a court of competent jurisdiction to be invalid for any reason, all remaining parts hereof shall remain in full force and effect to the fullest extent allowed by law, and to this end the provisions of this bond measure are severable.

APPENDIX B

ABBREVIATED FORM OF BOND MEASURE

To improve the quality of education at Columbia Elementary School and Mountain View Middle School; replace deteriorating plumbing and sewer systems; upgrade inadequate electrical systems; modernize old classrooms; replace outdated heating/cooling systems; maximize state funding eligibility; replace aging portables; make safety/security improvements; shall Columbia Elementary School District's measure authorizing $11,500,000 in bonds at legal rates be adopted, with average levies of $23.49 per $100,000 assessed value (approximately $685,000) annually, while bonds are outstanding, with citizens' oversight, audits, and all funds staying local?
