F PROPOSED COUNTY CHARTER AMENDMENT TO ADDRESS UNEXPECTED VACANCIES OF AN ELECTED DEPARTMENT HEAD

Ballot Question

Shall Measure F (Adding to the Shasta County Charter) be adopted? This measure adds a subsection to the Shasta County Charter. The proposed addition would require that, whenever a vacancy occurs for a Shasta County Elected Department Head Position, the Board direct staff to fill the Vacancy by calling for an election, and consolidating it with the next regularly scheduled election, so long as that election occurs within 12 months of the vacancy. Should the next regularly scheduled election not occur within 12 months of the vacancy the Board shall, by a 4/5 vote, fill the Vacancy by appointment via open recruitment.

Yes	No
If approved by a majority of the qualified electors, Measure F would allow voters to vote sooner as to what individual serves as an elected department head position where there is an unexpected vacancy.	If the voters reject this measure, the Board will keep its current ability to fill by appointment all vacancies of elected county officers.
