G SHASTA FIRE PROTECTION DISTRICT, NUMBER OF MEMBERS OF BOARD OF TRUSTEES

Ballot Question

Shasta Fire Protection District Services Measure. A YES vote would allow the Shasta Fire Protection District to increase its governing board from 3 members to 5 members to provide better representation for the district. Shall an ordinance authorizing an increase of the existing 3-person Board of Trustees to a 5-person Board of Trustees be adopted?

Yes	No
If a majority of the voters voting on the measure vote "yes", the Board of Trustees of the Shasta Fire Protection District will be increased to five members.	A "no" vote on this measure will disapprove the proposal and there will be no change to the number of members on the Board of Trustees.

MEASURE E

Pursuant to Fire Protection District Law, Health & Safety Code § 13845(a), the number of members of a district board may be increased or decreased if a majority of the voters voting on the question are in favor of the question at a general district or special election. This measure was placed on the ballot by Resolution No. 26-07 of the Board of Trustees of the Shasta Fire Protection District.

Presently, the Shasta Fire Protection District has a three (3) person Board of Trustees. If approved by a majority of the voters voting on the measure, the measure would increase the number of members on the Board of Trustees to five (5) members. The additional vacancies would be elected at the same election according to the votes cast for each candidate. The term of office for the members elected would be four (4) years.

If a majority of the voters voting on the measure vote "yes", the Board of Trustees of the Shasta Fire Protection District will be increased to five members. A "no" vote on this measure will disapprove the proposal and there will be no change to the number of members on the Board of Trustees.
